Warrior Poets Of The 21st Century:

Warrior Poets of the 21st Century Robin Mark, 2017-03-11 This book is about worship It s about how absolutely important worship is and how perhaps it is the highest calling and occupation of the believer But it s not about excellence of musicianship in played and sung worship It s not about personalities or individuals or specially gifted folks or style or technique It s not a how to book or a work book or a here s a service schedule that s bound to work type book It s about how God calls us all to be His worshippers and how perhaps every single one of us can through a deeper understanding of worship make an impact and a difference in the society in which we live Patriarchal Lineages in 21st-Century Christian Courtship Elizabeth L. Shively, 2020-08-10 Drawing from a study of courtship media and ethnographic work at purity retreats and home school conventions across the Midwest this is the first inquiry into modern Christian courtship an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood single young women work to embody ideals of luminous femininity and model themselves after archetypes such as the Proverbs 31 woman the stay at home daughter and the mission minded girl and courting couples strive to guard their hearts against premature emotional intimacy Nonetheless participants report that courtship like other relationships inevitably carries an element of risk and it ultimately fails to offer a substantial challenge to the to the sexist realities of youth dating culture **Black Feminist Mothering in 21st Century Literature** Nicole Carr, 2025-05-23 Black feminist mothering can birth new worlds As today s world becomes increasingly hostile with the rising cost of food coupled with global warming s devastating impact we are in need of a feminism bold enough to imagine new pathways for survival Black feminist mothering may well be the remedy This volume positions Black feminist mothering as much more than a biological or caregiving role Building on key Black feminist tenets Carr examines Black women s maternal labors as a practice and proclamation for mothering ourselves tending to each other and nourishing our communities Far too often Black women s maternal intellectual and political labors are recognized only in service to white supremacist capitalism Mammy Breeder Welfare queen This text counters these dehumanizing iconographies to focus instead on the Black maternal s imaginative possibilities Not only does Carr address Black women s resistance to white supremacist power plays but she also attends to Black heteropatriarchy and the burdens racial solidarity imposes on Black women The Black maternal Carr argues is a cradle for Black revolution As Assata Shakur famously declared We are pregnant with freedom **Nothing Has Been Done Before** Robert Loss, 2017-12-02 Is there such a thing today as music that s meaningfully new In our contemporary era of remixing and retro styles cynics and romantics alike cry It s all been done before while record labels and media outlets proclaim that everything is new Coded into our daily conversations about

popular music newness as an artistic and cultural value is too often taken for granted Nothing Has Been Done Before instigates a fresh debate about newness in American pop rock n roll rap folk and R B made since the turn of the millennium Utilizing an interdisciplinary approach that combines music criticism philosophy and the literary essay Robert Loss follows the stories of a diverse cast of musicians who seek the new by wrestling with the past navigating the market and speaking politically The transgressions of Bob Dylan s Love and Theft The pop spectacle of Katy Perry s 2015 Super Bowl halftime show Protest songs against the war in Iraq Nothing Has Been Done Before argues that performance heard in a historical context always creates a possibility for newness whether it s Kendrick Lamar s multi layered To Pimp a Butterfly the Afrofuturist visions of Janelle Mon e or even a Guided By Voices tribute concert in a local dive bar Provocative and engaging Nothing Has Been Done Before challenges nothing less than how we hear and think about popular music its power and its potential
