The Tunnel Thru the Air, Or Looking Back From 1940 (Classic Reprint) William D. Gann, 2017-02-22 Excerpt from The Tunnel Thru the Air or Looking Back From 1940 It had always been the custom of Calvin and Amelia Gordon to go to the little country church every Sunday morning but this morning Capt Gordon remained with his wife so that they could talk over the naming of their son Capt Gordon suggested the name Robert which was the name of his father and his Wife quickly acquiesced so the baby was named Robert Amelia Gordon was a great Bible student and had always hoped that she would have a son born who would be a preacher so she thought that little Robert might fulfill her hopes and ambitions Capt Gordon was a farmer growing mostly cotton crops on the Red River bottom lands The following year 1907 after the birth of little Robert Capt Gordon's crops were almost a failure The Spring was late and over ows damaged cotton This together with unfavorable financial conditions caused a panic in the United States in the Fall of 1907 Thus the first year of the boy's life started under unfavorable conditions When Robert was a little over two years old his mother gave birth to a girl the first born to her but

still she showed great interest in Robert talked much of his future and took great interest in teaching him to live according to the Bible At about the age of five his mother began to teach him the alphabet He learned very quickly how to read and write before he started to school He was always Willing and glad to go to Sunday School with his mother took a great interest in the sermon and what the Sunday School teacher had to say about the creation of the world and about God s great plan Little Robert went to church one day and the preacher took his text from 1 Thes 4 16 18 For the Lord him self shall descend from Heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Wherefore comfort one another with these words About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works On Some Antiquities in the Neighbourhood of Dunecht House Aberdeenshire (Classic Reprint) George Forrest Browne, 2018-03-07 Excerpt from On Some Antiquities in the Neighbourhood of Dunecht House Aberdeenshire It was known to the archaeologist that there were ogham inscriptions in the district two Of them being among the most important in Caledonia and that within an easy motor drive there was a minuscule inscription of six lines Of which no satisfactory explanation had been given This inscription they had visited in a previous year Further the quick eye Of the hostess of Dunecht had caught sight of some curious sculptures on a stone by the road side on the way to the minuscule inscription and other like stones in the neighbourhood had been shewn in Stuart s two volumes of Sculptural Stones of Scotland The suggestion was then made that for the sake of visitors at Dunecht a sort Of guide book should be prepared giving some simple description of the several Objects and their meaning and uses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Reprinted Pieces by Charles Dickens - Delphi Classics (Illustrated)** Charles Dickens, 2017-07-17 This eBook features the unabridged text of Reprinted Pieces from the bestselling edition of The Complete Works of Charles Dickens Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior

The Tunnel of Hugsy Goode Eleanor Estes, 2003-08-01 Nobody believed Hugsy Goode when he prophesied that a tunnel lay beneath the alley until generations later Nicholas alias Copin and Timothy alias Tornid decide to explore And lo and behold right under the vine covered hole outside the house where Hugsy Goode used to live they find an entrance to adventures beyond their wildest dreams A sequel to The Alley

Ummagga Jataka T. B. Yatawara, 2018-02-22 Excerpt from Ummagga Jataka The Story of the Tunnel I have already spoken of the human interest of the story Few eastern tales indeed delineate human nature in all its phases with such fulness and fidelity The vivid picture which the story presents of the customs and manners and institutions of India of a bygone age is worthy of special notice It is also interesting to note the striking similarity of the story of the two mothers who claimed the same child as related in this J ataka with Solomon s judgment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Construction of a Small Tunnel (Classic Reprint) John George Gale Kerry, 2017-10-26 Excerpt from The Construction of a Small Tunnel When the contractors had full forces the excavation was carried on by day and night shifts working ten hours each from both ends of the tunnel It was but rarely however that full forces were employed as the adjacent grading was more backward than the tunnel and the men were drawn off to it The excavation was all done by hand work no special tunnel machinery being employed and it was conducted on the general principle that nothing is so expensive in tunneling as a cave in About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Tunnel Classic Reprint Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Tunnel Classic Reprint has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Tunnel Classic Reprint has opened up a world of possibilities. Downloading The Tunnel Classic Reprint provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Tunnel Classic Reprint has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access

information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Tunnel Classic Reprint. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Tunnel Classic Reprint. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Tunnel Classic Reprint, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Tunnel Classic Reprint has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
