

The background of the slide is a photograph of a rural landscape during the "golden hour" of sunrise or sunset. A wooden fence with vertical posts and horizontal rails runs across the middle ground. The scene is shrouded in a thick, golden mist or fog, which softens the details of the trees and the fence. The overall color palette is dominated by warm yellows, oranges, and soft greens. The text is overlaid on the upper half of the image.

## **Waiting On God Daily Messages For A Month:**

*Waiting on God* Andrew Murray, 2014-11-21 In this beloved classic devotional by Andrew Murray he introduces the idea that each of us needs more of God and to wait on him These daily devotionals provide important spiritual insights into how we can practically wait on God Waiting On God will be sure to inspire and challenge you to draw closer to God as you understand him better In just a few minutes each day you will be encouraged in your walk of faith as you continue daily Waiting on God

**Waiting on God with Daily Messages for a Month** Andrew Murray, 2016-08-07 Previous to my leaving for England last year I had been much impressed by the thought of how in all our religion personal and public we need more of God I had felt that we needed to train our people in their worship more to wait on God and to make the cultivation of a deeper sense of His presence of more direct contact with Him of entire dependence on Him a definite aim of our ministry At a welcome breakfast in Exeter Hall I gave very simple expression to this thought in connection with all our religious work I have already said elsewhere that I was surprised at the response the sentiment met with I saw that God's Spirit had been working the same desire in many hearts The experiences of the past year both personal and public have greatly deepened the conviction It is as if I myself am only beginning to see the deepest truth concerning God and our relation to Him center in this waiting on God and how very little in our life and work we have been surrounded by its spirit The following pages are the outcome of my conviction and of the desire to direct the attention of all God's people to the one great remedy for all our needs More than half the pieces were written on board ship I fear they bear the marks of being somewhat crude and hasty I have felt in looking them over as if I could wish to write them over again But this I cannot now do And so I send them out with the prayer that He who loves to use the feeble may give His blessing with them

On Waiting Well Bradley Baurain, 2020-07-07 Why Does God Make Us Wait And Wait And Wait In a fast paced society we don't like waiting for anything Drive throughs and microwaves expedite dinner while texting and email afford instantaneous communication Because we're conditioned to expect instant gratification we're startled even frustrated when we have to wait And perhaps we become spiritually frustrated doubting our faith when we find ourselves waiting on God Bradley Baurain invites Christians to reject how society has conditioned us to view waiting especially when it comes to knowing God On Waiting Well identifies the experience of waiting as a crucial dimension to loving God having faith and following Christ Your time doesn't have to become passive purposeless or tedious when God seems to be absent or moving slowly Instead discover how waiting is actually integral to God's plans of life and salvation

When we gain that perspective these seemingly dry times of waiting become invigorating opportunities to strengthen our hope in God and see that He is always faithful
