Starting A Business Mark Atwood, 2018-07-05 Have you ever thought about starting your own business but never found the time to do it? Are you unhappy with your current situation and want to make a change? Learn what you need to know to get started today. Starting a Business: the 15 Rules for a Successful Business Starting a successful business could be your key to earning passive income for a lifetime and achieving financial freedom. This is, however, not as easy as the majority thinks. No matter what you have heard before about business startups, you need to realize that starting a business takes a lot of hard work. If starting a business and becoming a millionaire was easy, everyone would do it. The truth is that most people fail to start a successful business. This does not mean that it is impossible. The difference between those who fail and those who succeed is mainly preparation and investments in knowledge. Those who fail do not take the time to learn and prepare for what is coming. Successful business owners read books, take courses, and study; those who have already made it to the top. Successful business owners know that it's better to learn as much as they possibly can before investing their hard-earned money. This book was not created by some rookie entrepreneur who just had their first thousand-dollar check written. This book is based on my own success and the success of many other successful entrepreneurs. In comparison to many other business books, this one is not packed with stories and other nonsense fluff just to fill up the pages and make you pay more. This book provides high-quality content, true value to your business career, strategies, tips, advice, and much more to ensure that you succeed in the field of business and entrepreneurship. What you are learning here could potentially benefit you for a lifetime. Preview Of What You Will Receive The Essentials For A Successful Business Start-up Main Factors Why Most People Fail In Business 10 Mindsets That Will Radically Improve Your Business How To Turn Past Failures Into Success The Business Planning Process Step By Step What To Know About Business Law Ways To Grow Your Business Into A Million-dollar Corporation MUCH MUCH MORE Note: This book is not a get-rich-quick scheme.
