Missing Mom Pieces Christy Lawler,2019-03-07 We know what pain rejection anger bitterness and loneliness look and feel like We know how those emotions intensify when it is from our own family members those that are supposed to love and take care of us but are not always successful at it I wanted to feel what others had to read it and to experience it just a little

As others shared what their mom relationships were like that pain was deeper than I realized before I no longer wanted to live through your experiences instead I wanted to let you know I get it a little Through some real honest moments came some really raw memories and painful truths not just my own but yours as well I found myself weeping and praying for all of you that shared your stories with me I know I needed to go on a journey with God as my guide to find my missing mom pieces so I could heal and pass that on to you So I pray you take this journey as you figure out what your missing mom pieces are so you may feel peace in the pain strength in the sorrow and healing in the days to come Are you ready
