The Twenty-Seventh Letter of the Alphabet Kim Adrian, 2018-10-01 Clear sighted darkly comic and tender *The Twenty Seventh Letter of the Alphabet* is about a daughter s struggle to face the Medusa of generational trauma without turning to stone Growing up in the New Jersey suburbs of the 1970s and 1980s in a family warped by mental illness addiction and violence Kim Adrian spent her childhood ducking for cover from an alcoholic father prone to terrifying acts of rage and trudging through a fog of confusion with her mother a suicidal incest survivor hooked on prescription drugs Family memories were buried even as they were formed and truth was obscured by lies and fantasies In *The Twenty Seventh Letter of the Alphabet* Adrian tries to make peace with this troubled

past by cataloguing memories anecdotes and bits of family lore in the form of a glossary But within this strategic reckoning of the past the unruly present carves an unpredictable path as Adrian s aging mother plunges into ever deeper realms of drug fueled paranoia Ultimately the glossary s imposed order serves less to organize emotional chaos than to expose difficult but necessary truths such as the fact that some problems simply can t be solved and that loving someone doesn t necessarily mean saving them
