**The Unrest-Cure and Other Stories** Saki, 2013-06-18 An NYRB Classics Original The whimsical macabre tales of British writer H H Munro better known as Saki skewer the banality and hypocrisy of polite English society between the end of the Victorian era and the beginning of World War I Saki's heroes are enfants terribles who marshal their considerable wit and imagination against the cruelty and fatuousness of a decorous and doomed world Here Saki's brilliantly polished dark gems are paired with illustrations by the peerless Edward Gorey available for the first time in an English language edition The fragile elegance and creeping menace of Gorey's pen and ink drawings perfectly complements Saki's population of delicate ladies mischief making charges spectral guests sardonic house pets flustered authority figures and delightfully preposterous imposters

**Girlfriends, Ghosts, and Other Stories** Robert Walser, 2016-09-13 **Girlfriends Ghosts and Other Stories** brings together eighty one brief texts spanning Robert Walser's career from pieces conceived amid his early triumphs to later works written at a psychiatric clinic in Bern Many were published in the feuilleton sections of newspapers during Walser's life others were jotted down on slips of paper and all but forgotten They are strung together like consciousness idiosyncratic and vulnerable genuine in their irony wistful in their humor Some dwell on childish or transient topics carousels the latest hairstyles an ekphrasis of the illustrations in a picture book others on the grand themes of nature art and love But

they remain conversational almost lighter than air Every emotion ventured takes on the weight of a sincerity that is imperiled as soon as it comes into contact with the outside world which retains all of the novelty it had in childhood and all of the danger     Party Going Henry Green,2017-04-04 A modernist masterpiece The New York Times that will appeal to fans of Downton Abbey and The Great Gatsby Party Going published in 1939 is Henry Green s darkly comic valediction to what W H Auden famously described as the low dishonest decade of the 1930s London is sunk in an impenetrable fog Traffic has come to a halt Stranded in the train station and the hotel connected to it are a group of bright young things waiting to catch a train to the Continent where their enormously rich friend Max is throwing a party Green s characters worry and wonder and wander in and out of each other s company and arms and beds in pursuit of and pursued by their own secrets and desires

*Other Worlds* Teffi,2021-04-20 Stories about the occult folk religions superstition and spiritual customs in Russia by one of the most essential twentieth century writers of short fiction and essays Though best known for her comic and satirical sketches of pre Revolutionary Russia Teffi was a writer of great range and human sympathy The stories on otherworldly themes in this collection are some of her finest and most profound displaying the acute psychological sensitivity beneath her characteristic wit and surface brilliance Other Worlds presents stories from across the whole of Teffi s long career from her early days as a literary celebrity in Moscow to her post Revolutionary years as an migr in Paris In the early story A Quiet Backwater a laundress gives a long disquisition on the name days of the flora and fauna and on the Feast of the Holy Ghost a day on which no one dairst disturb the earth The story Wild Evening is about the fear of the unknown The Kind That Walk a penetrating study of antisemitism and of xenophobia and Baba Yaga about the archetypal Russian witch and her longing for wildness and freedom Teffi traces the persistent influence of the ancient Slavic gods in superstitions and customs and the deep connection of the supernatural to everyday life in the provinces In Volya the autobiographical final story the power and pain of Baba Yaga is Teffi s own     Ghosts Edith Wharton,2021-10-26 An elegantly hair raising collection of Edith Wharton s ghost stories selected and with a preface written by the author herself No history of the American uncanny tale would be complete without mention of Edith Wharton yet many of Wharton s most dedicated admirers are unaware that she was a master of the form In fact one of Wharton s final literary acts was assembling Ghosts a personal selection of her most chilling stories written between 1902 and 1937 In The Lady s Maid s Bell the earliest tale included here a servant s dedication to her mistress continues from beyond the grave and in All Souls the last story Wharton wrote an elderly woman treads the permeable line between life and the hereafter In all her writing Wharton s great gift was to mercilessly illuminate the motives of men and women and her ghost stories never stray far from the preoccupations of the living using the supernatural to investigate such worldly matters as violence within marriage the horrors of aging the rot at the root of new fortunes the darkness that stares back from the abyss of one s own soul These are stories to send a cold shiver down one s spine not to terrify and as Wharton explains in her preface her goal in writing them was to counter the hard grind of modern speeding up

darker tale of the fractured family life of Bonnie McCarthy an American divorcee and her daughter Flor Uprooted and unmoored mother and daughter live like itinerants in Venice Cannes and Paris glamorous and dependent With little hope of escape Flor attempts to flee this untidy life and the false notes of her mother **A Visit to Don Otavio** Sybille

