St Peter-On-The-Wall Johanna Dale, 2023-05-15 The Chapel of St Peter on the Wall built on the ruins of a Roman fort dates from the mid seventh century and is one of the oldest largely intact churches in England It stands in splendid isolation on the shoreline at the mouth of the Blackwater Estuary in Essex where the land meets and interpenetrates with the sea and the sky This book brings together contributors from across the arts humanities and social sciences to uncover the pre modern contexts and modern resonances of this medieval building and its landscape setting The impetus for this collection was the recently published designs for a new nuclear power station at Bradwell on Sea which if built would have a significant impact on the chapel and its landscape setting St Peter on the Wall highlights the multiple ways in which the chapel and landscape are historically and archaeologically significant while also drawing attention to the modern importance of Bradwell as a place of Christian worship of sanctuary and of cultural production In analysing the significance of the chapel and surrounding landscape over more than a thousand years this collection additionally contributes to wider debates about the relationship between space and place and particularly the interfaces between both medieval and modern cultures and also heritage and the natural environment

Russian Life, 2010 *The Churchwardens' Accounts of St. Botolph without Aldersgate, London, 1466-1500* Gary Gibbs, Valerie A. Hitchman, 2024-05-21 This volume contains transcriptions of rolls 1 to 20 1466 1500 of the 105 1466 1636 extant rolls of churchwardens accounts from the parish of St Botolph without Aldersgate London These financial records along with assorted memoranda are filled with information about the church its operations and the

numerous people who repaired maintained and provisioned it The churchwardens dealt with local problems and kept track of money they believed they were owed These records not only present very detailed insights into a vanished world but the resulting evidence augments and challenges existing theories about the fifteenth century parish **The Pursuit of**

Pleasurable Work Trevor H. J. Marchand,2021-11-01 Against the backdrop of an alienating technologizing and ever accelerating world of material production this book tells an intimate story one about a community of woodworkers training at an historic institution in London s East End during the present renaissance of craftsmanship The animated and scholarly accounts of learning achievement and challenges reveal the deep human desire to create with our hands the persistent longing to find meaningful work and the struggle to realise dreams In its penetrating explorations of the nature of embodied skill the book champions greater appreciation for the dexterity ingenuity and intelligence that lie at the heart of craftwork

This book takes a fresh look at a wide range of life s big questions and provides a resource as readers search for answers individually or together in group discussion The goal is to explore how Christian faith relates to aspects of modern science the problems of suffering and evil and issues such as gender and sexuality war and peacemaking immigration artificial intelligence and life after death It also considers historical evidence for the resurrection of Jesus and the biblical promises of a time when God will restore and renew the world and all that lives within it Calendar of Treasury Books ... Preserved in

the Public Record Office Great Britain. Public Record Office,1923 **Calendar of Treasury Books ... Preserved in the Public Record Office** ,1923 Criminalizing Dissent Rob Watts,2019-06-25 While liberal democratic states like America

Britain and Australia claim to value freedom of expression and the right to dissent they have always actually criminalized dissent This disposition has worsened since 9 11 and the 2008 Great Recession This ground breaking study shows that just as dissent involves far more than protest marches so too liberal democratic states have expanded the criminalization of dissent

Drawing on political and social theorists like Arendt Bourdieu and Isin the book offers a new way of thinking about politics dissent and its criminalization relationally Using case studies like the Occupy movement selective refusal by Israeli soldiers urban squatters democratic education and violence by anti Apartheid activists the book highlights the many forms dissent takes along with the many ways liberal democratic states criminalize it The book highlights the mix of fear and delusion in play when states privilege security to protect an imagined political order from difference and disagreement The book makes a major contribution to political theory legal studies and sociology Linking legal political and normative studies in new ways Watts shows that ultimately liberal democracies rely more on sovereignty and the capacity for coercion and declarations of legal states of exception than on liberal democratic principles In a time marked by a deepening crisis of democracy the book argues dissent is increasingly valuable
