Useful Wisdom Anthony B. Robinson, 2020-03-18 We've got a list of questions issues stuff we're dealing with We want your input your thoughts on this stuff Such were the origins of this little book Two young clergy early in their first call imagined that I might have some useful wisdom to pass on based on my own years in ministry Something like this was once standard preparation Young people learned a profession like law ministry or medicine by apprenticing themselves to one seasoned in the practice Not only has that way of learning largely vanished but we now live in times of increasing segregation and suspicion between different generations Still these two millennials bucked the trends They thought they might have something to learn from an old boomer The result is this collection of letters personal wry direct and honest Full of both hope and realism about the church and ministry This collection will be a welcome companion for young and for many not so young clergy trying to get a handle on ministry in the midst of a time that is full of change and challenge

Jesus Is the Question Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus' life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus' most profound gifts for a life of faith A game changer of a book

Pastoral Imagination Eileen R. Campbell-Reed, 2021-05-11 In *Pastoral Imagination* Bringing the Practice of Ministry to Life Eileen R Campbell Reed informs and inspires the practice of ministry through slices of on the ground learning experienced by seminarians pastors activists and chaplains and gathered from qualitative studies of ministry Each of the fifty chapters explores a single concept through story reflection and provocative open ended questions designed to spark conversation between ministers and mentors among ministry peers or for personal journal reflections The book provides a framework for understanding ministry as an embodied relational integrative and spiritual practice *Pastoral Imagination* is closely integrated with the author s Three Minute Ministry Mentor web resource which introduces the topics in the book through brief video presentations The book serves as a coaching guide and a ministry mentor in its own right by expanding on these topics through the author s reflections observations and questions Addressing the importance of the practice of ministry Campbell Reed states Ministry itself like most professions and complex practices is dogged and driven by a rush to achieve Yet to focus on achievement can be disastrous especially if we skip over the steps for learning To learn the practice of ministry a multifaceted professional and spiritual practice takes time and preparation risk and responsibility support and feedback The book can be used by individuals for personal growth with groups in new pastor retreats CPE training programs ministry peer groups or supervision settings such as internship or field education for devotional inspiration at staff meetings and in seminary classrooms that prioritize teaching ministry as a practice

The Church Has Left the Building Michael Plekon, Maria Gwyn McDowell, Elizabeth Schroeder, 2016-09-30 The origin of the phrase the church has left the building lies with Elvis In order to clear halls of his riotous fans after concerts it was announced that Elvis has left the building Here the expression highlights intense change within the church Not only does the church change for its own existence it also does so for the life of the world The church cannot avoid the many past and future changes of our constantly transforming society demographic changes long in process What you have before you is a gathering of first hand reflections stories really from a diverse group of Christians lay as well as ordained While each has a distinctive experience of the church in our time all of them have something to say about the many changes in our society and how these are affecting our faith the parish and pastoral work Contributors Mary Breton Nicholas Denysenko Adam A J DeVille John C Frazier David Frost Carol Fryer Kenneth J Guest Brett Hoover Abbie Huff Wongee Joh Justin Mathews Maria Gwyn McDowell William C Mills Robert Corin Morris Sarah Hinlicky Wilson Michael Plekon

The Practice of Finding Holly W. Whitcomb, 2019-02-07 Seeking is in vogue these days Many of us are continually even obsessively striving and seeking for something or other But are we ever satisfied What is enough Holly Whitcomb presents the spiritual practice of finding as the antidote to chronic seeking and as the doorway to a grateful awareness of having received enough She reflects on wisdom distilled by the finders poets playwrights

psychologists and theologians and derived from her own experience When we engage in finding we recognize with humility and wonder that the universe contains possibilities beyond our power to imagine The Practice of Finding is an inspiring guide to that journey of discovery *My Daily Discoverment* Andrew Hyde,2021-11-25 My Daily Discoverment is a resource for young adults in the Christian tradition who want to explore vocational discernment Utilizing forty daily reflections from the author reflection prompts with space to journal and additional commentary from diverse contributors this resource equips readers to engage questions of calling purpose and decision making My Daily Discoverment is structured to ask important questions such as Who is God Who am I What does God do What am I called to do How do I make decisions How do I live into the decisions I make This is a great resource for individual study or as a launchpad for further discussion with a mentor or in a group setting Although directed at young adults My Daily Discoverment will inspire readers of all ages to refocus reimagine and renew their lives as they seek God's call and fulfil their purpose Ritual Practices in Congregational Identity Formation Timothy D. Son,2014-05-08 Ritual Practices in Congregational Identity Formation investigates the educational roles of ritual practices in the process of congregational identity formation Son identifies and analyzes various kinds of Christian rituals with respect to how rituals influence the formational processes of a congregation's identity Based on Victor Turner's ritual theory this book also investigates the pedagogical and transformative efficacies of ritual practices within the dynamics of congregational education **That Their Work Will Be a Joy** Cameron Lee,Kurt Fredrickson,2012-09-01 For those who are called to it pastoral ministry can be a source of deep joy But there are also challenges An increasing number of pastors seem to be burning out under the load Congregations may not be aware of the many and conflicting demands placed on a pastor's time and energies nor the pastor's need for rest and personal support That Their Work Will Be a Joy was written to encourage mutual understanding between pastors and congregations about the stresses of ministry The authors present five principles that will help ministry remain more of a joy than a burden Every chapter contains practical recommendations targeted specifically for pastors congregational leaders and even seminarians preparing for ministry A dozen personal responses to the book written as letters from people in ministry have been collected together at the end The book is helpful as a ministry preparation text a guide for those serving as pastors or as a discussion starter for pastors support groups It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement The hope is that stressed out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ *Out of the Ashes* Kenneth W Arthur,2017-08-10 This book seeks to help those who doubt or can no longer believe what they've been taught about Christianity that they don't have to abandon their faith Kenneth Arthur challenges traditional thinking and helps the reader move beyond fundamentalism by thoughtfully reflecting on theological alternatives His life has truly been a pilgrimage a search for meaning and purpose that includes belief and behavior as well as belonging so he proposes a constructive theology based on his own experiences and education in conjunction with the Bible well known