Bedford,2016-06-21 In the mid 1940s Sybille Bedford set off from Grand Central Station for Mexico accompanied by her friend E a hamper of food and drink Virginia ham cherries watercress a flute of bread Portuguese ros books a writing board and paper Her resulting travelogue captures the violent beauty of the country she visited Bedford doesn't so much describe Mexico as take the reader there in second class motor buses over thousands of miles through arid noons and frigid nights successions of comida corrida botched excursions to the coast conversations recorded verbatim hilarious observations and fascinating digressions into murky histories At the heart of the book is the Don Otavio of the title the travelers gracious host his garrulous family and friends and his Edenic hacienda at Lake Chapala Published in 1953 A Visit to Don Otavio was an immediate success a travel book written by a novelist as Bedford described it establishing her reputation as a nonpareil writer *Girl, 20* Kingsley Amis,2013-09-17 Kingsley Amis along with being the funniest English writer of his generation was a great chronicler of the fads and absurdities of his age and Girl 20 is a delightfully incisive dissection of the flower

power phase of the 1960s Amis's antihero Sir Roy Vandervane a conductor and composer who bears more than a passing resemblance to Leonard Bernstein is a pillar of the establishment who has fallen hard for protest bellbottoms and the electric guitar And since vain Sir Vandervane is a great success he is also free to pursue his greatest failing a taste for younger and younger women Highborn hippie Sylvia not in fact twenty is his latest infatuation and a threat to his whole family from his drama queen wife Kitty to Penny his long suffering daughter All this is recounted by Douglas Yandell a music critic with his own love problems who finds that he too has a part in this story of botched artistry bumbling celebrity and scheming family in a time that for all its high minded talk is as low and dishonest as any other *My Face for the World to See* Alfred

Hayes,2013-07-23 Alfred Hayes is one of the secret masters of the twentieth century novel a journalist and scriptwriter and poet who possessed an immaculate ear and who wrote with razorsharp intelligence about passion and its payback *My Face for the World to See* is set in Hollywood where the tonic for anonymity is fame and you're only as real as your image At a party the narrator a screenwriter rescues a young woman who staggers with drunken determination into the Pacific He is living far from his wife in New York and long ago shed any illusions about the value of his work He just wants to be left alone And yet without really meaning to he gets involved with the young woman who has it seems no illusions about love especially with married men She's a survivor even if her beauty is a little battered from years of not quite making it in the pictures She's just like him he thinks and as their casual relationship takes on an increasingly troubled and destructive intensity it seems that might just be true only not in the way he supposes **The Glory of the Empire** Jean D'Ormesson,2016-05-03 The

Glory of the Empire is the rich and absorbing history of an extraordinary empire at one point a rival to Rome Rulers such as

Basil the Great of Onessa who founded the Empire but whose treacherous ways made him a byword for infamy and the romantic Alexis the bastard who dallied in the fleshpots of Egypt studied Taoism and Buddhism returned to save the Empire from civil war and then retired to learn to die come alive in *The Glory of the Empire* along with generals politicians prophets scoundrels and others Jean d Ormesson also goes into the daily life of the Empire its popular customs and its contribution to the arts and the sciences which as he demonstrates exercised an influence on the world as a whole from the East to the West and whose repercussions are still felt today But it is all fiction a thought experiment worthy of Jorge Luis Borges and in the end *The Glory of the Empire* emerges as a great shimmering mirage filling us with wonder even as it makes us wonder at the fugitive nature of power and the meaning of history itself *In Love* Alfred Hayes,2013-07-23 This heart stoppingly good masterpiece about a crumbling love affair in 1950s New York perfectly captures the desperate desire for love and the recognition that it is slipping away Slate One of the greatest bleakest breakup stories ever told The New York Observer New York in the 1950s A man on a barstool is telling a story about a woman he met in a bar early married and soon divorced her child farmed out to her parents good looking if a little past her prime They d gone out they d grown close but as far as he was concerned it didn t add up to much He was a busy man Then one day out dancing she runs into a rich awkward lovelorn businessman He ll pay for her to be his pay her a lot And now the narrator discovers that he is as much in love with her as she is with him perhaps more though it will take him a while to realize just how utterly lost he is Executed with the cool smoky brilliance of a classic Miles Davis track *In Love* is an unequaled exploration of the tethered and untethered heart

