everyone You will be revitalized by reading this wonderful little non fiction book for His Glory **AIDS-Trauma and Politics** Aimee Pozorski,2019-06-26 AIDS Trauma and Politics considers American literary representations of the social and political silence surrounding the AIDS crisis in the U S in the 1980s The book offers close readings of such authors as Paul Monette Mark Doty Rafael Campo Sarah Schulman Tony Kushner and Larry Kramer in order to argue that the AIDS crisis was born largely without a witness and as a result marks a significant trauma in U S history Grounded by trauma studies AIDS Trauma and Politics argues that the arts exemplified here by literature and film uniquely underscore social problems otherwise overlooked by such discourses as politics the law and journalism Defining the 1980s AIDS crisis as a perfect case this book proposes to redefine trauma not simply as an event that happened too soon but rather as an ongoing series of oversights resulting in a failure to acknowledge or witness the humanity of those who suffer **Let Me Put Your Boots On Heaven** Leigh,2021-09-13 After years of failed relationships Jazmine thought she wouldn t find love and something was wrong with her While trying online dating Jazmine was knocked off her feet by a handsome Caribbean prince With his charm and his fair speech Jazmine fell deep in love Finally Jazmine would have her happily ever that she deserves not knowing that she was falling into the unknown with a handsome predator that had diabolical intentions to change her life [The Way to Get to Heaven](#) Rosalind Solomon,2015-11-28 I am writing this book I guess because simply God put it in me to write He told me in a vision about a month ago that I would write a book I kept asking Him on what He never said so I did not think about it anymore However I then read and heard about the precious young man who took his own life and the letter he left behind I heard about the well known doctor and my heart was sore and sad for their loss of life So I had to express myself This is how my book came forth I let the Lord lead me through the process of writing this book for you We are in our last days we are on a third extension as you get with bills or collection notices God keeps giving us chance after chance only because of Jesus He intercedes for us on God s throne on a daily and nightly basis 24 7 and so does the twenty four elders with Jesus on the Throne pray for us too Jesus blood is on the throne crying out mercy for us God sees this and forgives us and gives us another chance to get it right before Jesus comes to take His Kingdom and wives and husbands **She Who Spins the Coils of Creation** Leslene della-Madre,2023-06-28 Leslene della Madre s book She Who Spins Creation Sacred Female Cosmology in the Electric PlasMA Universe is essential medicine and a much needed balm for the spirit in these perilous times of toxic masculinity toxic capitalism toxic patriarchy and the perpetuation of the annihilation of women s wisdom and power also known as the Inquisition in which female embodied existence and wisdom continue to be silenced and every attempt to eradicate us deny our culture belittle and erase our knowledge continues to unfold It is also a master class in how to excavate and reclaim female embodied experience wisdom empowerment and sovereignty Della Madre exposes the misogyny inherent in patriarchal myth and science from physics to molecular biology delving into the mysteries of matter the mammalian egg mythologies of female origins the Electric Universe plasMA cosmology and much much more She invites us to awaken to the

reality of a truly female cosmology that has always reflected as above so below and always will but that has been denied and subjected to nearly complete erasure in numerous ways by male dominated realities In doing so she invokes us to challenge the amnesia of the ages question all we have been told about who we are where we come from and who we can become She implores us to feel our horns and wings again and reclaim a world in which we understand that we are all electric plasMA beings intertwined and interconnected in tune with the cosmos the greater organism This is the way to heal the violence that has been done to the Earth Nature and women by thousands of years of patriarchal colonization This book is also a clarion call for action for women to re member our magic and to seek guidance from the ancestral realms to help restore us to whole holy ness This profound book should be made into a documentary series Mary Saracino author LAMBDA award finalist
