many believers today don't realize their involvement in spiritual warfare. Our secular society, characterized by doubt and spiritual skepticism, leaves many Christians embarrassed even to talk about demonic forces of opposition. In order to awaken Christians to the battle around them and prepare them for it, Robert Smart surveys the terrain, identifies the enemy, and conveys defensive and offensive maneuvers for combating Satan. Just as military science combines knowledge of the humanities, natural sciences, applied sciences, and engineering, so this military textbook combines knowledge of the Bible, historical theology, contemporary culture, apologetics, practical theology, and biblical counseling. Here is a well-rounded overview of the unavoidable reality of spiritual warfare.

The Waging War Within: A Devotional for Winning the Daily War Gregg Joseph Kretschmer, Jason Christian Ravizza, 2011-04-05

The Waging War Within is a daily devotional that focuses on bringing the Christian believer into a closer walk with our Lord and Savior Jesus Christ. This devotional emphasizes the importance of putting on the full armor of God to withstand the daily onslaught of the enemy that wars against our soul. Our prayer is that The Waging War Within would touch the lives of Christian believers while at the same time winning souls into the Kingdom of our Lord and Savior Jesus Christ. The Waging War Within focuses on the supernatural and spiritual aspects of warfare. Individuals and families throughout our American Society and the world at large are wondering why their lives feel entrenched, shattered, and pervasively ruined in a perpetual battlefield. This book takes a closer look into the realm of spiritual warfare and the strategies to counter the attacks of Satan. Our prayer is that The Waging War Within would lead people to higher ground in their spiritual walk with Jesus Christ, as well as provide them with a battleplan to win.
