Guillaume Favre

War Crimes And Just War War Crimes And Just War:

War Crimes and Just War Larry May, 2007-02-12 Larry May argues that the best way to understand war crimes is as crimes against humanness rather than as violations of justice He shows that in a deeply pluralistic world we need to understand the rules of war as the collective responsibility of states that send their citizens into harm s way as the embodiment of humanity and as the chief way for soldiers to retain a sense of honour on the battlefield Throughout May demonstrates that the principle of humanness is the cornerstone of international humanitarian law and is itself the basis of the traditional principles of discrimination necessity and proportionality He draws extensively on the older Just War tradition to assess recent cases from the International Tribunal for Yugoslavia as well as examples of atrocities from the archives of the International Committee of the Red Cross

Just War Theory and Artificial Intelligence Maria Power, Maggi Savin-Baden, 2025-08-11 Two of the most crucial issues facing humanity in the contemporary world are artificial intelligence and armed conflict This book tackles them both bringing them into conversation with one another and creating an understanding of their relationship New developments in technology especially within weapons systems have challenged our understandings of just war theory thus changing the nature of the questions to be asked of and by those engaged in conflict Covering topics such as drone warfare and the use of wargaming by combatants this collection seeks to answer those questions with essays from leading experts in the field It will be a valuable resource for those interested in both the development of artificial intelligence generally and warfare specifically

Ethics, Nationalism, and Just War Henrik Syse, Gregory M Reichberg, 2007-09 At a time when moral questions about armed force are at the forefront of the public s attention this volume offers insight on current challenges related to war nationalism and justice Though recent publications on military ethics abound this work adds to the debate by considering the historical background of just war theory in the Middle Ages before going on to elucidating its contemporary challenges The book covers a wide range of topics and raises issues rarely touched on in the ethics of war literature such as environmental concerns and the responsibility of bystanders Following a general introduction by Henrik Syse and Gregory M Reichberg the book is divided into two main sections The first addresses the cradle of the modern idea of just war in medieval Latin Christianity The section discusses the relevance of medieval ideas to the modern setting and explains why the study of the medieval roots of just war thinking is so important even today It includes essays on Ambrose Augustine Thomas Aquinas Christine de Pizan and Geoffrey Chaucer not focusing however solely on the contributions of these writers but also providing an overall introduction to key concerns in medieval just war theorizing The second section of essays examines nationalism intervention preventive war war crimes and the environmental side effects of war All of these topics are treated within the relevant theoretical contexts thus providing a rich overview of the state of the debate While staying within the framework of a post 9 11 context and raising several issues of relevance to the discussion about terrorism this section also highlights several topics that have been overshadowed by the

war on terror but which merit attention in their own right One of the most comprehensive works on the subject Ethics Nationalism and Just War is an important and accessible text for students and scholars alike Henrik Syse is a senior research fellow at the International Peace Research Institute Oslo PRIO Gregory M Reichberg also senior research fellow at PRIO heads the institute's program on Ethics Norms and Identities They are coeditors of The Ethics of War Classic and Contemporary Readings and have both published and taught widely on issues related to political thought and the ethics of armed force In addition to the editors contributors are J Peter Burgess Andreas F llesdal Kate L Forhan Phillip Gray Dieter Janssen James Turner Johnson James Meernik Gerson Moreno Riano Anne Julie Semb Dan Smith Arne Johan Vetlesen and John von Heyking PRAISE FOR THE BOOK A unique and significant contribution to the field of just war thinking The range and depth of the historical perspective and the precise applications to contemporary issues make it a truly useful collection of essays This book has the potential to be the state of the art comprehensive book on just war John P Hittinger University of St Thomas Houston A superb collection of essays Readers will find both deep historical grounding for the just war tradition in late Hellenistic and Medieval writers and essays on pressing contemporary issues of the environmental impact of war the status of non combatants in modern war the moral and legal status of the nation state and international institutions such as the UN and the theory and practice of preventive war Martin L Cook U S Air Force Academy P acked with great ideas and provocative discussion This is an excellent addition to the field and to any just war related library William Kautt Journal of Military History E xcellent In approaching the just war tradition in this manner the authors and editors of this volume have recovered something of that tradition's diversity and vitality B y emphasizing the protean nature and op

Just War and Human Rights Todd Burkhardt, 2017-02-21 Discusses how just war theory needs to be revised to better secure and respect human rights Warfare in the twenty first century presents significant challenges to the modern state Serious questions have arisen about the use of drones target selection civilian exposure to harm intervening for humanitarian reasons and war as a means of forcing regime change In Just War and Human Rights Todd Burkhardt argues that updating the laws of war and reforming just war theory is needed A twenty year veteran of the US Army Burkhardt claims that war is impermissible unless it is engaged fought and concluded with right intention A state must not only have a just cause and limit its war making activity in order to vindicate the just cause but it must also seek to vindicate its just cause in a way that yields a just and lasting peace A just and lasting peace is motivated by the just war tenant of right intention and predicated on the realization of human rights Therefore human rights should not only dictate how a state treats its own people but also how a state treats the people of other countries insulating them and protecting innocent civilians from the harms of war Todd Burkhardt experienced American soldier and educator has here crafted a clearly written and spirited book It's timely and practical analyzing drone strikes and post conflict dilemmas yet also reflective and theoretical arguing that the rule of right intention deserves far more prominence in just war theory than it has recently been given Above all this is a readable and constructive

