Widows of the Sun-Moon Barbara Ann Wright, 2017-01-17 Naos is bored Alone in space life should be idyllic No more random thoughts intruding on her brain no bodies clogging her senses But what is there to do besides stare at the planet below and wonder what it would feel like to be Calamity's only god War between the other gods shouldn't be too hard to start The Storm Lord has a bad temper and after being abandoned by Simon Lazlo source of immortality he's easy to provoke And the Sun Moon live closely with Calamity's plains dwelling people and their new neighbors a pack of humans and aliens led by the intriguing ex soldier Cordelia Ross With a plague ravaging their numbers it will be easy to set them at each other's throats A little war a bit of death and the chance to be Calamity's only deity It's a game to keep even the most fickle goddess entertained

Children of the Healer Barbara Ann Wright, 2018-02-13 With the Storm Lord dead Cordelia Ross and Simon Lazlo return to Gale to normality but when they find the populace poisoned by the drushka it's clear the aliens must be dealt with before life can be anything near normal In the north Patricia Du takes control of Gale's mine with Jonah the servant she created in Dillon Tracey's old body She thinks controlling the humans only source of metal will bring her power but her past won't be banished so easily Amidst

the chaos and conflict a prophet predicts that true calamity is still to come and the only way to stop it may be a murderous widow looking for revenge As factions splinter and reconnect the fate of Calamity lies uncertain and even the prophets can't see every ripple on the horizon *Paladins of the Storm* Lord Barbara Ann Wright,2016-05-17 Surrounded by dead crewmates marooned above an unknown planet the bridge crew of the Atlas awakens from a crash with extraordinary mental abilities When their most powerful member jettisons their passengers to the planet below they have an unprecedented opportunity they can become gods Two hundred years later Lieutenant Cordelia Ross is a paladin serving the Storm Lord her city's patron deity Her faith is absolute until her people are attacked by a native species harmless creatures turned devious by an unknown hand Cordelia tries to solve the mystery of their development before they kill anyone else but the secrets surrounding them are too deep As orders from the Storm Lord begin to value obedience over integrity Cordelia wonders whose side her god is really on *The Tattered Lands* Barbara Ann Wright,2018-09-11 Humanity thinks itself safe For over thirty years ten mystical pylons have protected them from the plague of the evil tattered lands Now one pylon has gone out Alchemist Vandra Singh knows an alliance with the elusive xenophobic seelie may be humanity's only hope if the other pylons fail But among the long lived seelie only Lilani young daughter of the empress can forgive humanity's ancient betrayals As Vandra and Lilani strive to make peace they slowly fall in love With mistrust and murder surrounding them only their faith in each other can keep their plan to save the world from falling apart And the tattered lands are waiting One pylon down Nine to go **The Scout and the Scoundrel** Barbara Ann Wright,2021-11-16 Zara del Amanecer's purpose in life is to do her duty whether as a noble or a scout She never shirks her responsibilities especially with missions as simple as this one to reconnoiter the border with the Firellian Empire and report anything suspicious Easily done even with a new recruit conscripted from prison Never mind that Veronique the thief ignites unfamiliar feelings in Zara from furious loathing to overwhelming desire Roni can't stop imagining how passionate Zara would be if she thought less about duty or even if she cared more about survival Because the Firellians have a new magical weapon no one suspected and they're not about to let anyone who's seen it get out alive In the sights of an empire planning invasion Zara and Roni's principles might not be the only things sacrificed Book 2 in the Sisters of Sarras Trilogy **The Mage and the Monster** Barbara Ann Wright,2022-10-11 Gisele del Amanecer's days look the same from the outside work home and the occasional one night stand that she hides from her nosy older sisters But Gisele is a mage and that means pain invisible to outside eyes Each act of magic can be agony but she loves the power the bond with the unseen and how only her will keeps the magic from consuming her She can master any task including saving her family and homeland from Firellian invaders until she's ordered to hunt another mage one who may be her equal in power and commitment One she might risk everything for Vale has been subjugated her entire life to the point where she thinks she deserves it but she is determined to save others from that fate Magic has been her one bright spot but now she's forced to use that power to kill in the name of the Firellian Empire Escape

