Arresting Cinema Karen Fang, 2017-01-11 When Ridley Scott envisioned Blade Runner s set as Hong Kong on a bad day he nodded to the city s overcrowding as well as its widespread use of surveillance But while Scott brought Hong Kong and surveillance into the global film repertoire the city s own cinema has remained outside of the global surveillance discussion In Arresting Cinema Karen Fang delivers a unifying account of Hong Kong cinema that draws upon its renowned crime films and other unique genres to demonstrate Hong Kong s view of surveillance She argues that Hong Kong s films display a tolerance of and even opportunism towards the soft cage of constant observation unlike the fearful view prevalent in the

West However many surveillance cinema studies focus solely on European and Hollywood films discounting other artistic traditions and industrial circumstances Hong Kong s films show a more crowded increasingly economically stratified and postnational world that nevertheless offers an aura of hopeful futurity Only by exploring Hong Kong surveillance film can we begin to shape a truly global understanding of Hitchcock s rear window ethics *The Life He Left Behind* Kathryn Rosseau,2025-04-10 What if the man who broke your heart is the only one who can save your life On the day she should have been celebrating she was left shattered He walked away chasing a dream never knowing she was carrying his child Now ten years later their worlds collide in the most unexpected way She s the victim of a brutal kidnapping He s the elite Federal Police officer assigned to bring her home alive A past full of secrets A love that never died A second chance hanging by a thread As danger closes in old wounds reopen He never stopped loving her but can she ever forgive the man who walked away And when the truth comes out will it save them or tear them apart for good *The Life He Left Behind* is an emotional romantic suspense packed with heartbreak redemption and the kind of love that refuses to fade Perfect for fans of second chances strong heroines and protective heroes with unfinished business *The Millionaire Rogue* Jessica Peterson,2015-01-06 In an age of stately decorum the Hope Diamond was a source of delicious intrigue and a font of unimaginable adventure Though not of noble birth Thomas Hope has a skill in banking that s made him one of the richest most trusted men in London Still he keeps his dubious past hidden So when an old acquaintance calls on Hope to help acquire the infamous French Blue Diamond he s desperate to be discreet He never expects that his biggest concern shouldn t be losing his reputation but his heart Sophia Blaise is determined to make a brilliant match with this season s most eligible most titled bachelor but her true passion has been ignited by the incredible stories she hears while secretly transcribing the memoirs of a notorious Madam After a night of clandestine writing ends with Sophia caught up in a scandalous adventure of her own with an alluring banker she begins to question whether she s suited to the proper life she s always known Caught up in a thrilling exploit and unexpected romance Sophia must make a choice between what her head knows is safe and what her heart desperately desires before both slip from her grasp forever *A Coffin for Dimitrios* Eric Ambler,2011-10-19 ONE OF TIME MAGAZINE S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME The classic story of an ordinary man seemingly out of his depth this is Ambler s most widely acclaimed novel one of the masterpieces of the genre The New York Times Book Review A chance encounter with a Turkish colonel leads Charles Latimer the author of a handful of successful mysteries into a world of sinister political and criminal maneuvers At first merely curious to reconstruct the career of the notorious Dimitrios whose body has been identified in an Istanbul morgue Latimer soon finds himself caught up in a shadowy web of assassination espionage drugs and treachery that spans the Balkans *Mourningtide* D M Wilder,2016-12-03 Eighteen years have passed since Seti commanded the Royal Army in The City of Refuge Now he rules Egypt as King While Seti is far away to the south his eldest son is ambushed and killed through a senseless mistake His family sends word but it is

Before Night Falls Reinaldo Arenas, 2020-02-25 Any attempt to reckon with Cuba's torturous twentieth century will have to take into account Arenas's monumental work, an essential human testimony joyful and enraged, a triumph of conscience. Garth Greenwell: The acclaimed memoir of queer Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life from his impoverished upbringing in Cuba to his imprisonment at the hands of a Communist regime. The astonishing memoir by visionary Cuban writer Reinaldo Arenas is a book above all about being free, said The New York Review of Books. Sexually, politically, artistically, Arenas recounts a stunning odyssey from his poverty-stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro through his suppression as a writer, imprisonment as a homosexual, his flight from Cuba via the Mariel boat lift, and his subsequent life and the events leading to his death in New York. In what The Miami Herald calls his deathbed ode to eroticism, Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime. Recorded in simple, straightforward prose, this is the true story of the Kafkaesque life and world re-created in the author's acclaimed novels.

Thirty-Three Years Rob G. Rothwell, 2021-11-24 That was it. That was the moment I knew I wanted to be a cop. When Rob Rothwell is a naïve, directionless eighteen-year-old, he gets invited on a ride along with a young cop, and the wild night that ensues sends him hurtling into a thirty-three-year career in policing. And in this unabashedly unfiltered account of his years in Vancouver PD, Rob takes readers on their own thrilling ride along. With tough-guy wit and unexpected wellsprings of deep compassion, *Memoir of a Cop* shows the best and worst of humanity from the perspective of a cop daily putting his life on the line in the streets of a great city. From the wild action of a car chase to dogged evidence gathering to the dangers and intricacies of an undercover drug operation to confrontations with sudden, unspeakable horror, Rob's wry humanist perspective brings us inside the life of a cop. His story will appeal to the legions of police-procedural fans out there as well as those considering a life in law enforcement. And for those who simply love memoir as a way of vicariously living fascinating lives, it will not disappoint.
