Thinking About God Thinking About God

Douglas V. Porpora

Thinking About God Thinking About God:

Thinking About God Brian Davies OP,2011-01-01 If it is reasonable to believe in God the ways in which God is thought of and spoken of deserve careful attention This book looks carefully at the philosophical implications for thinking and speaking about God the problems that have arisen and still arise and the various solutions that have been proposed In Part One Brian Davies examines the question of the reality of God Do we have reason to believe in God Arguments are discussed based on the beginning of the universe its continued existence the order it exhibits experience of God and the basis of morality Finally the Ontological Argument based on the concept of God is examined Part Two looks at questions raised by what is said about God Is talk about God meaningless If not in what sense can we talk about God What does it mean to say that God is eternal and changeless What does it mean to say that God is omnipotent omniscient omnipresent and good Does the existence of evil invalidate belief in God Part Three considers more precisely Christian belief in God Is there a rational basis for Christianity How does this relate to faith Can we make sense of the doctrines of the Incarnation and the Trinity Is prayer reasonable Throughout the book arguments from all sides are treated readably but rigorously There is generous provision of searching questions for discussion and further reading What Was God Thinking? John D. Edison,2016-09-26

John Edison provides answers to some questions many Bible students have been struggling with for centuries The key to answering questions about God is often not found until the questioner has learned to trust God above any human wisdom Most Bible answers are at the intersection of God s character the culture when the statement was made and common sense What Was God Thinking clarifies the Gospel God s love plan to save all people from sin God has prepared a home for us in Heaven followed by a return to Earth made new This book explains what it means to be saved by grace and what is involved in living as a person who has accepted all that God s grace has to offer Each chapter of this book deals with an issue of life that affects our relationship with God Each chapter deals with God s love and desire for us to be united with Him **The**

Power of God-Thinking Keith C. Powell,2010-02-01 God Thinking distills powerful thinking principles **You Only Think God Is Silent** Julie Ann Allen,2017-06-07 We all have those moments where we encounter pain grief and struggles and wonder why God would allow this We have heard those semitheological platitudes about our struggles and questions Author Julie Ann Allen experienced those when her husband of fourteen years was buried alive on a work site Julie Ann learned what it was to stand at a crossroad generated by tragedy and make a choice That moment was a defining moment in her life She could either ignore God and blame him for the tragedy or rely on God to sustain her transform her and reconstruct her life as she passed through this profound tragedy Julie Ann writes about Gods voice provisions and how she eventually chose divine happiness by the hand of God If you have ever asked any of these questions Where was God Why did God allow this Why cant I hear God then reading You Only Think God Is Silent is a wonderful place to discover ways you can turn to God and hear the answers to those questions *Being and God* Lorenz B. Puntel,Alan White,2011 The main thesis of this book is that it is

philosophically reasonable intelligible and appropriate to raise questions about God and to provide answers to those questions that are rational only within the framework of a conception of reality or being as a whole What's Right with the Trinity? Dr Hannah Bacon, 2013-06-28 The doctrine of the Trinity poses a series of problems for feminist theology At a basic level the androcentric nature of trinitarian language serves to promote the male as more fully in the image of God and as the archetype of humanity pushing women to the margins of personhood It is no surprise then that feminist scholarship on this doctrine has often focused on what's wrong with the Trinity setting out the problems raised by the use of traditional androcentric trinitarian language This book brings together a discussion of feminist theological methodology with a critical exploration of the doctrine of the Trinity Focussing on what's right with the Trinity as opposed to what's wrong with the Trinity it considers the usefulness of this doctrine for feminist theology today It replaces a stress on trinitarian language with an emphasis on trinitarian thought exploring how we might effectively think rather than speak God in light of feminist concerns In particular it asks how a trinitarian understanding of God might support and be supported by key values which underpin a feminist way of doing theology specifically values which underpin the methodological use of women's experience in feminist theology The central argument is that thinking God as Trinity need not serve to reinforce patriarchal values and ideals but may in fact promote the subjectivity and personhood of women Think On These Things Molly Ratliff, 2022-12-03 Whatcha thinkin about If you're anything like me you're probably thinking a lot of things What I've been thinking is What if there is more to my understanding of God than I have right now What if the age old Sunday school stories still have life changing messages hidden in plain sight What if I could challenge my thinking What would life look like if I took these thoughts captive What if there is a God way of thinking and what if I thought more like this The more I've been thinking this the more I'm convinced God is calling for each of His children to challenge their thoughts His word is filled with indications of this heartbeat So I invite you to think ponder and dwell on the thoughts presented within this devotional and take on the mind of Christ This devotional is formatted for 52 weeks plus some bonus material The devotional is further formatted so that each week one thought is presented Then a prayer is offered in conjunction with this thought I believe as we take on the challenge of renewing our minds God will meet us in the process and reveal Himself in a greater way not only in our minds but in our hearts souls and lives So let's think on these things Big Problems, Bigger God Steve Smothermon, 2015-10-01 Are you or someone you love in a world of hurt right now You may be facing challenging circumstances intense pain crushing disappointment or silent regrets But you don't have to fold You don't have to resign yourself to defeat You can find help and encouragement to get through the tough parts to clarify the truth about your life to replace self sabotaging behaviors to discover areas where you need a change of heart or perspective And here's the promise As you keep moving forward through adversity you'll discover the greatness and the grace of God Because you'll realize how truly great and gracious he is only when you endure hard times and emerge on the other side Big Problems Bigger God is your no holds barred guide to difficult

