Tristram Shandy Laurence Sterne, 1928 **Tristram Shandy** Laurence Sterne, 2018-06-05 *Tristram Shandy* Volume 2
By Laurence Sterne At once endlessly facetious and highly serious Sterne's great comic novel contains some of the best known and best loved characters in English literature including Uncle Toby Corporal Trim Parson Yorick and Dr Slop and boasts one of the most innovative and whimsical narrative styles in all literature We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Tristram Shandy
Laurence Sterne, 1981 **Spectacular Disappearances** Julia H. Fawcett, 2016-03-04 How can people in the spotlight control their self representations when the whole world seems to be watching The question is familiar but not new Julia Fawcett examines the stages pages and streets of eighteenth century London as England's first modern celebrities performed their own strange and spectacular self representations They include the enormous wig that actor Colley Cibber donned in his comic role as Lord Foppington and that later reappeared on the head of Cibber's cross dressing daughter Charlotte Charke They include the black page of *Tristram Shandy* a memorial to the parson Yorick and author Laurence Sterne a page so full of ink that it cannot be read And they include the puffs and prologues that David Garrick used to heighten his publicity while protecting his privacy the epistolary autobiography modeled on the sentimental novel of Garrick's protégé George Anne Bellamy and the elliptical poems and portraits of the poet actress and royal courtesan Mary Robinson aka Perdita Linking all of these representations is a quality that Fawcett terms over expression the unique quality that allows celebrities to meet their spectators demands for disclosure without giving themselves away Like a spotlight so brilliant it is blinding these exaggerated but illegible self representations suggest a new way of understanding some of the key aspects of celebrity culture both in the eighteenth century and today They also challenge divides between theatrical character and novelistic character in eighteenth century studies or between performance studies and literary studies today The book provides an indispensable history for scholars and students in celebrity studies performance studies and autobiography and for anyone curious about the origins of the eighteenth century self Divine Irony Glenn Stanfield Holland, 2000 Ultimately irony appears to be a term with no definitive meaning the product of a critical enterprise that over time identified particular literary devices and perspectives a irony BOOK JACKET Teaching the Eighteenth Century Now Kate Parker, Miriam L.

The Expedition of Humphry Clinker (Second International Student Edition) (Norton Critical Editions) Tobias Smollett,2016-04-04 This revised Norton Critical Edition restores the original full title to the 1771 epistolary and picaresque novel In choosing supporting materials Evan Gottlieb emphasizes the growing recognition of Smollett as both a major British author and a central player in eighteenth century London s vibrant publishing world In his last and finest novel Tobias Smollett uses multiple letter writers to create a very funny and nearly kaleidoscopic vision of life in mid eighteenth century Britain As his protagonists travel about the countryside on their quest to restore patriarch Matthew Bramble s health they unwittingly succeed in uniting Britain across boundaries of nation class religion and gender The text of this Norton Critical Edition is again based on the first edition of 1771 It is accompanied by explanatory footnotes illustrations by Thomas Rowlandson for the 1793 edition and a map by Charles Scavey A new Backgrounds and Contexts section includes selections from Smollett s popular early poetry as well as important later nonfiction writing on history and the novel and the Anglo Scottish Union among others Criticism is divided into two sections and presents the most important reviews and scholarly assessments of *The Expedition of Humphry Clinker* Early Reviews and Criticism collects four major reviews from 1771 along with Sir Walter Scott s 1821 preface to the novel Contemporary Criticism focuses on recent scholarship with its emphasis on Smollett s connection and relevance to topics of critical interest including nationalism colonialism the history of the novel gender studies and the histories of religion and medicine Contributors include Eric Rothstein John Zomchick Robert Mayer

Charlotte Sussman David Weed Evan Gottlieb Tara Ghoshal Wallace Misty G Anderson and Annika Mann A chronology of Smollett's life and work and a selected bibliography are also included **1789, Reading, Writing Revolution** Francis Barker, 1982 **Novelistic Love in the Platonic Tradition** Jennie Wang, 1997-11-28 The love story is an integral part of many novels What is its narrative status How does it function and why In this original study of Socratic love stories from Plato through Fielding and Faulkner to the Postmodernists Jennie Wang proposes a new narrative theory in the study of the novel which deconstructs the mimesis of love stories and reconstructs their historicity Wang claims that in the Platonic tradition the construction of love stories is often a dramatization of the author's historical vision philosophical speculations cultural criticism or political ideology Novelistic love functions as a literary medium a power of free speech that enables the novelist to speak unspeakable truths and include excluded subjects Wang's work will be of interest to both philosophers and scholars of American literature and postmodernism **Laurence Sterne in Modernism and Postmodernism** David Pierce, Peter Jan de Voogd, 1996 Laurence Sterne's *Tristram Shandy* is the most wayward and in some respects the most powerful critique of Locke's theory of knowledge while his interest in the gulf between biological and clock time makes him a contemporary of Proust and Bergson In obscuring the fine line between autobiography and fiction Sterne belongs to the generation of modern writers that includes Joyce and Nabokov In his deliberate refusal to construct a go-ahead plot Sterne commends himself to contemporary narratologists In his concern with personal identity he anticipates the Derridean stress on trace In his promiscuous borrowings from past authors he offers himself as a suitably perverse model for the school of postmodern theory In his attention to matters of typography and to a visual language he provides a running commentary on almost every aspect of the relationship between word and image Himself influenced by Rabelais Montaigne Cervantes and Burton Sterne has influenced writers as diverse as Cabrera Infante Kundera Marquez Rushdie and Beckett And James Joyce These influences are traced here by sixteen scholars from Europe and the USA proof if any were needed that Laurence Sterne today is as rewardingly puzzling as he was in his own century The Publishers' Trade List Annual , 1983 Journal of Evolutionary Psychology , 1993 More Last Words Martin Franklin Harris, 2000 **Pynchon and Mason & Dixon** Brooke Horvath, Irving Malin, 2000 Essays on the contemporary American novelist's most recent work The Engaging Narrator Robyn Warhol Housley, 1982 The Scriblerian and the Kit-Cats , 2006 **Eighteenth-Century Metaphors of Mind** Brad Pasanek, 2006 Fluxus Owen F.
