Literary Supplement Few lexicographers are lucky enough to have both endlessly pleasurable work and the talent to write amusingly about slang Jonathon Green is one Lovers of language should be grateful to those who create slang and to those few like Mr Green who make it their work to open this window into the psyche for the benefit of all The Economist By turns bawdy swearsy and irreverent this book is a fascinating look at how centuries of slang came to inform all aspects of social life how it was used and how much of it still lingers History Revealed Like the flesh and blood humans whose uncensored emotions it represents slang's obsessions are sex the body and its functions and intoxication drink and drugs Slang does not do kind It's about hatreds both intimate and national about the insults that follow on the sneers and the put downs Caring sharing and compassion Not at this address There are over 10 000 terms focusing on sex but love Not one Jonathon Green aka Mr Slang has drawn on the 600 000 plus citations that make up his magisterial Green's Dictionary of Slang published 2010 now online at www.greensdictofslang.com to tell some of slang's most entertaining stories Categories range from The Body to Pulp Fiction via multi cultural London English and pun tastic gems Mostly gazing up from the gutter slang perhaps surprisingly also embraces the stars These stories may look at drunken sailors dubious doctors and a shelf of dangerously potent cocktails but slang does class acts as well None more so than Shakespeare Devotee of the double entendre master of the pun first to put nearly 300 slang terms in print Shakespeare uses at my count just over five hundred slang terms of which 277 are currently the first recorded use of a given term Among these are the beast with two backs every mother's son fat headed heifer for woman pickers and stealers hands small beer insignificant matters what the dickens and many more <http://jonathongreen.co.uk>

Vision Stories John E. Sumwalt, 2002 What if Moses had never told anyone about the burning bush What if Paul had kept quiet about his experience on the road to Damascus What if John had never written a word of what he saw during his exile on Patmos The Bible is filled with mystical stories yet modern culture is often uncomfortable with the concept of spiritual visions Though a recent study showed that as many as 44% of Americans have had some sort of mystical experience people are frequently hesitant to share holy moments that might seem strange to others But John Sumwalt discovered that whenever a small group is gathered together and a vision story is told two or three others will recount a similar episode Almost everyone has either a personal vision story or knows of a friend's experience and if they know that its sacredness will be honored most people want to tell their story This remarkable collection shares 69 authentic life changing narratives that witness to the Lord's power and presence Many of these intensely personal accounts have never been told before and whether they concern visions healing or answers to prayer they all demonstrate our spiritual thirst as well as the indescribable joy comfort and peace that comes from encountering the divine Each illustrates a scripture passage from Cycle B of the Revised Common Lectionary so Vision Stories is an especially valuable resource for lectionary preaching But even more it's inspiring reading for personal devotion and spiritual growth This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J

Ellsworth Kalas Author of *New Testament Stories from the Back Side* John Sumwalt has given us a treasury of God's meetings with the daily lives of people Too often we think of God as hidden away in the stories of the Bible Here we see God now encountering people in surprising ways of grace May these stories encourage us to tell one another our stories of God's meetings with us as well Dwight Judy Author of *Quest for the Mystical Christ* I am very impressed with *Vision Stories* as a resource for preaching teaching and spiritual formation reading These stories help us to meet what may be the greatest spiritual need of our time to know and to share the experience of the reality of God and the spiritual realm in a materialistic world Charles R Gipson Author of *The Three Year Community for Spiritual Formation Through stories and scriptural comparisons* Sumwalt offers insight into the extraordinary spiritual experiences of ordinary people Cheryl Kirking Author of *Ripples of Joy* A noted storyteller John E Sumwalt is the senior pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS acclaimed *Lectionary Stories* series Sumwalt leads seminars and retreats on sharing and understanding visions
