Wealth As Peril And Obligation The New Testament On Possessions

David H. Smith

Wealth As Peril And Obligation The New Testament On Possessions:

Wealth as Peril and Obligation Sondra Ely Wheeler, 1995 Sondra Ely Wheeler shows how Scripture can both form and inform contemporary moral discernment regarding wealth After first developing a sound methodology for interpreting the New Testament's moral witness on this sticky ethical question Wheeler gives a responsible exegesis of the key New Testament texts that deal with wealth and possessions What results is a practical biblically based statement regarding the ethics of wealth and ownership and a useful set of criteria for sound moral discernment concerning economic life within the contemporary Christian church

Restricted Generosity in the New Testament Timothy J. Murray, 2019-02-22 La 4e de couverture indique In this monograph Timothy J Murray studies early Christian practices of financial generosity by examining when why and how they restricted their generosity He analyzes the New Testament in its social context arguing that common cultural ideals of mutual support in a family were adopted by the fictive family of the early church

Wealth in Ancient Ephesus and the First Letter to Timothy Gary G. Hoag, 2015-10-16 Scholars are divided in their views about the teachings on riches in 1 Timothy Evidence that has been largely overlooked in NT scholarship appears in Ephesiaca by Xenophon of Ephesus and suggests that the topic be revisited Recently dated to the mid first century C E Ephesiaca brings to life what is known from ancient sources about the social setting and cultural rules of the wealthy in Ephesus and provides details that enhance our knowledge of life and society in that place and time In this volume Hoag introduces Ephesiaca and employs a socio rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy 2 9 15 3 1 13 6 1 2a 6 2b 10 and 6 17 19 His findings augment our modern conception of the Sitz im Leben of the wealthy in Ephesus Additionally because Ephesiaca contains some rare terms and themes that are found in 1 Timothy this groundbreaking research offers fresh insight for biblical reading and interpretation

The Good of Affluence John R. Schneider, 2002 wealth incompatible with true Christianity In *The Good of Affluence* John R Schneider reopens the debate over the proper Christian attitude toward money arguing ultimately that Scripture does indeed provide support for the responsible possession of wealth This is a provocative book of Christian theology written to help people seeking God in a culture that has grown from modern capitalism By comparing classic Christian teaching on wealth with the realities of our modern economic world Schneider challenges the common presumption that material affluence is inherently bad Careful interpretation of Scripture narratives creation exodus exile and more also shows that abundance is the condition that God envisions for all human beings and that faithful persons of wealth are part of this plan Schneider believes that the wealth as blessing themes of the Old Testament are not to be spiritualized and do not run contrary to New Testament teachings but provide exactly the frame of reference for the incarnate identity life and teaching of Jesus who came to make real the messianic feast both in this age and in the age to come Through insightful engagement with the biblical text Schneider overturns some of the most cherished and unquestioned assumptions of influential Christian writers particularly Ronald Sider

on modern capitalist affluence Yet Schneider's message is also finely balanced with the need for responsible Christian living He offers rich Christians biblical affirmation but also challenges them to a life shaped by an uncommon sense of stewardship and compassion Incisive thought provoking and biblically grounded *The Good of Affluence* is a superb resource for anyone students professors businesspeople general readers discussion groups wishing to grapple seriously with the subject of faith and wealth

Religious Giving David H. Smith, 2010-04-06 *Religious Giving* considers the connection between religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something inherently right or natural about the connection But what exactly is it To whom should we give how much should we give what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive guidance to the reader informed by a critical understanding of the religious traditions under review www.congregationalresources.org Richard Bass, 2004-12-30 An ever increasing number of resources compete for the attention of congregational leaders With a seemingly endless number of choices finding the best resource on a particular topic for a specific congregation is an often daunting challenge www.congregationalresources.org is an invaluable companion to the groundbreaking online version of Alban Institute's and Indianapolis Center for Congregation's jointly researched and produced *Congregational Resource Guide* launched in 2001 and accessed by thousands of seekers each week The book conveniently and cogently puts the rich array of important resources into context by examining in depth the key books organizations Web sites and people that will help leaders gain an understanding of important issues facing their congregations The book features ten overviews of important topics by widely recognized experts in their fields including Amy Sherman on Community Ministry Tom Fischer on Congregational Health Lee Ramsey on Preaching Paul Chaffee on Leadership John Janka on Evaluation and Jean Trumbauer on Lay Ministry Each essay is accompanied by an annotated list of selected resources for researching further information Helpful guides for using these valuable resources to promote and encourage congregational understanding and transformation are also included

The Gospel of Matthew, vol. 2 Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson's compelling thesis frames Matthew's Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus's essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel

as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins

A Handbook on the Jewish Roots of the Christian Faith Craig A. Evans, David Mishkin, 2019 A Handbook on the Jewish Roots of the Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith It includes Old Testament background Second Temple Judaism the life of Jesus the New Testament and the early Jewish followers of Jesus It is intended as a resource for college and or higher education It is no longer a novelty to say that Jesus was a Jew In fact the term Jewish roots has become something of a buzzword in books articles and especially on the internet But what does the Jewishness of Jesus actually mean and why is it important This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith It consists of thirteen chapters most of which are divided into four or five articles It is in a handbook format meaning that each article is brief but informative The thirteen chapters are grouped into four major sections 1 The Soil 2 The Roots 3 The Trunk and 4 The Branches Craig A Evans PhD D Habl is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas He is a frequent contributor to scholarly journals and the author or editor of over seventy books Evans resides in Houston TX David Mishkin PhD serves on the faculty of Israel College of the Bible in Netanya Israel He is the author of *The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus*

Ex Auditu - Volume 22 Klyne Snodgrass, 2007-04-01 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today s Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors

Lament in the Letter of James Grant Flynn, 2025-08-14 In *Lament in the Letter of James* Grant Flynn presents the first book length study of lament in James After exploring the contours and development of Old Testament lament Flynn examines the lament material in James including a reference to an act of lament allusions to Old Testament laments and exhortations to lament The author then proposes that the choice to use Job as a model of perseverance implies that Job s lament shaped perseverance informs James s understanding of the virtue By rereading the epistle s opening call to consider trials as pure joy with this Joban perseverance in mind Flynn concludes that James envisions an ongoing cycle of lament and joy that reflects both the pain of human suffering and the hope of eschatological perfection

As recognized, adventure as competently as experience nearly lesson, amusement, as skillfully as promise can be gotten by just checking out a book **Wealth As Peril And Obligation The New Testament On Possessions** plus it is not directly done, you could resign yourself to even more around this life, in relation to the world.

We pay for you this proper as capably as easy showing off to get those all.
