Walking Historic Galveston A Guide To Its Neighborhoods

James F. Anderson

Walking Historic Galveston A Guide To Its Neighborhoods:

Walking Historic Galveston Jan Johnson, 2009 Walking Historic Galveston A Guide to its Neighborhoods is the city's first practical comprehensive walking guide of the Island's most concentrated historic areas with interesting anecdotes about the people of their past. Written in a very readable voice, the book is designed for the Everyman who wanders the city streets and wonders about the inside human stories of those who lived, loved, and worked in the unusual buildings that survived them. Fifth generation Galvestonian JAN JOHNSON has been seriously studying the Island's rich history as a Tour Guide since 1982. Based on her driving tours, Walking Historic Galveston A Guide to Its Neighborhoods offers walker-friendly routes of portions of nine distinct districts recognized as historical on the Island.

Unforgettable Galveston Characters Unforgettable Galveston Characters, 2018 From financiers of the Texas Revolution to contestants in the Pageants of Pulchritude, the shores of Galveston enticed and cultivated a host of memorable men and women. Bishops and bookies, concert pianists and cotton tycoons, all left an indelible print on their remarkable home. Magnolia Willis Sealy and the members of the Women's Health Protective Association reshaped the ravages of the Great Storm into the glories of the Oleander City. The benevolent activism of Norris Wright Cuney transformed the social landscape while actress Charlotte Walker and painter Boyer Gonzales Sr. extended the island's cultural reach abroad. Jan Johnson keeps company with Galveston's most fascinating characters.

Galveston Burning: A History of the Fire Department and Major Conflagrations James F. Anderson, 2021 Since 1821 when Jean Lafitte sailed away from a burning Campeche, the history of Galveston has often been wreathed in smoke. Over the next century, one inferno breached the walls of Moro Castle while another reduced forty-two blocks of the residential district to ash. Recognizing the importance of protecting the city, concerted efforts were made to establish the first paid fire department, create a city waterworks, and regulate construction standards. Yet even with all the forethought and planning, rogue fires continued to consume architectural gems like Nicholas Clayton's Electric Pavilion. Author James F. Anderson explores the lessons that Galveston has learned from its fiery past in order to safeguard its future.

Galveston Burning James F. Anderson, 2021-10-18 Since 1821 when Jean Lafitte sailed away from a burning Campeche, the history of Galveston has often been wreathed in smoke. Over the next century, one inferno breached the walls of Moro Castle while another reduced forty-two blocks of the residential district to ash. Recognizing the importance of protecting the city, concerted efforts were made to establish the first paid fire department, create a city waterworks, and regulate construction standards. Yet even with all the forethought and planning, rogue fires continued to consume architectural gems like Nicholas Clayton's Electric Pavilion. Author James F. Anderson explores the lessons that Galveston has learned from its fiery past in order to safeguard its future.

Yellow Fever on Galveston Island Jan Johnson, 2022 In the summer of Galveston's founding year, a mysterious malady accompanied by black vomit descended on the inhabitants. Even if Galvestonians had known the cause or the cure, they lacked the medical institutions to treat the illness. Four thousand souls perished in nine

epidemics between 1839 and 1867 as the island paradise intermittently transformed into a City of Dreadful Death By the time of Galveston's final yellow fever outbreak in 1903 however residents had become better informed and equipped In the first written investigation into the island city's experience with the mosquito borne disease Jan Johnson profiles the medical professionals charity organizations and other key figures in Galveston's fight against yellow fever Page 4 of cover [A History Lover's Guide to Galveston](#) Tristan Smith,2024-03-04 A guide through the history of the Playground of the Southwest Established in 1839 Galveston was the largest city in Texas for much of the state's early history The island city has hosted the likes of Cabeza de Vaca Jean Lafitte Sam Houston Jack Johnson King Vidor and Sam Maceo A strategic target during the Civil War and military stronghold during both World Wars Galveston endured through countless calamities including the most damaging hurricane to hit the United States From historic mansions to long hidden outposts of the vice district author Tristan Smith surveys the best places to catch a glimpse of the Oleander City's past whether that comes in the form of museum treasure or Seawall panorama **Newcomer's Handbook Neighborhood Guide** YuShan Chan,2006-10 This new book first in our Newcomer's Handbook Neighborhood Guide series focuses on the neighborhoods within Dallas Fort Worth Houston and Austin as well as on all the surrounding suburban communities It provides detailed information about the types of housing and recreational opportunities found in each community the character of each area and helpful data on post offices police departments hospitals libraries schools public transportation and community publications and resources Part of the Newcomer's Handbook series called invaluable and highly recommended by Library Journal *Explorer's Guide Galveston, South Padre Island & The Texas Gulf Coast* Alex Wukman,2008-01-07 Consistently rated the best guides to the regions covered Readable tasteful appealingly designed Strong on dining lodging culture and history National Geographic Traveler Distinctive for their accuracy simplicity and conversational tone the diverse travel guides in our Explorer's Great Destinations series meet the conflicting demands of the modern traveler They're packed full of up to date information to help plan the perfect getaway And they're compact and light enough to come along for the ride A tool you'll turn to before during and after your trip these guides include Chapters on lodging dining transportation history shopping recreation and more A section packed with practical information such as lists of banks hospitals post offices laundry mats numbers for police fire and rescue and other relevant information Maps of regions and locales From the sea border with Mexico to the Louisiana shore the coast of Texas is rich in history recreation and natural and architectural beauty and is a major destination for both Texans and non Texans alike **A Marmac Guide to Houston and Galveston** Kearney, Syd,2005 While Houston has enjoyed unprecedented growth in its development into an increasingly international business center coastal Galveston retains the history and charm of its past Business travelers to both cities and new residents of the area will enjoy the sites restaurants accommodations and other features listed in this new edition Attractions include AstroWorld the Astrodome the Museum of Print History and Graphic Art NASA Space Center the Port of Houston Sam Houston Memorial Park and more
