Triple Backflip On Ground:

Soulmates Journey to Heaven Thomas 'n DiAnnie, 2021-05-18 Life is vibrating with romance and love a guide through the unseen world where angels go freely Near death experiences have brought Herb and DiAnnie to a new understanding and appreciation for life Helping others unconditionally and giving love through the word of God You re free you know get some rest and let it go and do not think of me follow the path that God has laid for you and me When we had taken God s hand and heard God s call We came together to laugh love work and to play Accepted God s grace that brought us together this way We found that piece at the close of each day Our parting has not left a void for a reason we remember the joy A friendship shared laughing and a kiss that we look forward to one day Oh yes these things we do miss However we are not burdened with a time we have spent together through God s holy grace and all the things we have in common that have brought us together one day My friend I wish you the sunshine of tomorrow that will show you happiness and no sorrow My life s been full and savored a dream of this love of my friend and the good times one day will never draw to an end A tear a touch our hearts that felt so much Perhaps our time together seems so long and we do not lengthen it now with our miraculous belief We lift our spirits with peace for one another and together
