St. Nicholas: The Believer: A New Story for Christmas Based on the Old Story of St. Nicholas Eric Elder, Lana Elder, 2013-12 From the Introduction by Eric Elder

There was a time when I almost gave up celebrating Christmas Our kids were still young and weren t yet hooked on the idea of Santa Claus and presents Christmas trees and decorations I had read that the Puritans who first came to America were so zealous in their faith that they didn t celebrate Christmas at all Instead they charged fines to businesses in their community who failed to keep their shops open on Christmas day They didn t want anything to do with a holiday that was they felt rooted in paganism As a new believer and a new father myself the idea of going against the flow of the excesses of Christmas had its appeal at least in some respects Then I read an article by a man who simply loved celebrating Christmas He could think of no greater way to celebrate the birth of the most important figure in human history than throwing the grandest of parties for Him gathering and feasting and sharing gifts with as many of his family and friends as possible This man was a pastor of deep faith and great joy For him the joy of Christ s birth was so wondrous that he reveled in every aspect of Christmas including all the planning decorating and activities that went along with it He even loved bringing Santa Claus into the festivities our modern day version of the very real and very ancient Saint Nicholas a man of deep faith and great joy as well who Himself worshipped and adored the Baby who was born in Bethlehem So why not celebrate the birth of Christ Why not make it the biggest party of the year Why not make it the Hap Happiest season of all I was sold Christmas could stay and my kids would be much hap happier for it too I dove back into celebrating Christmas with full vigor and at the same time took a closer look into the life of the real Saint Nicholas a man who seemed almost irremovably intertwined with this Holy Day I discovered that Saint Nicholas and Santa Claus were indeed one and the same and that the Saint Nicholas who lived in the 3rd and 4th centuries after the birth of Christ was truly a devout follower of Christ himself As my wife and I read more and more about Nicholas fascinating story we became enthralled with this believer who had already been capturing the hearts and imaginations of believers and nonbelievers alike throughout the centuries With so many books and movies that go to great lengths to tell you the true story of Santa Claus and how his reindeer are really powered by everything from egg nog to Coca Cola I ve found that there are very few stories that even come close to describing the actual person of who Saint Nicholas was and in particular what he thought about the Man for whom Christmas is named Jesus Christ I was surprised to

learn that with all the historical documents that attest to Saint Nicholas faith in Christ compelling tellings of those stories seem to have fallen by the wayside over the ages So with the encouragement and help of my sweet wife Lana we decided to bring the story of Saint Nicholas back to life for you with a desire to help you recapture the essence of Christmas for yourself While some people with good reason may still go to great lengths to try to remove anything that might possibly hint of secularism from this holiest day of the year it seems to me equally fitting to go to great lengths to try to restore Santa to his rightful place not as the patron saint of shopping malls but as a beacon of light that shines brightly on the One for whom this Holy Day is named It is with deep faith and great joy that I offer you this Christmas novella a little story I ve enjoyed telling it and I hope you ll enjoy hearing it It just may be the most human telling of the story of Saint Nicholas you ve ever heard Above all I pray that God will use this story to rekindle your love not only for this season of the year but for the One who makes this season so bright Eric Elder **The Real St. Nicholas** Louise Carus,2002-10-01 A collection of folktales and stories from throughout Europe reveals that the generosity and kindness attributed to Saint Nicholas goes beyond delivering toys to children **The True Story of Santa Claus** Janet Giovanelli,2020-10-13 He s a symbol of hope and hapiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He s become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much loved poem The Night Before Christmas to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa s elves his workshop Santa s beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband make their home You ll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it s physically possible **The True Story and Life of Saint Nicholas of Myra** Dominic John,2025-10-20 Before the jolly figure of Santa Claus captured hearts around the world there was a humble courageous man Saint Nicholas of Myra The True Story and Life of Saint Nicholas of Myra reveals the man whose generosity faith and miracles became the foundation of one of the most beloved legends of all time Born in what is now Turkey Nicholas dedicated his life to helping the poor protecting children and defending the Christian faith From secretly giving gifts to saving lives with miraculous interventions his story is a remarkable testament to the power of kindness courage and faith Through centuries his life inspired legends and traditions that continue to touch hearts worldwide This detailed Catholic biography is perfect for readers who love saintly inspiration Christian history and timeless stories of virtue Discover the true man behind the legend get your copy and learn the life of the saint who became Santa
