Airfield Seizure, The Modern 'Key To The Country' Major Gordon C. Bonham, 2014-08-15 This monograph examines the key determinants necessary for the successful forced entry seizure of an airfield The importance of contingency operations is paramount to the United States military as it transitions from forward defense to CONUS based The ability to project power into an isolated objective area requires the rapid deployment and forced entry of a tailored force package For many of our current OPLANS the seizure of an airfield serves as a lodgment area for the introduction of combat power into the objective The success of the entire contingency operation in large part depends upon the successful seizure of the airfield The monograph analyzes three historical cases of airfield seizures using the Wass de Czege combat power model Operation Mercury Crete 1941 Operation Urgent Fury Grenada 1983 and Operation Just Cause Panama 1989 are examples of operations that introduce combat power into the objective area This analysis identifies the key determinants for the successful forced entry seizure of an airfield This study concludes that an airfield seizure is fundamentally a deliberate attack to seize a terrain oriented objective Success is achieved by the synchronization of maneuver firepower and protection by capable leadership However the unique nature of an airfield seizure requires special application of the four elements of combat power to ensure mission accomplishment

[Why Did Yahweh and His Son Yahshuah Say What They Said?](#) Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All

three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
