There were also many revivals such as *Show Boat* and *Gypsy*, surprise hits *The Pirates of Penzance*, huge hits *42nd Street* and notorious flops *Into the Light*, *Carrie* and *Annie 2*. Miss Hannigan's *Revenge*. In *The Complete Book of 1980s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason and Shirley MacLaine. Each entry includes the following information: Opening and closing dates, Plot summaries, Cast members, Number of performances, Names of all important personnel including writers, composers, directors, choreographers, producers and musical directors, Musical numbers and the names of performers who introduced the songs, Production data including information about tryouts, Source material, Critical commentary, Tony awards and nominations, Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography and published scripts as well as lists of Gilbert and Sullivan operettas, black-themed shows and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show. THE FUN HOUSE Tom Bissinger, 2013 *The Fun House* by Tom Bissinger is a rollicking tale of coming of age in the sixties and seventies. Based on the childhood thrills he experiences at the fun house at Playland in San Francisco, Tom comes to understand that making fun houses and exploring those of others would become the defining quest of his life. He's brought up in privilege and like his father who had at one time performed on Broadway, Tom's drawn to the theater. After boarding school and his immersion into a repertory theater company while attending Stanford, he lives in Paris, then enlists in the army, then moves to New York and we are at the birth of the sixties erupting like a bombshell and Tom is there to celebrate and be open to the Golden Age of New York theater while simultaneously weaving the momentous events of that era into his story: assassinations, civil rights marches and the Vietnam War. Sexual experimentation and drugs follow Tom as he ricochets through love affairs, directs plays and marches in Selma. He moves to Philadelphia in 1969 to become the artistic director of the Theatre of Living Arts. In 1970, Tom abandons the legitimate theater and reinvents himself on Philly's South Street. Tom paints emotionally vivid portraits of neighborhood characters who hang out in Tom's new fun house: eccentric old timers, newly minted hippies, artists, dopers and a murderer. In 1977, Tom, his wife Kristen and their two-year-old travel for nine months as nomads; they live with Samoan families, spend two months on a fifty-foot trimaran in Fiji, live at Papunya Aborigine settlement in Australia, fall into a drug smuggler's den in Bali and end up in an ashram in Sri Lanka before returning home as the book ends.

Operetta Robert Ignatius Letellier, 2015-10-05 Operetta developed in the second half of the 19th century from the French *opéra comique* and the more

lighthearted German Singspiel As the century progressed the serious concerns of mainstream opera were sustained and intensified leaving a gap between op ra comique and vaudeville that necessitated a new type of stage work Jacques Offenbach son of a Cologne synagogue cantor established himself in Paris with his series of op ras bouffes The popular success of this individual new form of entertainment light humorous satirical and also sentimental led to the emergence of operetta as a separate genre an art form with its own special flavour and concerns and no longer simply a little opera Attempts to emulate Offenbach s success in France and abroad generated other national schools of operetta and helped to establish the genre internationally in Spain in England and especially in Austria Hungary Here it inspired works by Franz von Supp and Johann Strauss II the Golden Age and later Franz Leh r and Emmerich K lm n the Silver Age Viennese operetta flourished conterminously with the Habsburg Empire and the mystique of Vienna but after the First World War an artistically vibrant Berlin assumed this leading position with Paul Lincke Leon Jessel and Edouard K nnecke As popular musical tastes diverged more and more during the interwar years with the advent of new influences like those of cabaret the revue jazz modern dance music and the cinema as well as changing social mores the operetta genre took on new guises This was especially manifested in the musical comedy of London s West End and New York s Broadway with their imitators generating a success that opened a new golden age for the reinvented genre especially after the Second World War This source book presents an overview of the operetta genre in all its forms The first volume provides an introduction a representative chronology of the genre from 1840 to 2013 and a survey of the national schools of France and Austria Hungary The principal composers are considered in chronological sequence with biographical material and a list of stage works selected synopses and some commentary

passion for the stage **We Bombed in New London** Brian Gari, 2006 WE BOMBED IN NEW LONDON tells the true story of one man's tenacious plight to get his musical mounted. From its romantic inception to its eventual demise and then the score's resurrection in cabarets and recordings, this book takes you on a journey through the ups and downs of the theatrical world with all its excitement, disappointment, laughter, and hope. Packed with memorabilia including rare photos and interviews, this book documents composer/lyricist Brian Gari's minute-by-minute development of his musical. Fortunately, he saved every scrap of paper, tape, and calendar to account accurately for why and when certain steps were taken that eventually led to the sad dissolution of this promising musical. Brian Gari began his songwriting career at age 12 with his first song published at 15 and recorded at 17. He signed with Vanguard Records in 1975 and has recorded eight solo CDs to date. In 1987, his first musical, *Late Nite Comic*, arrived on Broadway. With over 800 songs to date, he is currently at work on his next musical, which is about his legendary grandfather, Eddie Cantor. This is his first book. Playbill, 2007-12
