James Thigpen

When God Was A Black Woman And Why She Isn't Now:

You Can Never Satisfy a Woman Robert Gonzalez, 2022-04-08 You Can Never Satisfy A Woman is about many things in a woman's life that happens. The story is about a woman the way she thinks, speaks and does things. These experiences, thoughts and research I have learned growing up to adulthood about women or women. A woman's mind can change anytime so you have to be ready.

Albert Cleage Jr. and the Black Madonna and Child Jawanza Eric Clark, 2016-09-14 In this collection, black religious scholars and pastors whose expertise range from theology, ethics and the psychology of religion to preaching, religious aesthetics and religious education discuss the legacy of Albert B. Cleage Jr. and the idea of the Black Madonna and Child. Easter Sunday 2017 will mark the fifty-year anniversary of Albert B. Cleage Jr.'s unveiling of a mural of the Black Madonna and Child in his church in Detroit, Michigan. This unveiling symbolized a radical theological departure and disruption. The mural helped symbolically launch Black Christian Nationalism and influenced the Black Power movement in the United States. But fifty years later, what has been the lasting impact of this act of theological innovation? What is the legacy of Cleage's emphasis on the literal blackness of Jesus? How has the idea of a Black Madonna and Child informed notions of black womanhood, motherhood, LGBTQ communities? How has Cleage's theology influenced Christian education, African pastoral theology and the Black Arts Movement? The contributors to this work discuss answers to these and many more questions.

How God Talks When He Isn't Talking Rev. Alvin Cordes, 2013-01-09 Reading the content pages of this book will show you that this book is very practical and may change you forever. However, there are some who should not read this book. I dare you to overcome the should-nots. Those who should NOT read this book: Anyone who does not want to have a loving relationship with God. Anyone who thinks psychiatrists and psychologists are smarter than the Bible when it comes to human nature. Any one who believes that God is not interested in his or her problems. Any one who thinks some things happen by chance without God's consent or control. Any one who thinks that there is no way to ask God for an immediate decision to do or not to do, to go or not to go, in a certain direction. Any one who thinks the 66 Book Canon has no better information than any other book. On the other hand, if you want to learn what TICKS GOD OFF, if you finally see that drugs, getting drunk, sex, orgies, homosexuality, riches can never satisfy your longing for something real, if you want to try God out to see if He is really loving, this book will probably help you. Especially if you have been water baptized, you will finally realize that many times God had his finger on your life. I want to see you in heaven with me.