*The Violins of Saint-Jacques* Patrick Leigh Fermor,2017-07-11 Mr Fermor s elegant rococo fantasy about a volcanic eruption on an imaginary Caribbean island is just close enough to reality to raise a genuine shiver possibly even a genuine tear In truth it is a small timeless masterpiece Phoebe Lou Adams The Atlantic An NYRB Classics Original Patrick Leigh Fermor s only novel displays the same lustrous way with words as his beloved travel trilogy *A Time of Gifts* *Between the Woods and the Water* and *The Broken Road* the memoir of his youthful walk from the Hook of Holland to Constantinople This slim book starts with the meeting of an English traveler and an enigmatic elderly Frenchwoman on an Aegean island He is captivated by her painting of a busy Caribbean port in the shadow of a volcano which leads her to tell him the story of her childhood in that town back at the beginning of the twentieth century The tale she unfolds set in the tropical luxury of the island of Saint Jacques is one of romantic intrigue and decadence involving the descendants of slaves and a fading French aristocracy Then on the night of the annual Mardi Gras ball a whole world comes to a catastrophic and haunting end

**Motley Stones** Adalbert Stifter,2021-05-04 The first complete English translation of the nineteenth century Austrian innovator s evocative elemental cycle of novellas For Kafka he was my fat brother Thomas Mann called him one of the most peculiar enigmatic secretly audacious and strangely gripping storytellers in world literature Often misunderstood as an idyllic poet of beetles and buttercups the nineteenth century Austrian writer Adalbert Stifter can now be seen as a radical

experimenter with narrative and a forerunner of nature writing's darker currents. One of his best known works, the novella cycle *Motley Stones*, now appears in its first complete English translation, a rendition that respects the bracing strangeness of the original. In six thematically linked novellas, including the beloved classic *Rock Crystal*, human dramas play out amid the natural cycles of the Alps or the urban rhythms of Vienna environments so keenly observed that they emerge as the tales most indomitable protagonists. Stifter's human characters are equally haunting: children braving perils, eccentrics and loners harboring enigmatic torments. We seek to glimpse the gentle law that guides the human race. Stifter famously wrote, "What he glimpsed more often than not was the abyss that lies behind the idyll." The tension between his humane sensitivity and his dark visions is what lends his writing its heartbreaking power.

**Naked Earth** Eileen Chang, 2015-06-16. An NYRB Classics Original. Set in the early years of Mao's China, *Naked Earth* is the story of two earnest young people confronting the grim realities of revolutionary change. Liu Ch'an and Su Nan meet in the countryside after volunteering to assist in the new land reform program. Eager to build a more just society, they are puzzled and shocked by the brutality, barely disguised corruption, and ruthless careerism they discover, but then quickly silenced by the barrage of propaganda and public criticism that is directed at anyone who appears to doubt a righteous cause. Joined together by the secret of their common dismay, they remain in touch when Liu departs to work on a newspaper in Peking, where Su Nan eventually also moves. Something like love begins to grow between them, but then a new round of purges sweeps through the revolutionary ranks. One of the greatest and most loved of modern Chinese writers, Eileen Chang illuminates the dark corners of the human existence with a style of disorienting beauty. *Naked Earth*, unavailable in English for more than fifty years, is a harrowing tale of perverted ideals, damaged souls, deepest loneliness, and terror.

**Talk** Linda Rosenkrantz, 2015-07-07. *Talk* is a hilariously irreverent and racy testament to dialogue, the gossip, questioning, analysis, arguments, and revelations that make up our closest friendships. It's the summer of 1965, and Emily Vincent and Marsha are at the beach. All three are ambitious and artistic, all are hovering around thirty, and all are deeply and mercilessly invested in analyzing themselves and everyone around them. The friends discuss sex, shrinks, psychedelics, sculpture, and S and M in an ongoing dialogue where anything goes, and no topic is off limits. *Talk* is the result of these conversations, recorded by Linda Rosenkrantz and transformed into a novel whose form and content put it well ahead of its time. Controversial upon its first publication in 1968, *Talk* remains fresh, lascivious, and laugh-out-loud funny nearly fifty years later.

**On Being Blue** William H. Gass, 2014-03-11. *On Being Blue* is a book about everything blue: sex and sleaze and sadness among other things, and about everything else. It brings us the world in a word, as only William H. Gass among contemporary American writers can do. Gass writes, "Of the colors, blue and green have the greatest emotional range. Sad reds and melancholy yellows are difficult to turn up. Among the ancient elements, blue occurs everywhere: in ice and water, in the flame as purely as in the flower overhead, and inside caves covering fruit and oozing out of clay. Although green enlivens the earth and mixes in the ocean, and we find it copperish in fire, green air, green skies are rare."

Gray and brown are widely distributed but there are no joyful swatches of either or any of exuberant black sullen pink or acquiescent orange Blue is therefore most suitable as the color of interior life Whether slick light sharp high bright thin quick sour new and cool or low deep sweet dark soft slow smooth heavy old and warm blue moves easily among them all and all profoundly qualify our states of feeling
