War Of The Nine Gods Issue001:

War of the Nine Gods Issue#001 Thomas Woods,2014-02-27 In a forsaken age gods walked among men From the heavens they brought forbidden knowledge and divine power They were known as the Nine Creator Gods the Nine Headed Serpent who shaped our world into their image Their power seemed limitless corrupting both flesh and earth Multitudes worshiped them others cursed them as abominations but all feared them The Nine took to them the daughters of men as their wives and bore children of power and renown who became leaders of man and beast Then came the great war when the world was full of violence and death continually The want of power fractured the Nine and the heads of the Serpent turned to devour one another They and their legions waged a brutal and terrible war across the land until a third of all living things was destroyed The conflict shook the earth and seemed to have no end But an end did come and the Nine suddenly mysteriously were gone They left all those who remained to their own fate and for a time all the living felt lost The Book of Mitezmer *The Scroll* , **The Complete Works of Flavius Josephus.
