A Web of Evil Richard McMahon, 2015-04-22 When Michelle Iverson disappears after posting a provocative message on an Internet bulletin board devoted to sadomasochistic practices her father hires Mason Grant to find her Mason teams up with the missing woman's stepsister Tracy and the pair delves into the dark side of cyber space seeking clues to Michelle's disappearance The journey leads Mason and Tracy into a love affair down false trails and finally to a confrontation with a sadistic abductor who is obsessed with seeking a woman who will be a willing partner in his sexual fantasies Mason's search results in a shocking revelation which turns his world on end *Transnational Actors and Stories of European Integration* Wolfram Kaiser, Richard McMahon, 2020-05-21 This book makes a major contribution to understanding European politics and identity It examines how politicians cultural elites and other actors fight over Europe's future with words and stories telling narratives about European integration in different political social and cultural contexts The chapters explore how actors formulate stories to make sense of Europe's past and contemporary challenges and to legitimise their own positions and preferences The contributors explore themes ranging from divisive stories about the European Union EU mobilised in institutional reform referendums to the top down deployment of legitimising narratives by EU institutions religiously inspired apocalyptic narratives of European unity and stories about nations and Europe told by museums and academics Combined the chapters of this book are essential reading for everyone interested in Europe's common past and contemporary challenges and the EU's highly contested nature in times of apparently increasing disintegration The Soul's Conflict With Itself Richard Sibbes, 2009-10-06 In taking Sibbes slowly the reader will find some of the most sweetly written paragraphs in puritan literature and theological preaching It is a treatise on Psalm 42 5 and 11 Why art thou cast down O my soul and why art thou disquieted within me Hope thou in God for I shall yet praise him who is the health of my countenance and my God Sibbes is an able master exegete who many times is thinking far faster than he is writing His desire to see his thoughts explode upon the page occur frequently but in a few spots most angelically This is not a work to read once It is one to study reread and then soak in This is not a scan or facsimile and contains an active table of contents for electronic versions *The Discourse of Palestinian-Israeli Relations* Sean F. McMahon, 2010-04-15 This Foucault inspired analysis of the degeneration of the Oslo Process into direct Palestinian Israeli violence critically examines the ideas and practices that define Palestinian Israeli relations The text offers a radically different peace proposal that moves far beyond exhausted calls for confidence building measures and or an end to settlement construction *New Directions in the Study of African American Recolonization* Beverly Tomek, Matthew J. Hetrick, 2022-10-18 Beginning in 1816 the American Colonization Society worked to send American blacks to resettle in Africa From inception however its foundational ethos has been debated These debates continued long after the effective end of the ACS during WWI through the Civil Rights movement to today when even historians among the Press's own authors respectfully hold opposing views In this volume Beverly Tomek and Matthew

Hetrick gather essays from scholars with different opinions and divergent methodologies offering not only new research to address some of the old questions about American colonization and missionary activities but also new questions to spur further debate Where's My Fifteen Minutes?
