Weird Georgia Jim Miles, 2000 *Weird Georgia* is the result of twenty five years of research on strange and unexplained events that have been reported as taking place in the Peach State Filled with factual accounts not rehashed folklore and supported by reputable evidence

Georgia Myths and Legends Don Rhodes, 2015-10-01 *Georgia Myths and Legends* explores unusual phenomena strange events and mysteries in Georgia s history Each episode included in the book is a story unto itself and the tone and style of the book is lively and easy to read for a general audience interested in Georgia history From the puzzle of lost confederate gold to a woman who mysteriously spent her life waving at more than 50 000 passing ships this selection of stories from Georgia s past explores some of the Peach State s most compelling mysteries and debunks some of its most famous myths

Haunted Central Georgia Jim Miles, 2017-10-02 The author of Georgia s Civil War ghost books proves that the Peach State s phantoms come in many forms Every portion of central Georgia is thoroughly haunted Tobe the ghost of Orna Villa in Oxford had an appetite for biscuits Angry spirits near Augusta drove a family from a beautiful old home Paranormal entities in a home cobbled together from three old houses created a tapestry of supernatural events People still seek advice from a fortuneteller dead half a century and a long deceased girl hitches a ride home on the same night each year Author Jim Miles presents a ghost story from each of the fifty one counties in this historic region Every county in Georgia has at least one ghost story and author Jim Miles has gathered them into three books Miles traveled to all 159 counties as well as two counties that went extinct during the Great Depression The completion of the books was a 10 year project for Miles The stories span all of Georgia history from one with its origins 2 000 years ago to the latest in scientific ghost hunting Gainesville Times

Haunted South Georgia Jim Miles, 2014-05-13 Each county in the vast territory of southern Georgia has a haunted history The old Barber Tucker Inn in Colquitt County and the renovated former Scottish Inn in Bryan County host ghostly guests A profane spirit disturbed a house s former residents with vile language The Hairy Man still searches a swamp for his long lost son A Dodge County ghost twice saved the lives of a family s children while one in Liberty County mysteriously extinguished a fire that would have destroyed a historic house Ghosts in Randolph County and Echols County provided the living with evidence sufficient to convict their murderers Join author Jim Miles as he recounts stories from the fifty seven counties of the region
