Mr. Rohit Manglik

Watchdog Journalism The Art Of Investigative Reporting:

Watchdog Journalism Stephen J. Berry, 2009 Watchdog Journalism The Art of Investigative Reporting takes readers into the world of Pulitzer Prize reporting Drawing from intriguing interviews and archival research author Stephen J Berry reveals the drama of the job and the passion of its practitioners as he narrates the back stories of six investigative projects that earned the craft s most coveted honor Rather than focusing solely on huge assignments that are out of reach for everyday journalists the book explores stories that could emerge on the beat in Anywhere USA Each chapter provides a fascinating case study that covers interviewing working sources ferreting out records and dealing with partners and editors This case study approach details the genesis development and outcome of these stories offering students a chance to see how journalists view their roles as public watchdogs and as professionals competing in an increasingly profit centered environment The text also discusses how crucial it is for journalists to follow a model of performance and ethical reporting standards in order to advance the role of journalism in our society Providing a mix of suspense fun and serious discourse Watchdog Journalism is ideal for undergraduate and graduate courses in investigative reporting It is also a great resource for general readers educators and journalists curious about Pulitzer quality reporting

The Art of the Watchdog Daniel L. Feldman, David R. Eichenthal, 2014-01-01 Does government fraud waste abuse and corruption make your blood boil In The Art of the Watchdog Daniel L Feldman and David R Eichenthal show how to fight back Based on their own work in federal state and local government over the last forty years they will arm you with the tools and techniques needed to put the spotlight on those who cheat and steal from the public or who squander valuable taxpayer dollars through waste and inefficiency At the same time Feldman and Eichenthal outline what they see as the good and the bad of current oversight efforts based on case studies from across the nation Ultimately their goal is to ensure that the art of the watchdog does not become a lost one and to improve the quality and integrity of government and strengthen democracy

The Oxford Handbook of Public Accountability Mark Bovens, Robert E. Goodin, Thomas Schillemans, 2014-05-15 Over the past two decades public accountability has become not only an icon in political managerial and administrative discourse but also the object of much scholarly analysis across a broad range of social and administrative sciences This handbook provides a state of the art overview of recent scholarship on public accountability It collects consolidates and integrates an upsurge of inquiry currently scattered across many disciplines and subdisciplines It provides a one stop shop on the subject not only for academics who study accountability but also for practitioners who are designing adjusting or struggling with mechanisms for accountable governance Drawing on the best scholars in the field from around the world The Oxford Handbook of Public Accountability showcases conceptual and normative as well as the empirical approaches in public accountability studies In addition to giving an overview of scholarly research in a variety of disciplines it takes stock of a wide range of accountability mechanisms and practices across the public private and non profit sectors making this volume a must have for both

practitioners and scholars both established and new to the field *MediaWriting* W. Richard Whitaker, Ronald D. Smith, Janet E. Ramsey, 2013-03-01 *MediaWriting* is an introductory hands on textbook for students preparing to write in the current multimedia environment Rather than just talk about the differences among the styles of print broadcast and public relations *MediaWriting* synthesizes and integrates them while weaving in basic principles of Internet writing and social media reporting Complete with real world examples practical writing exercises and tips and information for entering into the profession *MediaWriting* continues to give students the tools they need to become a successful media writer The new edition has been extensively rewritten to reflect the dynamic nature of the profession paying significant attention to how the Internet and social media have become essential communication tools for print and broadcast journalists and public relations professionals Further updates and features include Increased attention to computer assisted reporting the preparation of online copy and social media applications Two new chapters on lead writing and new new media A separate chapter focused solely on ethics Explanatory how to boxes that help students understand and retain main themes Illustrative It Happened to Me vignettes from the authors professional experiences Discussion questions and exercises at the end of every chapter Suggested readings that highlight biographies books and websites that expand the scope and definition of professionalism In addition to new multimedia elements the fourth edition's companion website features enhanced resources for both students and instructors including chapter overviews writing tips a test bank sample critiques and a sample syllabus **The Newspapers Handbook** Richard Keeble, Ian Reeves, 2014-08-21 This new edition of *The Newspapers Handbook* presents an enlightening examination of an ever evolving industry engaging with key contemporary issues including reporting in the digital age and ethical and legislative issues following the hacking scandal to display a comprehensive anatomy of the modern newsroom Richard Lance Keeble and Ian Reeves offer readers expert practical advice drawing on a wide range of examples from print and digital news sources to illustrate best practice and the political technological and financial realities of newspaper journalism today Other key areas explored include the language of news basic reporting the art of interviewing feature writing the role of social media in reporting investigative reporting court reporting reporting on national and local government guidance on training and careers for those entering the industry *Understanding Media, Mass Comm & Journalism* Mr. Rohit Manglik, 2023-11-23 Concepts functions and impact of mass communication and journalism

