**Ignorance** Milan Kundera, 2023-05-23 Kundera once more delivers a seductive intelligent entertainment with elegance and grace Washington Post Book World Nothing short of masterful Newsweek A brilliant novel set in contemporary Prague by one of the most distinguished writers of our time A man and a woman meet by

chance while returning to their homeland which they had abandoned 20 years earlier when they chose to become exiles Will they manage to pick up the thread of their strange love story interrupted almost as soon as it began and then lost in the tides of history The truth is that after such a long absence their memories no longer match We always believe that our memories coincide with those of the person we loved that we experienced the same thing But this is just an illusion Only those who return after 20 years like Ulysses returning to his native Ithaca can be dazzled and astounded by observing the goddess of ignorance first hand Kundera is the only author today who can take dizzying concepts such as absence memory forgetting and ignorance and transform them into material for a novel masterfully orchestrating them into a polyphonic and moving work

**Slowness** Milan Kundera, 2023-04-25 Irresistible Slowness is an ode to sensuous leisure to the enjoyment of pleasure rather than just the search for it Mirabella Milan Kundera's lightest novel a divertimento an opera buffa Slowness is also the first of this author's fictional works to have been written in French Disconcerted and enchanted the reader follows the narrator of Slowness through a midsummer's night in which two tales of seduction separated by more than two hundred years interweave and oscillate between the sublime and the comic Underlying this libertine fantasy is a profound meditation on contemporary life about the secret bond between slowness and memory about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed And about dancers possessed by the passion to be seen for whom life is merely a perpetual show emptied of every intimacy and every joy

Life Is Elsewhere Milan Kundera, Aaron Asher, 2000-07-25 The author initially intended to call this novel The Lyrical Age The lyrical age according to Kundera is youth and this novel above all is an epic of adolescence an ironic epic that tenderly erodes sacrosanct values childhood motherhood revolution and even poetry Jaromil is in fact a poet His mother made him a poet and accompanies him figuratively to his love bed and literally to his deathbed A ridiculous and touching character horrifying and totally innocent innocence with its bloody smile Jaromil is at the same time a true poet He's no creep he's Rimbaud Rimbaud entrapped by the communist revolution entrapped in a somber farce

The Unbearable Lightness of Being, 2003 **La Insoportable Levedad Del Ser** Kundera, 2017-05-16 Esta es una extraordinaria historia de amor o sea de celos de sexo de traiciones de muerte y también de las debilidades y paradojas de la vida cotidiana de dos parejas cuyos destinos se entrelazan irremediabilmente Y el lector no puede sino terminar siendo el mismo personaje cuando no todos a la vez Y es que esta novela va dirigida al corazón pero también a la cabeza del lector En efecto los celos de Teresa por Tom's el terco amor de ella por ella opuesto a su irrefrenable deseo de otras mujeres el idealismo lrico y cursi de Franz amante de Sabina y la necesidad de esta amante también de Tom's de perseguir incansable una libertad que tan sólo la conduce a la insoportable levedad del ser se convierten de simple anecdota en reflexión sobre problemas filosóficos que afectan a cada uno directamente cada día

**Identity** Milan Kundera, 1999-04-21 There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own This also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With stunning artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude Of all contemporary writers only Kundera can transform such a hidden and disconcerting perception into the material for a novel one of his finest most painful and most enlightening Which surprisingly turns out to be a love story

**The Festival of Insignificance** Milan Kundera, 2023-07-18 Slender but weighty What is moving about this novel is its embrace of what has always driven Kundera the delicate state of living between being and nothingness Boston Globe From the internationally acclaimed bestselling author of *The Unbearable Lightness of Being* an entertaining and enchanting novel a fitting capstone on an extraordinary career Slate Casting light on the most serious of problems and at

the same time saying not one serious sentence being fascinated by the reality of the contemporary world and at the same time completely avoiding realism that s The Festival of Insignificance Readers who know Milan Kundera s earlier books know that the wish to incorporate an element of the unserious in a novel is not at all unexpected of him In Immortality Goethe and Hemingway stroll through several chapters together talking and laughing And in Slowness Vera the author s wife says to her husband you ve often told me you meant to write a book one day that would have not a single serious word in it I warn you watch out Your enemies are lying in wait Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work A strange sort of summation Strange sort of epilogue Strange sort of laughter inspired by our time which is comical because it has lost all sense of humor What more can we say Nothing Just read

**The Book of Laughter and Forgetting** Milan Kundera, 2023-03-28 An absolutely dazzling entertainment Arousing on every level political erotic intellectual and above all humorous Newsweek The Book of Laughter and Forgetting calls itself a novel although it is part fairy tale part literary criticism part political tract part musicology and part autobiography It can call itself whatever it wants to because the whole is genius New York Times Rich in its stories characters and imaginative range The Book of Laughter and Forgetting is the novel that brought Milan Kundera his first big international success in the late 1970s Like all his work it is valuable for far more than its historical implications In seven wonderfully integrated parts different aspects of human existence are magnified and reduced reordered and emphasized newly examined analyzed and experienced
