This Far by Grace J. Neil Alexander, 2003-05-25 In this thoughtful and timely book Bishop Alexander explores his journey through the theological scriptural and pastoral aspects of the questions surrounding homosexuality and the Christian faith Writing in the weeks after the General Convention of the Episcopal Church approved the appointment of the church's first openly gay bishop Bishop Alexander offers a personal view of his changing outlook from exclusion to acceptance on this important issue He also offers thought provoking perspectives on scripture and tradition This Far by Grace will prove a vital resource for discussion and reflection by individuals parishes and dioceses *This Far by Grace* J. Alexander, 2003-05-25 In this thoughtful and timely book Bishop Alexander explores his journey through the theological scriptural and pastoral aspects of the questions surrounding homosexuality and the Christian faith Writing in the weeks after the General Convention of the Episcopal Church approved the appointment of the church's first openly gay bishop Bishop Alexander offers a personal view of his changing outlook from exclusion to acceptance on this important issue He also offers thought provoking perspectives on scripture and tradition This Far by Grace will prove a vital resource for discussion and reflection by individuals parishes and dioceses The Living Church, 2003-07 Homosexuality and the Crisis of

Anglicanism William L. Sachs, 2009-08-13 The Anglican conflict over homosexuality has drawn worldwide interest and divided the church However conflict within Christianity is not new This book traces the steps by which the crisis emerged and reveals the deeper debates within the church which underlie both the current controversy and much earlier splits William L Sachs contends that the present debate did not begin with opposition to homosexuality or in advocacy of it He argues that like past tensions it originates in the diverging local contexts in which the faith is practised and their differing interpretations of authority and communion In the aftermath of colonialism activists and reformers have taken on prominent roles for and against the status quo The crisis reveals a Church in search of a new global consensus about the appropriate forms of belief and mission A Thorn in the Flesh Caroline J. Addington Hall, 2013-03-22 With the vote to bless same sex marriages the

Episcopal Church becomes the largest U S denomination to officially sanction same sex relationships Homosexuality has become a flashpoint at the intersection of religion family and politics A Thorn in the Flesh How Gay Sexuality is Changing the Episcopal Church tells the story of how homosexuality has been used to further conservative political agendas both here and abroad It describes how African and Asian churches have been drawn into a conflict that began in the United States in the Episcopal Church and raises vital questions of whether people with different understandings of authority and truth can live in harmony This provocative book is not a history of the movement for gay inclusion nor a history of the movement for a new conservative Anglican church in the Americas Instead it is a comparison of the conservative and the liberal parts of the church There are those such as the Church of England who have conservative theological orientation and are most likely to oppose fully including gays and lesbians in the church Hall also explores the rapid changes that have happened in Western

society in the past fifty years that have led to the acceptance of same sex marriage and homosexuality This change has not come easily and even after nearly four decades gay marriage remains a politically divisive issue in the United States and England Homosexuality Joseph Walter Miller,2016-07-26 For many today the issue of homosexuality is easily and clearly settled in scripture The issue for them is one of scriptural authority One either obeys the command found in scripture or one does not Yet for others the scriptural commands are not nearly as clear as claimed and the issue is not obedience but rather interpretation It is not whether one will obey God s will once known but determining if in fact traditional interpreters have discovered God s will Joe Miller Jr a retired pastor with a deep concern from LGBT persons in his community and church tackles this subject by examining not just the scriptures but also the people who interpret them and the theology and science they use to do so He believes that a scriptural case can be made for the full acceptance of LGBT and that to truly follow Jesus and care for the least of these demands nothing less **Mainline Christians and U.S. Public Policy** Glenn H.

Utter,2007-07-26 This insightful reference work explores the relationship between mainline Christian denominations and U S politics and public policy from colonial times to the present Mainline Christian Values and U S Public Policy A Reference Handbook provides a revealing and unbiased look at the emergence of Christian denominations as a political force primarily from the late 19th century to the present The book examines the origins development current organization and activities and future prospects of nine mainline U S denominations the American Baptist Churches in the U S A the Catholic Church the Christian Church the Episcopal Church the Evangelical Lutheran Church in America the Presbyterian Church the Reformed Church in America the United Church of Christ and the United Methodist Church Readers will encounter a surprising variety of Christian voices offering a range of positions on the Iraq War abortion same sex marriage global warming stem cell research the death penalty and other controversial issues Religion & Sexuality Charles Kevin Robertson,2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today s increasingly pluralistic yet strongly spiritual society

Gays and Grays Donal Godfrey,2007-07-20 Gays and Grays tells the story of a unique Catholic parish Most Holy Redeemer Parish in San Francisco is in the center of the world s first gay neighborhood The Castro This parish was the center of the hostility to the arriving gay population in the 1970s but paradoxically was itself transformed into a welcoming parish The old time parishioners the gray bonded with the new comers the gay particularly in a joint compassionate response to the crisis of AIDS A charismatic pastor FR Tony McGuire also played a key role in the transformation of this interesting parish Most Holy Redeemer was changed from a dying parish to a vital place where gay and straight people together created

something new Father Donal Godfrey shows how this parish became prophetic and compassionate through conflict and compromise at times despite opposition from many sources including the institutionalized homophobia of the church and society Rather than becoming embittered the parish opened up to be a place of healing and indeed sanctuary for many This book tells this fascinating story and why it is significant beyond the scope of San Francisco Most Holy Redeemer is a place which has remained within the institution while at the same time challenging it with grace and humor This accessible and moving book is appropriate for all levels of students of congregational studies Sociology of Religion Gay or Queer Studies and Religion courses *The Publishers Weekly* ,2006 *The Church and Same-sex Marriage* Ronald Nicolson,2008

American Book Publishing Record ,2004 *The Episcopal Church in Crisis* Frank G. Kirkpatrick,2008-06-30 The current debate in the Episcopal Church in the United States ECUSA over its relationship with the worldwide Anglican Communion has been building for some time Some Episcopalians including priests bishops and dioceses have broken or are considering breaking their historic affiliation with the current authoritative bodies of ECUSA because they believe they have betrayed the historic teachings and morality of the Anglican tradition The author places this emerging crisis in context historical moral theological cultural and ecclesiological He explores how the rift between Episcopalians in the United States originated how it is being played out now in the rift between the official representatives of ECUSA and the Anglican Communion what the arguments are for and against all sides and what are the prospects for either reconciliation at some level between the opposing parties or deepening schism in the future Kirkpatrick explores the variety of contentious issues rather than focusing just on the one that gets the most media attention homosexuality The crisis in the Church goes much deeper than that however and involves issues of church tradition and biblical authority The author provides necessary background but focuses primarily on the events that have occurred since 2003 when ECUSA approved the election and consecration of an openly gay bishop While the situation continues to evolve and change the book provides readers with an up to date account of the history of the crisis an analysis of the conflicting arguments and a contextual guide for understanding what might come next in this unfolding story *The Church of England Pulpit, and Ecclesiastical Review* ,1880 [North-western Christian Advocate](#) ,1901 *The Saturday Review of Politics, Literature, Science and Art* ,1877 *Saturday Review* ,1877 **The Ladies' Repository** ,1869 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the

editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900 *The Christian Advocate* ,1900 The Saturday Review of Politics, Literature, Science, Art, and Finance ,1877
