Triathlon Training For Dummies:

Triathlon Training For Dummies Deirdre Pitney, Donna Dourney, 2008-12-10 Shaping up for a triathlon is serious business. *Triathlon Training For Dummies* is packed with insider tips and proven methods for training for a triathlon and pumping yourself into the best possible shape by race day. It helps you find the motivation you need to stick to your program, eat better to maximize your energy and prevent injuries both before and during the race. This authoritative guide helps you evaluate your cardiovascular fitness, muscle strength, endurance and flexibility and to set manageable, realistic training goals. You'll learn how to establish a workout schedule, choose a target finish time, get the right, affordable equipment you'll need for each leg of the race and maximize your fitness and form for swimming, biking and running. You'll also get plenty of help in putting it all together as you focus your training, add dual workouts, become a quick change artist and save time during transitions. Discover how to choose an event to train for based on your fitness level. Get into your best possible shape. Select the right equipment and sportswear. Train for an Olympic Sprint or Ironman triathlon. Fuel your body and prevent injuries. Prepare for training sessions. Maintain energy and recover quickly. Set training schedules for every triathlon event. Treat common training and racing injuries. Live like an athlete. *Triathlon Training For Dummies* comes complete with resources for finding triathlons near you, lists of items to bring along on race day and tips on registration formalities and racing etiquette.

Triathlon for Beginners Dan Golding, 2012-07-08 Are you thinking about getting into triathlon or doing your first race? Have you finished a couple of races and are keen to improve your time? Do you find the whole sport daunting and confusing? Are you a little intimidated by everybody else who looks like they know what they are doing? This easy-to-understand and insightful book is packed with practical ways you can improve and it will help you understand the sport of triathlon, what is triathlon and how does it work. Develop a training plan together that simplifies your season. Train effectively so you minimise the risk of getting injured. Stop you making the mistakes which cost a lot of time and money. Make you feel confident when you are on the start line. Decide what race length is best for you from sprint to Ironman. Buy the right triathlon kit to suit your ability and your aspirations. A personal note from the author. This book is gathered from years of training and racing but not only from my triathlon experience but from the experience of champions I have trained with and raced with elite athletes and winners from all over the world but I started not knowing what I was doing and was scared to death when I did my first race. I wish I had this book when I started out. I would have saved myself a lot of heart ache and stress. I wrote this to help all triathlon rookies get over their nerves and enjoy this fantastic sport. *Triathlon for beginners* is the start to finish complete guide which covers all the areas of training and racing including where to start, types of races, what you need to know and where to begin. Jargon buster helping you understand the terms of the sport so you can understand what people are talking about when they say T1 or Brick. Training rules and techniques. Swimming technique and etiquette. Running technique and how to prevent injury and run faster. Cycling in a pack, what to do and what not to do. Transition how to lay it out, what to bring and how to be effective.