Corruption from a Regulatory Perspective Maria De Benedetto, 2021-09-23 This book seeks to enrich and in some cases reverse current ideas on corruption and its prevention It is a long held belief that sanctions are the best guard against corrupt practice This innovative work argues that in some cases sanctions paradoxically increase corruption and that controls provide opportunities for corrupt transactions Instead it suggests that better regulation and responsive enforcement not sanctions offer the most effective response to corruption Taking both a theoretical and applied approach it examines the question from a global perspective drawing on in particular a regulatory perspective to provide a model for tackling corrupt

practices *Investigative Journalism in Changing Times* Caryn Coatney, 2022-12-30 This book offers new insights into the crucial role of investigative journalism at a pivotal time of technological changes and upheavals It surveys innovations and unexpected impacts of the field from past and present challenges and what may be in store for the future of the industry The book begins by exploring the increasingly investigative innovations in political and independent reporting along with a comparison of the rhetoric and reality of a so called golden era of investigative journalism in the past and the present It goes on to analyse the growth of creative and sports investigative reporting as well as the ability of contemporary conflict journalism to overcome surmounting challenges It also examines the capacity of groundbreaking investigations including data reporting to expose injustices involving women indigenous communities and other minorities In interviews with key industry and research professionals this book presents the reactions of four media experts to the crises faced by investigative journalism in a digital environment of escalating disinformation legal restrictions and popular interest in the news The book concludes by reflecting on previous and current challenges and offers insights into the prospect for investigative journalism of the future Presenting unique views on the diversity resilience and transformative power of investigative journalism this book will be a valuable resource to students and scholars of journalism communication media and politics as well as professionals already operating within the field of journalism **Debates for the Digital Age** Danielle Sarver

Coombs, Simon Collister, 2015-11-23 By evaluating the Internet's impact on key cultural issues of the day this book provides a comprehensive overview of the seismic technological and cultural shifts the Internet has created in contemporary society Books about Internet culture usually focus on the people places sites and memes that constitute the cutting edge at the time the book is written That approach alas renders such volumes quickly obsolete This provocative work on the other hand focuses on overarching themes that will remain relevant for the long term The insights it shares will highlight the tremendous impact of the Internet on modern civilization and individual lives well after specific players and sites have fallen out of favor Content is presented in two volumes The first emphasizes the positive impact of Internet culture for example 24 hour access to information music books merchandise employment opportunities and even romance The second discusses the Internet's darker consequences such as a demand for instant news that often pushes journalists to prioritize being first over being right online scams and invasions of privacy that can affect anyone who banks shops pays bills or posts online Readers of the set will clearly understand how the Internet has revolutionized communications and redefined human interaction coming away with a unique appreciation of the realities of today's digital world for better and for worse *We Can Do Better* Linda Steiner, Stine Eckert, 2025 This book brings together evidence based feminist manifestos for media and communication It offers real actionable practical solutions to media problems and deficiencies and shows how feminist thinking can be usefully and effectively applied to a wide range of journalism media and communication practices The book offers specific feasible blueprints for restructuring media in ways that make them more equitable and more democratic
