-The Jury-
System and
the Ideal of
Democracy

With a New Preface

Jeffrey Abramson

We The Jury The Jury System And The Ideal Of Democracy

**Ron Levy, Hoi Kong, Graeme Orr, Jeff
King**

We The Jury The Jury System And The Ideal Of Democracy:

We, the Jury Jeffrey B. Abramson, 2000 This magisterial book explores fascinating cases from American history to show how juries remain the heart of our system of criminal justice and an essential element of our democracy No other institution of government rivals the jury in placing power so directly in the hands of citizens Jeffrey Abramson draws upon his own background as both a lawyer and a political theorist to capture the full democratic drama that is the jury We the Jury is a rare work of scholarship that brings the history of the jury alive and shows the origins of many of today's dilemmas surrounding juries and justice

Crime and Justice Carolyn Boyes-Watson, 2018-03-08 Crime and Justice offers a comprehensive introduction to the U.S. criminal justice system through fifteen historical and contemporary case studies The third edition has been revised and streamlined throughout featuring new material on race the war on drugs police violence stand your ground laws and gun laws and more Each chapter opens with an engaging case study followed by an explanatory chapter that teaches core concepts key terms and critical issues The cases serve multiple learning objectives illustrating concepts applied in real life exploring sociological issues of race class gender and power and teaching students the law and processes of the justice system Crime and Justice is excellent for any course that introduces students to the criminal justice system A complimentary Instructor's Manual and Test Bank are available as well as an open access Companion Website for students that includes interactive flashcards links to online video and media and other learning material Visit <http://textbooks.rowman.com/boyes-watson3e> or email textbooks@rowman.com for more information

The Jury and Democracy John Gastil, E. Pierre Deess, Philip J. Weiser, Cindy Simmons, 2010-10-08 Alexis de Tocqueville John Stuart Mill and the U.S. Supreme Court have all alleged that jury service promotes civic and political engagement yet none could prove it Finally The Jury and Democracy provides compelling systematic evidence to support this view Drawing from in depth interviews thousands of juror surveys and court and voting records from across the United States the authors show that serving on a jury can trigger changes in how citizens view themselves their peers and their government and can even significantly increase electoral turnout among infrequent voters Jury service also sparks long term shifts in media use political action and community involvement In an era when involved Americans are searching for ways to inspire their fellow citizens The Jury and Democracy offers a plausible and realistic path for turning passive spectators into active political participants

The Cambridge Handbook of Deliberative Constitutionalism Ron Levy, Hoi Kong, Graeme Orr, Jeff King, 2018-04-19 Deliberative democratic theory emphasises the importance of informed and reflective discussion and persuasion in political decision making The theory has important implications for constitutionalism and vice versa as constitutional laws increasingly shape and constrain political decisions The full range of these implications has not been explored in the political and constitutional literatures to date This unique Handbook establishes the parameters of the field of deliberative constitutionalism which bridges deliberative democracy with constitutional theory and practice Drawing on contributions from world leading authors

this volume will serve as the international reference point on deliberation as a foundational value in constitutional law and will be an indispensable resource for scholars students and practitioners interested in the vital and complex links between democratic deliberation and constitutionalism **Arms and the University** Donald Alexander Downs, Ilia

Murtazashvili, 2012-02-27 The gap between the U S military and society has widened in recent years posing problems for the constitutional order The gap is especially acute in major universities Arms and the University probes various dimensions of the tense relationship between the military and the university Developing and applying a theory of civic and liberal education this book shows how some military presence on campus can contribute to the diversity of ideas and the education of all students The Routledge Handbook of Criminal Justice Ethics Jonathan Jacobs, Jonathan Jackson, 2016-07-01 The enormous

financial cost of criminal justice has motivated increased scrutiny and recognition of the need for constructive change but what of the ethical costs of current practices and policies Moreover if we seriously value the principles of liberal democracy then there is no question that the ethics of criminal justice are everybody's business concerns for the entire society The Routledge Handbook of Criminal Justice Ethics brings together international scholars to explore the most significant ethical issues throughout their many areas of expertise anchoring their discussions in the empirical realities of the issues faced rather than applying moral theory at a distance Contributions from philosophers legal scholars criminologists and psychologists bring a fresh and interdisciplinary approach to the field The Handbook is divided into three parts Part I addresses the core issues concerning criminal sanction the moral and political aspects of the justification of punishment and the relationship between law and morality Part II examines criminalization and criminal liability and the assumptions and attitudes shaping those aspects of contemporary criminal justice Part III evaluates current policies and practices of criminal procedure exploring the roles of police prosecutors judges and juries and suggesting directions for revising how criminal justice is achieved Throughout scholars seek pathways for change and suggest new solutions to address the central concerns of criminal justice ethics This book is an ideal resource for upper undergraduate and postgraduate students taking courses in criminal justice ethics criminology and criminal justice theory and also for students of philosophy interested in punishment law and society and law and ethics The Place of the Explained Verdict in the English Criminal Justice System:

Decision-making and Criminal Trials Bethel G. A. Erastus-Obilo, 2008-10-30 Lay participation in the criminal justice process in the form of a jury is a celebrated phenomenon throughout the common law jurisdictions While not claiming credit for its origin England as the latent cradle of the modern jury disseminated this mode Instilling Ethics Norma Thompson, 2000 Fifteen essays presented by Thompson political science Yale U Explore both historical and contemporary issues of ethics mostly in the political and social sphere After separate treatments of the ethical thinking of Aristotle Cicero Machiavelli Rousseau Kant Nietzsche and others the final third of the essays discuss such issues as the failure of ethics in American government ethical considerations of information technology and the paradox of trying to establish societal notions of right

and wrong on individual judgements of ethics Annotation copyrighted by Book News Inc Portland OR **Routledge**

Revivals: Encyclopedia of American Civil Liberties (2006) Paul Finkelman, 2018-04-17 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of civil liberties in America The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students **Managing Interpersonal Conflict** Nancy A. Burrell, Mike Allen, Barbara Mae Gayle, Raymond W.

Preiss, 2014-02-05 Managing Interpersonal Conflict is a systematic review of conflict research in legal institutional and relational contexts Each chapter represents a summary of the existing quantitative social science research using meta analysis with contexts ranging from jury selection to peer mediation to homophobia reduction The contributors provide connections between cutting edge scholarship about abstract theoretical arguments the needs of instructional and training pedagogy and practical applications of information The meta analysis approach produces a unique informational resource offering answers to key research questions addressing conflict This volume serves as an invaluable resource for studying conflict mediation negotiation and facilitation in coursework implementing and planning training programs designing interventions creating workshops and conducting studies of conflict