or rebellion is out of the question unless she can guarantee the safety of her fellow captives but how can everyone make it out alive while surrounded by enemies Perhaps with the help of another mage someone who bonds with magic like Vale does someone who might want her for herself instead of for her power But war always demands a sacrifice Book 3 in the Sisters of Sarras Trilogy [Not Your Average Love Spell](#) Barbara Ann Wright, 2019-11-12 The Knights of Flame need to move their army across the country to defeat a brutal enemy Tricky as the knights have outlawed magic They hire a researcher Camille to fix the problem and assign the dashing Major Sydney to help If Camille and Sydney can keep their hands off each other long enough they can surely come up with a solution Rowena the Hawk is a witch of great power and stubbornness equal to that of an entire phalanx of knights Exiled from home she has only her construct Ember for company until the most beautiful woman she's ever seen dares her to save the world Wanting to cuddle one moment and strangle each other the next the four women are the kingdom's only hope Everyone's probably doomed *The Noble and the Nightingale* Barbara Ann Wright, 2021-03-16 Adella del Amanecer is from a noble family whose pride comes from dedication to the kingdom of Sarras She works long hours as a diplomat and barely has time for her sisters let alone romance a fact that makes her nights feel longer than her days especially when she thinks about the lovely bard on the corner As an ex spy for the Firellian Empire Bridget Leir has fled from crises and corruption until settling in Sarras where she can hide as a bard When a chance meeting with a beautiful diplomat leads to romance Bridget's new life feels filled with promise until Sarras investigates Firellian rumblings of war If the truth comes out the Sarrasians and Adella will never believe Bridget's spying days are done and worse Adella will be accused of sleeping with the enemy It'll be the gallows for them both **Lady of Stone** Barbara Ann Wright, 2020-09-15 Lady Sylph's only concerns should be inheriting her title marrying well producing an heir and lording it all over the peasantry It's what her father insists upon and she never knew she needed anything or anyone else until her magic comes an ability her class is not supposed to possess Thana never coveted the title of monarch's pyradist because her knowledge exceeds her ability She hopes the royals will never depend on her but then the palace's pyramids go haywire On top of that a beautiful spoiled noblewoman needs her help to conceal a new power Could Sylph's ability and Thana's magical mystery be related to a new kind of crystal being smuggled into the kingdom or a possible pyradist coup They'll have to work together and overcome their biases admit their feelings and maybe surrender to their fierce desire before time runs out

Inheritors of Chaos Barbara Ann Wright, 2019-03-12 Naos has come to Calamity and chaos has come with her Cordelia had enough problems without teaming up with former enemies in order to defeat a mad goddess And she doesn't yet know that the Storm Lord has been resurrected in a new body On the plains the prophet Lydia is convinced that Fajir is the one chosen to stop a massive firestorm in the future if only Fajir wasn't so set on killing everyone around her With their murderous leader dead hostilities have ceased among the drushka but the long living aliens are slow to adapt The last thing they want is a drushkan king with powers none of them dreamed of before *Wild Night Rising* Barbara Ann

Wright,2025-08-12 The Wild Hunt is under new leadership the Fury of Vengeance who wants to bring back the horror of the old days when gods and fey terrorized mankind Gwyn former leader of the Hunt now serves as its herald but is desperate to get her old job back before the entire modern world finds out about the Hunt s existence Holly has always wanted to be a cop but her chaotic fey ancestry makes conforming to rules an actual pain She s recruited by a secret agency designed to round up supernatural criminals in Houston and banish them When the Hunt targets a prisoner she s sworn to protect she and Gwyn must fight together or the entire city could burn And after meeting Holly Gwyn wants more in her life than just her old job All that stands in their way is an unforgiving force of nature and the immortal host at her back Haunted by Myth

Barbara Ann Wright,2023-12-12 Chloe knew her future would be boring Every job pales in comparison to the family legacy hunting monsters and banishing ghosts But that birthright belongs to her mother and sister leaving Chloe forever outside looking in Until her sister dies without warning Chloe gets the family magic a lack of self confidence a grieving mother a sarcastic spirit guide and room for nothing else especially love And lately someone seems to be summoning ghosts and protecting monsters and all clues point to one very famous face Helen of Troy Helen has spent hundreds of years running a sanctuary and rehab for the last mythical creatures on earth And she has a huge chip on her shoulder about that whole Trojan War thing Neither she nor Chloe has time for the other s philosophy or to see if their growing attraction is more than skin deep not when there are some monsters that won t be sent to the Underworld without a fight Beyond Eternity
