International Law and Marine Areas beyond National Jurisdiction Vito De Lucia,Alex Oude Elferink,Lan Ngoc Nguyen,2022-01-31 The legal regime of marine areas beyond national jurisdiction ABNJ has received much attention in the last decades The ongoing process in regards of an agreement on the conservation and sustainable use of marine biodiversity in ABNJ initiated in the early 2000s BBNJ process is crucial evidence of this However this process reflects entrenched interests and political and legal structures muting other voices and alternative approaches International Law and Marine Areas beyond National Jurisdiction investigates competing constructions of ABNJ and their role in the creation and articulations of legal principles which provides a broader perspective on the BBNJ process

Encyclopedia of Critical Political Science Clyde W. Barrow,2024-03-14 An indispensable and exemplary reference work this Encyclopedia adeptly navigates the multidisciplinary field of critical political science providing a comprehensive overview of the methods approaches concepts scholars and journals that have come to influence the discipline s development over the last six decades

The Global Turn Eve Darian-Smith,Philip C. McCarty,2017-08 The ability to deploy interdisciplinary theoretical perspectives that speak to interconnected global dimensions is critical if one s work is to be relevant and applicable to the emerging global scale issues of our time The Global Turn is a guide for students and scholars across all areas of the social sciences and humanities who wish to embark on global studies research projects The authors

demonstrate how the global can be studied from a local perspective and vice versa They show how global processes manifest at multiple levels transnational regional national and local all of which are interconnected and mutually constitutive This book takes readers through the steps of thinking like a global scholar in theoretical methodological and practical terms and it explains the implications of global perspectives for research design **Asia and China in the Global Era** Adrian J.

Bailey,Ricardo K. S. Mak,2021-01-18 China s strong economic growth occurring alongside modernization across the great majority of Asian societies has created what many see as a transnational space through and by which not only economic social and cultural resources but also threats and crises flow over traditional political boundaries The first section of the work lays out a clear conceptual framework It draws on arguments about nation no longer being the only container of society about trans disciplinary thinking and about knowledge being context bound It identifies and discusses distinctive features of China and Asia in the global era These include population urbanization and climate change the continuing reach of Orientalist shadows cultural politics of knowledge It closes by arguing how global studies adds value to existing accounts The second and longer section applies this framework through a series of original empirical case studies in three areas migration poverty gender culture education well being Both the conceptual framework and case studies are drawn from research presented at HKBU since 2011 under the auspices of the Global Social Sciences Conference Series and supplemented by additional papers **Globalization Matters** Manfred B. Steger,Paul James,2019-08-08 By addressing the major

contemporary challenges to globalization this study explains why and how the global continues to matter in our unsettled world **When Emancipation Came** Sally Stocksdales,2022-09-21 Linked by declarations of emancipation within the same five year period two countries shared human rights issues on two distinct continents In this book readers will find a case study comparison of the emancipation of Russian serfs on the Yazykovo Selo estate and American slaves at the Palmyra Plantation Although state policies and reactions may not follow the same paths in each area there were striking thematic parallels These findings add to our understanding of what happens throughout an emancipation process in which the state grants freedom and therefore speaks to the universality of the human experience Despite the political and economic differences between the two countries as well as their geographic and cultural distances this book re conceptualizes emancipation and its aftermath in each country from a history that treats each as a separate self contained story to one with a unified global framework **Journalism Research That Matters** Valérie Bélair-Gagnon,Nikki Usher,2021-06-01 Despite the

looming crisis in journalism scholarly research on the topic is often disconnected from the research that the news industry and journalists need and want but do not have the time or expertise to do This book provides valuable insights for journalists and scholars about news business models audience research misinformation diversity and inclusivity and news philanthropy offering journalists a guide to what they need to know and a call to action for what kind of research journalism scholars can do to best help the news industry reckon with disruption *Mythologizing in South Asian Traditions* Diana

Dimitrova,2025-04-11 This book deals with the issue of mythologizing in South Asian traditions It brings together a number of essays dealing with the interface between mythology gender politics and nationalism The common thread that links the chapters is the appropriation and reinterpretation of myth and its weaponizing for the purpose of power or political gain All chapters explore the various aspects of the ongoing process of re mythologizing of the present as revealed in South Asian traditions The essays in this collection respond to the same question how to interpret the present What is the meaning of ancient and venerated myths today What are the ideological implications of the interpretation of myths and how do they reflect and influence the power structures of contemporary societies in South Asia **The Palgrave Handbook of African**

Traditional Religion Ibigbolade S. Aderibigbe,Toyin Falola,2022-05-20 The Palgrave Handbook of African Traditional Religion interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars Offering a range of perspectives and opinions through the prism of understanding the past about African Traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future this volume is an essential resource for knowledge and understanding of African Traditional religions in the global space of religious traditions **A Companion to Aeschylus** Jacques A. Bromberg,Peter Burian,2023-03-20 A COMPANION TO AESCHYLUS In A Companion to Aeschylus a team of eminent Aeschyleans and brilliant younger scholars delivers an

insightful and original multi authored examination the first comprehensive one in English of the works of the earliest surviving Greek tragedian This book explores Aeschylean drama and its theatrical historical philosophical religious and socio political contexts as well as the receptions and influence of Aeschylus from antiquity to the present day This companion offers readers thorough examinations of Aeschylus as a product of his time including his place in the early years of the Athenian democracy and his immediate and ongoing impact on tragedy It also provides comprehensive explorations of all the surviving plays including Prometheus Bound which many scholars have concluded is not by Aeschylus A Companion to Aeschylus is an ideal resource for students encountering the work of Aeschylus for the first time as well as more advanced scholars seeking incisive treatment of his individual works their cultural context and their enduring significance Written in an accessible format with the Greek translated into English and technical terminology avoided as much as possible the book belongs in the library of anyone looking for a fresh and authoritative account of works of continuing interest and importance to readers and theatre goers alike Approaches to Teaching the Works of Karen Tei Yamashita Ruth Y.
