The SAGE Encyclopedia of Classroom Management W. George Scarlett, 2015-02-24 A teacher s ability to manage the classroom strongly influences the quality of teaching and learning that can be accomplished Among the most pressing concerns for inexperienced teachers is classroom management a concern of equal importance to the general public in light of behavior problems and breakdowns in discipline that grab newspaper headlines But classroom management is not

just about problems and what to do when things go wrong and chaos erupts It s about how to run a classroom so as to elicit the best from even the most courteous group of students An array of skills is needed to produce such a learning environment The SAGE Encyclopedia of Classroom Management raises issues and introduces evidence based real world strategies for creating and maintaining well managed classrooms where learning thrives Students studying to become teachers will need to develop their own classroom management strategies consistent with their own philosophies of teaching and learning It is hoped that this work will help open their eyes to the range of issues and the array of skills they might integrate into their unique teaching styles Key Features 325 signed entries organized in A to Z fashion across two volumes Reader s Guide grouping related entries thematically References Further Readings and Cross References sections Chronology in the back matter Resource Guide in the appendix This encyclopedia is an excellent scholarly source for students who are pursuing a degree or position in the field of education The SAGE Encyclopedia of Classroom Management is an ideal source for all academic and public libraries

Support and Retain Educators of Color Andrea Terrero Gabbadon,2023-07-20 Support and Retain Educators of Color sets school leaders on the path to creating a culturally diverse environment where all students and teachers can thrive Multiple studies have explored the benefits of teacher diversity and

strategies to recruit educators of color but few focus on how to retain them As professional demands on teachers intensify many are leaving the classroom and educators of color already underrepresented in the field are walking away at higher rates than their white counterparts Research indicates the presence of educators of color benefits all students so we must act now to lessen this financially and culturally costly turnover Andrea Terrero Gabbadon presents six principles to guide school leaders in their efforts to support and retain educators of color Acknowledge that teacher diversity matters Cultivate reflection and self awareness Assess and plan for action Commit to sustainable and high impact instructional supports Foster supportive environments for culturally responsive approaches Lead for an inclusive community Featuring voices from teachers in the field research based strategies and solutions and recommendations for resources to enhance understanding and practice Support and Retain Educators of Color is a vital tool for leadership intent on cultivating an affirming validating and inclusive school environment to serve a diverse population of staff and students
