

**Two women competing for a man's heart
Two queens fighting to the death for dominance
The scandal story of Mary Queen of Scots**

Now that Time bestselling author Philippa Gregory presents a new and unique view of one of history's most intriguing, notorious, and scandalous heroines. Regenerators often depict the captive queen of Mary Queen of Scots, who married Queen Elizabeth's prisoner of war, Henry when she fled from exile in Scotland and then found herself imprisoned in the "cage" of George Talbot, Earl of Shrewsbury and his inhumanely wife, Anne of Hurst.

The newly married couple, between the devoted queen and their home, create their own life in her home and follow with living their own adventure in the turbulent world of the Elizabethan court. In their home, they find their own and husband's home, and as their home becomes the epicenter of intrigue and rebellion against Elizabeth, their loyalty to each other and to their marriage comes into question. If Mary succeeded in seducing the Earl, or if she gave up, would William Cecil believe them to the growing conspiracy to free Mary from her royal imprisonment, they will all face the headstone.

Revealed as "the queen of scandal fiction" by *USA Today*, Philippa Gregory sets new records and her passion for historical accuracy to place a well-known heroine in a completely new story full of suspense, passion, and political intrigue. *The Other Queen* is the result of her determination to present a more truthful of the extraordinary heroine.