theologians and other sources of revelation Discussion questions at the end of each chapter invite conversation and provide a helpful resource for small groups

A Preach Well Church Josh Taylor, 2023-04-12 Thirty eight percent of pastors have given serious thought to leaving full time ministry in the last year Between the COVID 19 pandemic and the unpredictable never done work of the ministry is it any wonder that many pastors have contemplated resigning Add to this church members unrealistic expectations and a knack for criticism and we see the toll this has taken on pastors and in one area in particular preaching Empty preachers are filling pulpits Is there anything church members can do to help their pastors with burnout and the essential stress of preaching week in week out After extensive research on the subject ninety seven pastors were asked What can your church members do to help you preach well Each chapter in this book is a commitment a clear concrete action developed from the study that church members can take to help their pastors preach well Each chapter also includes a section entitled A Word to Pastors that offers encouragement to those in ministry to help reduce their stress and become better preachers

The Passionate Jesus Peter Wallace, Peter M. Wallace, 2012 A fresh and moving portrait of Jesus as a model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John's gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace's deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God

Tired of Apologizing for a Church I Don't Belong To Lillian Daniel, 2016-09-20 When Lillian Daniel apologized to a total stranger for every bad thing that had ever been said or done in the name of Christianity he was surprised that she was responsible for all that The Inquisition Don't even raise it I'm way ahead of you I was mad about it before you even heard of it that's how open minded I am Salem witch trials I know So embarrassing Can I hang out with you anyway You're too kind Religion is responsible for all the wars in history they would say and I'd respond You're so right Don't forget imperialism capitalism and racism Religion invented those problems too You can tell that because religious people can be found at all their meetings In this book Daniel argues that it's time for Christians to stop apologizing and realize that how we talk about Christian community matters With disarming candor laced with just the right amount of humor Daniel urges open minded Christians to explore ways to talk about their faith journeys that are reasonable rigorous and real After the publication of the much talked about When Spiritual But Not Religious Is Not

Enough Seeing God In Surprising Places Even the Church Lillian Daniel heard from many SBNRs as well as practicing Christians It was the Christians who scolded her for her forthright unapologetic stand as one who believes that religious community matters The Christians ranted that Christians by definition tend to be judgmental condemning hypocrites which is why people hate them By saying religion matters she was judging those who disagree they said proving the stereotype of Christians Better to acknowledge all that s wrong with Christianity and its history then apologize In this book Daniel shows why it matters how we talk about Christian community while urging open minded Christians to learn better ways to talk about their faith Witnesses of These Things J. Aaron Miller,2024-02-20 The risen Jesus sends his disciples out as

witnesses of repentance and the forgiveness of sins in his name In a time of uncertainty for the western church particularly for mainline congregations this commission offers a simple framework for faithful contextual work and witness growing in the way of the God who sets captives free and raises the dead One part call to action one part celebration of the miracle that is the local church Witnesses of These Things is an invitation to grab hold of the life that is truly life for which each one of us and this God beloved world are made **The Church of the Redeemer UCC: 1950-2015** Stefan Janis,2015-08-02 A 65

year history covering the period 1950 2015 of the fourth congregational church of New Haven Connecticut founded in 1838 The history is based on church documents news reports and interviews with congregation members **Fathers in Faith** Allan Hugh Cole Jr.,2013-05-22 Drawing on their experiences as fathers eleven men share what they have learned about parenting living a Christian life and the relationship between the two As fathers to children ranging in age from the very young to adults contributors reflect on some of their joys and successes as fathers but also on their questions concerns mistakes sorrows and hopes for themselves and for their children They invite all parents to reflect on and learn from their own parenting experiences This kind of reflection fosters wisdom perspective and in solidarity with other parents gratitude confidence and hope in the parenting life **What My Mother Gave Me** Elizabeth Benedict,2013-04-02 New York Times
