take accountability for nothing Are you subjected to silent treatments sudden disappearances and cold shoulders for no reason at all and will she use the power of the pussy to manipulate you into taking her back Answer yes to any of the above and it s likely your woman has a narcissistic personality disorder and that chaos and confusion has become the norm in your life It s also likely that you ve been unable to find support since much of the information available about narcissism focuses on the male narcissist female sufferer dynamic as if the reverse never happens Moreover this lack of support is exacerbated by the fact that we live in a society that doesn t provide a whole lot of sympathy for male victims of anything and the female narcissist knows this all too well Lacking a moral compass a narcissist will stay in multiple relationships diligently working to keep partners unsure or unaware of the existence of the others for as long as she can and even after her crime has been discovered The fact that she causes pain to others is the fuel to her fire Narcissists live their lives via the proxy of their partner s suffering and via the rules and requirements of the narcissist s relationship agenda When Evil Is a Pretty Face 2015 This book will tell you what you need to know about what is happening to you It will explain why the female narcissists does what she does says what she says and how her twisted mind thinks relative to her pathological agenda The truth is that the female narcissist has her male counterparts beat hands down in the evil department and because she s a female she is allowed to live her life in a way that is above reproach But there is one thing that all narcissists have in common and that is that they can never be fixed not with love therapy or with any magic pill No Contact is the only way to escape the relationship alive and this book will show you the way Narcissism in a Nutshell Zari Ballard,2016-10-20 The narcissism handbook for suspecting partners Is your partner actually a narcissist or is he she just a person behaving badly and how can you tell Learning to recognize the signs behaviors of the narcissistic personality can prevent this type of emotional manipulation and abuse from ever happening to you at all OR the knowledge will give you the confidence to finally go no contact with the abuser you are involved with Yet another amazingly intuitive book about narcissism in relationships from blogger relationship consultant Zari Ballard thenarcissisticpersonality com Narcissism in A Nutshell will quickly provide you with an answer to that all too familiar nagging question Is he or isn t he Zari explains that this isn t rocket science that the trick to determining whether a partner s behaviors are truly narcissistic is in remaining watchful of how these behaviors connect and relate to each other These behaviors do not stand alone and if you make the mistake of thinking that they do you will always lose This narcissism handbook not only describes the thirteen most blatant characteristics of narcissism in a relationship it also explains very clearly how all of the described behaviors seamlessly connect to form the pathological relationship agenda an agenda by which the narcissist lives his her life and by which you if you choose to stay with this person will live your life as well In a nutshell here is how a narcissist s mind boggling behaviors connect from one to the other within this book A narcissist s initial love bombing Chapter I sets the stage for years of future faking Chapter III much like the nefarious silent treatment Chapter VI succeeds due to the managing down of a partner s expectations Chapter VIII

which will always involve the type of covert pathological lying Chapter II that combined with cell phone games Chapter V the pain of triangulation Chapter X and projection tactics Chapter XIII will contribute to an overall confusion in the loving partner that allows a narcissist to get away with everything that he does It s all about creating chaos Chapter XII and distraction Chapter IX Seemingly separate at first these passive aggressive behaviors will always combine in such a way that there will be no doubt as to who this person really is And those are just a FEW of the many ways that we can connect the dots within this book It s easier than you think all you have to do is know what you see Don t ever be fooled by a narcissist again Download this book today Visit Zari s blog thenarcissisticpersonality.com **When Love is a Lie** Chitra Jain