challenges and the hope they can produce as you walk with God through them *God Can't* Thomas Jay Oord, 2019-01-05

Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God's ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God's punishment The usual answers fail They don't support the truth that God loves everyone all the time God Can't gives a believable answer to why a good and powerful God doesn't prevent evil Author Thomas Jay Oord says God's love is inherently uncontrolling God loves everyone and everything so God can't control anyone or anything This means God cannot prevent evil singlehandedly God can't stop evildoers whether human animal organism or inanimate objects and forces In *God Can't* Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God's healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can't disagrees Oord says God squeezes good from the evil God didn't want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In *God Can't* Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God's love God Can't is written in understandable language As a world renown theologian Thomas Jay Oord brings credibility to the book's radical ideas He explains these ideas through true stories illustrations and scripture God Can't is for those who want answers to tragedy abuse and other evils that make sense What They're Saying If conventional notions of God make less and less sense to you you'll find Thomas Jay Oord's new book a breath of fresh air Simply put God Can't presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of *The Great Spiritual Migration* I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this book Dr Karen Strand Winslow Ph D Biblical and Jewish Studies Professor of Bible Azusa Pacific University As a clinical psychologist working with people in trauma I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so called problem of evil in terms that are conceptually satisfying theologically consistent and pastorally liberating Dr Roger Bretherton Principal Lecturer at the University of Lincoln UK Chair of the British Association of Christians in Psychology Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will A more careful theological reflection on the nature of the power of a God who is love can help Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book Dr Anna Case Winters Professor of Theology at McCormick Theological Seminary I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as *God Can't* This book is a rare combination of depth and accessibility truly written for the wounded I recommend it to my students parishioners and therapy

clients Dr Brad D Strawn Professor of the Integration of Psychology and Theology Fuller Theological Seminary *Think Like God* John Blig, 2017-09-25 Jesus said in Matthew 16:23 that when we think like men we become our own stumbling block What we think and how we think are very important Wrong thinking will inevitably trip us up We need to get rid of our old way of thinking like mere men and have a fresh way of thinking We need to think like God *Religious Reconstruction* Minot Judson Savage, 1888 Philosophy and Religion Strong, 1888 The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface 101 Amazing Things God Thinks about You Vicki Kuyper, 2004 101 Amazing Things God Think About You delivers thought provoking facts and reflections about what God says about His creations Readers will be amazed to discover what God thinks about them **Revival Addresses** Reuben Archer Torrey, 1903 The World a Spiritual System James Henry Snowden, 1910 *Jesus Among His Neighbors* Marion Olive Hawthorne, 1929

Ways of Thinking about God E. B. Self, 2013-08-01 As we become more deeply involved in thinking about God it would be good to remember that the thinking is about God but is done by humans We should be careful We should not have too high an opinion of our own thinking We might recall the statement of Isaiah 55:8-9 For my thoughts are not your thoughts nor are your ways my ways says the Lord For as the heavens are higher than the earth so are my ways higher than your ways and my thoughts than your thoughts With the reminder that human thinking about God has important limitations we should still try to think about God as carefully as possible 1 How can we summarize the beliefs about God in the Bible 2 How should we understand the Bible's many references to God and violence 3 Can we derive a clear and comprehensive view of God and human destiny from the Bible 4 Can we prove the existence of God by reason apart from the Bible 5 What views have philosophers had about the basic nature of God 6 How can we reconcile belief in God's goodness and unlimited power with the evil in the world 7 Is God an appropriate subject for scientists to study 8 Should scientific views of time life and space lead us to adjust some of our beliefs about God 9 Are our views of God appropriate for the modern world 10 Do you believe that you should do some more thinking about God **Extension Bulletin**, 1907 *The Twentieth Plane* Albert Durrant Watson, 1919 Messages from various spirits imparted to Louis Benjamin a medium

Thinking About God Thinking About God Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Thinking About God Thinking About God PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Thinking About God Thinking About God PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Thinking About God Thinking About God free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Thinking About God Thinking About God Books

1. Where can I buy Thinking About God Thinking About God books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Thinking About God Thinking About God book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
