Alive in Shape and Color Lawrence Block, 2017-12-05 In his brilliant follow up to *In Sunlight or In Shadow* Lawrence Block has gathered together the best talent from popular fiction to produce an anthology as inventive as it is alluring including Joyce Carol Oates Lee Child Michael Connelly David Morrell and Jeffery Deaver Even before Lawrence Block could rest on his laurels from *In Sunlight or In Shadow* a question arose What would he do for an encore Any number of artists have produced evocative work paintings that could trigger a literary response But none came to mind who could equal Hopper in turning out canvas after canvas If no single artist could take Hopper's place how about a full palette of them Suppose each author was invited to select a painting from the whole panoply of visual art From the cave drawings at Lascaux to a contemporary abstract canvas on which the paint has barely dried And what a dazzling response Joyce Carol Oates picked *Le Beaux Jours* by Balthus Warren Moore chose Salvador Dali's *The Pharmacist of Ampurdam* Seeking Absolutely Nothing Michael Connelly who sent Harry Bosch to Chicago for a close look at Nighthawks has a go at *The Garden of Earthly Delights* by Harry's namesake Hieronymous Bosch S J Rozan finds a story in Hokusai's *The Great Wave* while Jeffery Deaver's *A Significant Find* draws its inspiration from yes those prehistoric cave drawings at Lascaux And Kristine Kathryn Rusch moves from painting to sculpture and selects Rodin In artists ranging from Art Frahm and Norman Rockwell to Ren Magritte and Clifford Still the impressive concept goes on to include Thomas Pluck Sarah Weinman David Morrell Craig Ferguson Joe R Lansdale Jill D Block Justin Scott Jonathan Santlofer Gail Levin Nicholas Christopher and Lee Child with each story accompanied in color by the work of art that inspired it

In Sunlight or In Shadow Lawrence Block, 2016-12-06 A truly unprecedented literary achievement by author and editor Lawrence Block a newly commissioned anthology of seventeen

superbly crafted stories inspired by the paintings of Edward Hopper including Jeffery Deaver Joyce Carol Oates Stephen King Lee Child and Robert Olen Butler among many others Edward Hopper is surely the greatest American narrative painter His work bears special resonance for writers and readers and yet his paintings never tell a story so much as they invite viewers to find for themselves the untold stories within So says Lawrence Sanders who has invited seventeen outstanding writers to join him in an unprecedented anthology of brand new stories In Sunlight or In Shadow The results are remarkable and range across all genres wedding literary excellence to storytelling savvy Contributors include Stephen King Joyce Carol Oates Robert Olen Butler Michael Connelly Megan Abbott Craig Ferguson Nicholas Christopher Jill D Block Joe R Lansdale Justin Scott Kris Nelscott Warren Moore Jonathan Santlofer Jeffery Deaver Lee Child and Lawrence Sanders himself Even Gail Levin Hopper's biographer and compiler of his catalogue raisonné appears with her own first work of fiction providing a true account of art theft on a grand scale and told in the voice of the country preacher who perpetrated the crime *A Trip to the Stars* Nicholas Christopher, 2011-10-12 A large lavishly inventive novel an American descendant of *The Arabian Nights* erudite and artful entertainment The New York Times Book Review At a Manhattan planetarium in 1965 ten year old Enzo is whisked away from his young adoptive aunt Mala His abductor turns out to be a blood relative his great uncle Junius Samax a wealthy former gambler who lives in a converted Las Vegas hotel surrounded by a priceless art collection and a host of fascinating idiosyncratic guests In Samax's magical world Enzo receives a unique education and pieces together the mystery of his mother's life and the complicated history of his adoption Back in New York Mala only knows that Enzo has disappeared After a yearlong search proves fruitless she enlists in the Navy Nursing Corps and on a hospital ship off Vietnam falls in love with a wounded B-52 navigator who disappears on his next mission Devastated again Mala embarks on a restless adventurous journey around the world hoping to overcome the losses that have transformed her life Fusing imagination scholarship and suspense with remarkable narrative skill Nicholas Christopher builds a story of tremendous scope an epic tale of love and destiny as he traces the intricate latticework of Mala's and Enzo's lives Each remains separate from each other but tied in ways they cannot imagine until the final miraculous chapter of this extraordinary novel A writer of remarkable gifts The Washington Post Book World This labyrinthine novel is animated by an encompassing lust for beauty The New Yorker Nicholas Christopher is North America's García Márquez Borges with emotional weight This is one of those rare books that by connecting the stars catches you in its web The Globe and Mail Includes an excerpt of Nicholas Christopher's *Tiger Rag* *On Jupiter Place* Nicholas Christopher, 2017-03-14 Best known as a novelist Nicholas Christopher began publishing poems in The New Yorker in his twenties and has published eight collections praised over the years by poets and critics as being among America's most important poets Reviewing his selected poems *Crossing the Equator* published eight years ago The Washington Post said To read his richly honed and sensuous work which has so much tensile strength is to visit other worlds and then to return to our own disturbed by time but also refreshed and reawakened On

Jupiter Place is his first book since that collection and it contains material that is perhaps his most personal autobiographical and intimate work yet Beautifully made and carefully constructed one might be reminded of Keats thinking that his poems were little machines of feeling And everywhere in this book are moments of disorientation where the wonder of the poem transcends understanding and leads its readers back into themselves slightly startled and richer for the effort As Merwin has written his poems are vibrant with light and the surprise of recognition He shows us again and again the luminous nature of the familiar The Washington Post reviewing his Crossing the Equator New Selected Poems reported that Nicholas Christopher is a fabulist His fiction often puts me in mind of Jorge Luis Borges and Italo Calvino two time travelers who are his great precursors His poetry tends to build on the work of Wallace Stevens Elizabeth Bishop and James Merrill Like them he has a taste for the exotic the faraway the displaced the imaginary **The Granta** ,2010 0000 00, 0000 00 0000 0