call to reform the laws of armed conflict in light of human rights values especially as understood through the lens of John Rawls's theory of international justice A welcome contribution to today's philosophy of war Brian Orend author of *The Morality of War* Second Edition *Modern Just War Theory* Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare *Modern Just War Theory A Guide to Research* by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories *Modern Just War Theory* will appeal to students and scholars of theology military history international law and Christian ethics

Atrocities, Massacres, and War Crimes Alexander Mikaberidze, 2013-06-25 Both concise and wide ranging this encyclopedia covers massacres atrocities war crimes and genocides including acts of inhumanity on all continents and serves as a reminder that lest we forget history will repeat itself The 400 plus entries in *Atrocities Massacres and War Crimes An Encyclopedia* provide accessible and concise information on the difficult subject of abject human violence committed on all continents The entries in this two volume work describe atrocities massacres and war crimes committed in the 20th century thereby documenting how human beings have repeatedly proven their capability to commit horrific acts of inhumanity even in relatively recent times and within the modern era The encyclopedia covers countries treaties and terms profiles individuals who had been formally indicted for war crimes as well as those who have committed mass atrocities and gone unpunished and addresses human rights violations crimes against humanity and crimes against peace *Just War Theory and Non-State Actors* Eric E. Smith, 2020-03-20 This book uses an historical body of knowledge *Just War Theory* as the basis for analyzing

modern conflicts involving Armed Non State Actors who employ force against states As the global community faces the challenges of globalization terrorism 24 hour international news coverage super power collapse weapons of mass destruction and failed states the author explores whether the historic bodies of knowledge governing decision makers during conflict remain relevant Tracing the evolution of Just War Theory he analyzes circumstances involving Armed Non State Actor ANSA groups possessing powerful and destructive capabilities and a desire to use them and pursues answers to the central research question how does Just War Theory apply in modern scenarios involving ANSA groups who challenge the state and international institution s monopoly on use of force The study finds that Just War Theory still has the capacity to accommodate modern day statecraft and application in scenarios involving Armed Non State Actors This book will be of great interest to those researching and studying in the fields of political theory security studies international relations war and conflict studies and public ethics *Comparative Just War Theory* Luis Cordeiro-Rodrigues,Danny Singh,2019-10-23

Widespread cross cultural and cross ideological agreement on the justifiable limits of war has become an increasingly complex yet vital element of global peace and conflict policies Lu s Cordeiro Rodrigues and Danny Singh bring together a truly international cohort of philosophers ethicists political scientists criminologists sociologists and other scholars to address the morality of war from a comparative perspective While conceptions of when to enter war jus ad bellum and how to fight war jus in bello have been well researched in Western liberal contexts non Western philosophies have been largely excluded from debate This volume seeks to correct that imbalance by addressing concrete examples alongside concepts of Confucian Yi Rightness Ahimsa feminism class struggles Ubuntu anarchism pacifism Buddhism Islam Jihad among others *Comparative Just War Theory* provides a global conceptual framework to deal with the morality of war in our modern world With fresh insights into how the normative problems that arise from just war can be addressed the book will be a valuable resource for a wide variety of students scholars and policymakers *The Just War Myth* Andrew Fiala,2008 As war

continues to be a primary topic in public debate Andrew Fiala in *The Just War Myth* critically examines the concept of just war arguing that actual wars never live up to the ideals of just war theory The book provides a historical overview of the just war idea and also turns a critical eye on current events including the idea of preemptive war the use of torture and the unreality of the Bush Doctrine *Just War in Religion and Politics* Jacob Neusner,Bruce D. Chilton,R. E. Tully,2013-04-18

The basis of this collection of essays is the reading of a common topic from different perspectives Half of the book is devoted to the comparative study of religions and the courses are offered by religion professors The other half is shaped by social science approaches and the seminars are given mainly by social science professors We aim to compare and contrast not only positions but also methods of learning We examine theories of the just war in diverse cultural contexts and their disciplinary settings Space is devoted to the study of papers prepared for this project by specialists in various disciplines mainly but not exclusively faculty of Bard College and the United States Military Academy at West Point

Adopting the Beat of Phrase: An Emotional Symphony within **War Crimes And Just War War Crimes And Just War**

In a global taken by displays and the ceaseless chatter of immediate connection, the melodic splendor and mental symphony produced by the prepared word usually disappear in to the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. But, situated within the pages of **War Crimes And Just War War Crimes And Just War** a marvelous fictional prize brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this captivating masterpiece conducts readers on an emotional trip, skillfully unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of this touching evaluation, we will examine the book is key harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
