The Junior Bookshelf, 1962 *The Mammoth Who Wanted to Fly* AQEEL AHMED, 2024-03-30

The Mammoth Who Wanted to Fly Combines myth and adventure like how a mammoth breaks the rules of nature Its journey is a lesson that to reach your goals you need to be persistent and determined In Summary The Mammoth Who Wanted to Fly is an interesting story about Momo a young mammoth with very high goals A world where mammoths are happy living on the ground and Momo longs for the sky is one where Momo looks up He has a dream that none of his friends have to fly like the birds Momo is different from his group because he is working toward this goal which they think is silly This makes for a story with themes of being brave determined and going after your goals People who aren't like Momo treat him badly and don't trust him which makes his trip hard The herd's first response is shock because they can't believe a mammoth could fly and keep things in order Momo doesn't give up when she's not sure what to do though Instead she becomes more determined Momo asks Luna a wise owl who knows the sky well and can see options other than standard mammoth efforts to help him reach his goal of flying Momo runs into problems when she tries to fly Even though his first attempt to make wings out of leaves and twigs fails it gives him hope Momo moves forward because of this spark which is fed by determination and a desire to learn new things He learns a lot about physics and the basics of flight by studying birds The beavers become Momo's unexpected friends because they are so good at building things They help her make a new set of wings that represent the highest level of friendship teamwork and shared goals Momo has had problems but her heart hasn't given up His drive shows that you should always go after your goals even if they seem far away Momo's drive gets stronger and his understanding gets better every time he fails At first his friends support seems shaky but it turns out to be a huge source of strength This shows us how important it is to have support and believe in ourselves in order to reach our goals The Mammoth Who Wanted to Fly is the story of how Momo and his herd changed The fact that Momo was able to fly is a motivation and an amazing example of beating all odds Even though it's not always easy to meet our goals this shows that anything is possible if we have a strong will support and a positive attitude Momo's story is a powerful reminder that our goals no matter how big can make the sky seem like an empty space in our thoughts Chapter 1 Momo's Dream An interesting mammoth named Momo lived in a large green valley In the morning and evening the sun painted the sky pink and orange His dreams were as big as his heart Momo was not like other mammoths Momo's eyes were always on the sky even though the rest of the herd and his friends were happy to graze on the grassy fields and drink from the cool river The sky above him interested him It seemed to go on forever and was full of colors that changed with the sun The clouds moved around in the sky making it a safe place for birds Momo thought that these birds with their pretty wings and happy songs were the image of freedom They could go over rivers tall trees and even disappear into the distance only to show up again whenever they wanted Momo thought about how great it would be to be able to see the world from above feel the air under your wings and sail over it all forever The wish to fly in

Momo was very strong which was unusual for a mammoth of any size Momo's friends who were happy and enjoyed simple things like taking mud baths and blowing out their trumpets in the cool nights didn't get why he was so in love with her When Momo told them he loved flying they laughed at him They made fun of him by telling him that mammoths were meant to roam the land not fly through the air It made them laugh to say Imagine a mammoth trying to fly but Momo took this dream seriously It was a deep seated desire that kept his days interesting and sparked his imagination Even though people were laughing and being amazed Momo's dream kept getting bigger He must have stood there and watched the birds for hours amazed at how they could jump into the air flap their wings to catch the breeze and turn their bodies so easily that they could float on the wind's unseen currents As Momo thought about being with them he could feel the wind whip through his wings and see the world grow below him like a kaleidoscope of colors and shapes His secret wish was to feel the thrill of flight himself but he couldn't figure out how The desire for Momo to fly wasn't just a dream it showed how curious he was and how he didn't want to be limited by what was normal for a mammoth He was different from his friends and it was the start of a trip that would help him learn about himself and reach impossible heights Momo's dream gave him hope a bright light that showed him the way even when people didn't believe or laughed at him It inspired him to keep thinking big and believing that the impossible is possible Momo was brave enough to dream of a life outside of the valley and to try to reach a goal that other people couldn't in a world where everyone went the same way This dream was the beginning of Momo's amazing trip that taught him how important it is to believe in himself have friends and keep going even when things get hard

Chapter 2 The Doubting Crowd They lived in the middle of a bright beautiful valley with a big sky and lots of grass The herd was a close knit group of mammoths each with their own personality and habits They were all bound together by the way they lived They hung out by the river ate grass and cuddled up on cold nights Momo chose a calm evening as the sun was going down and the sky was full of purple and gold stars to tell the herd his biggest dream Momo said he wanted to fly to be like the birds in the sky and see the world from above His voice was full of hope and his eyes were sparkling with excitement He talked about the places he could visit the things he could do and the freedom it would give him Momo told the herd about his dream but they didn't respond the way he thought they would
