Great War Modernists Lee M. Jenkins, 2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker s famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing

daughter of his uncle who had earlier married an Urdu speaking immigrant settler girl in Dhaka Meanwhile Rokhi's earlier suitor Andy after being rejected by her fell in love with Kabil's maternal cousin Momi who herself was dreaming about marrying Kabil since her childhood However since Kabil was indifferent to Momi's love she wanted to love anew and marry Andy Since the untenable political situation during the liberation war forced Andy and Rohki leave the country Kabil proposed after his return from India to marry Momi But Momi being hurt by Kabil's earlier indifference and hurt by Andy's unexpected departure declined Kabil's proposal Kabil then found his unexpected love in a different person who had been his political co activist for long time and had earlier been married to one of his close student friends who had been killed by the Pakistani military

All In With Love James Gardiner, 2022-08-19 Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn't seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within

their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life [Argonaut](#),1900

Homer's Iliad: The Real Story John D. Martin,2025-07-30 For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer's great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad's web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer's own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity's greatest author

Love and War John Eldredge,Stasi Eldredge,2009-12-15 What the Eldredge bestsellers *Wild at Heart* did for men and *Captivating* did for women LOVE WAR will do for married couples everywhere John and Stasi Eldredge have contributed the quintessential works on Christian spirituality through the experience of men and the experience of women and now they turn their focus to the incredible dynamic between those two forces With refreshing openness that will grab readers from the first page the Eldredges candidly discuss their own marriage and the insights they've gained from the challenges they faced Each talks independently to the reader about what they've learned giving their guidance personal immediacy and a balance between the male and female perspectives that has been absent from all previous books on this topic They begin LOVE WAR with an obvious but necessary acknowledgement Marriage is fabulously hard They advise that the sooner we get the shame and confusion off our backs the sooner we'll find our way through LOVE WAR shows couples how to fight for their love and happiness calling men and women to step into the great adventure God has waiting for them together Walking alongside John and Stasi Eldredge every couple can discover how their individual journeys are growing into a story of meaning much greater than anything they could do or be on their own
