Things Come Apart A Teardown Manual For Modern Living:

Things Come Apart Todd McLellan, 2013 Fifty everyday objects from an SLR camera to an espresso machine appear as though they've been exploded and frozen in midair offering an intricate piece piece overview of the inner workings and elegance of each object's design 20 000 first printing *Cut/Copy/Paste* Whitney Trettien, 2022-02-15 How do early modern media underlie today's digital creativity In *Cut Copy Paste* Whitney Trettien journeys to the fringes of the London print trade to uncover makerspaces and laboratories where paper media were cut up and reassembled into radical bespoke publications Bringing these long forgotten objects back to life through hand curated digital resources Trettien shows how early experimental book hacks speak to the contemporary conditions of digital scholarship and publishing As a mixed media artifact itself *Cut Copy Paste* enacts for readers what Trettien argues that digital forms have the potential to decenter patriarchal histories of print From the religious household of Little Gidding whose biblical concordances and manuscripts exemplify protofeminist media innovation to the queer poetic assemblages of Edward Benlowes and the fragment albums of former shoemaker John Bagford *Cut Copy Paste* demonstrates history's relevance to our understanding of current media Tracing the lives and afterlives of amateur bookwork Trettien creates a method for identifying and comprehending hybrid objects that resist familiar bibliographic and literary categories In the process she bears witness to the deep history of radical publishing with fragments and found materials With many of *Cut Copy Paste*'s digital resources left thrillingly open for additions and revisions this book reimagines our ideas of publication while fostering a spirit of generosity and inclusivity An open invitation to cut copy and paste different histories it is an inspiration for students of publishing or the digital humanities as well as anyone interested in the past present and future of creativity *Artful AI in Writing Instruction* Brett Vogelsinger, 2025-05-14 Discover strategies to use AI thoughtfully in every stage of the writing process without compromising creativity or critical thinking Feeling conflicted about integrating artificial intelligence AI into your writing instruction You're not alone In a world where AI generated text can seem like a writing teacher's enemy incorporating it into writing instruction may feel like an act of betrayal The advent of generative AI might feel like one more thing eroding students' capacity for deep thinking *Artful AI in Writing Instruction* offers strategies and lessons for middle and high school teachers to harness AI in a positive way integrating it into the writing process and evaluating the ethics of its usage Written by a full time high school teacher Brett Vogelsinger the book focuses on evergreen principles and ideas rather than specific AI tools providing concrete steps and lessons that teachers can implement without being technology experts Acknowledging the varying perspectives of teachers on AI in writing instruction from skepticism to enthusiasm Brett offers a human centered considered and ethical approach to using generative AI in the classroom Demonstrating how AI can be used artfully in the classroom to enhance students' writing skills and foster reflection on the writing process this book Provides standards aligned lessons that detail how AI can support instruction and assist students at each step of the writing process from

prewriting through publishing Emphasizes how to use AI tools to mine authentic human ideas and enhance creativity in the classroom Aims to help teachers build a healthy relationship with AI technology and use it thoughtfully in their writing instruction Includes chapter features such as quotes from esteemed writers real teacher and student voices cautionary notes and Bot Thoughts entries of example AI output Artful AI in Writing Instruction is a book that explores technology with humility critiquing its drawbacks and harnessing its strengths in an effort to guide teachers on how to use AI to help students grow their thinking and their skills rather than bypassing that development *Playing and Learning Outdoors* Jan White, 2019-09-06 Fully updated to reflect the current status and understandings regarding outdoor provision within early childhood education frameworks across the UK this new edition shows early years practitioners how to get the very best from outdoor play and learning for the enjoyment health and education of young children up to age seven This invaluable resource gives sound practical guidance for providing play with water sand and other natural materials experiences with plants growing and living things movement and physical play construction imaginative and creative play and explorations into the locality and community just beyond your garden This full colour third edition has been further developed to act as a comprehensive source book of relevant materials books and resources supporting the core ingredients of high quality outdoor provision while each chapter also includes extensive collections of children s picture books relating to the themes within each chapter *Playing and Learning Outdoors* has become the essential practical guide to excellence in outdoor provision and pedagogy for all early years services This lively inspiring and accessible book will help every educator to develop truly successful and satisfying approach to learning through play outdoors for every child *Business Ethics for a Material World* Ryan Burg, 2018-03-01 Increasingly conscientious consumers and green marketers are recognizing that material things not firms must be made responsible Even so many scholars in ethics sustainability and governance focus on people and organizations ignoring the flows of things In this book Ryan Burg argues that material things are fundamental features of moral life serving as both valuable instruments and guides for responsibility Unless care is taken for these non living entities living things cannot be protected Viewing the global economy as a network of material transfers Burg argues that to facilitate object care professionals must act as stewards By tracing the origins and disposal of workplace objects through this material network businesses and employees can discover the outcomes for which they are responsible and managers can align ethics sustainability and governance with a truly global formulation of responsibility **Dog Years** Melissa Yancy, 2016-11-11 WINNER OF THE 2016 DRUE HEINZ LITERATURE PRIZE Winner of the 2017 California Book Awards first fiction category Many of these richly layered stories juxtapose the miracles of modern medicine against the inescapable frustrations of everyday life awkward first dates the indignities of air travel and overwhelming megastore cereal aisles In *Go Forth* an aging couple attends a kidney transplant reunion where donors and recipients collide with unexpected results in *Hounds* a woman who runs a facial reconstruction program for veterans nurses her dying dog while recounting the

ways she has used sex as both a weapon and a salve and in Consider this Case a lonely fetal surgeon caring for his aesthete father must reconsider sexuality and the lengths people will go to have children Melissa Yancy s personal experience in the milieus of hospitals medicine and family services infuse her narratives with a rare texture and gravity Keenly observed offering both sharp humor and humanity these stories explore the ties that bind both genetic and otherwise and the fine line between the mundane and the maudlin Whether the men or women that populate these pages are contending with illness death or parenthood the real focus is on time and our inability to slow its progression and to revel in those moments we can control
