starving children on their TV screens What action should they take on behalf of the poor What should they do with their own possessions In *Neither Poverty nor Riches* Craig Blomberg asks what the Bible has to say to these issues He avoids easy answers and instead seeks a comprehensive biblical theology of possessions Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world This is a book that all concerned with issues of poverty and wealth should read

Prophetic Witness Heinrich Bedford-Strohm, Etienne De Villiers, 2011 The role of religious prophetic witness in the public discourse of modern civil societies is a vital question not only for the churches but for society

as a whole Is it still appropriate for churches to make use of prophetic witness as a mode of public discourse in contemporary democratic societies Can biblical tradition be a referential source for prophetic public statements of the churches in highly debated political questions Or must public discourse in pluralistic societies be strictly grounded in purely reason based arguments This book deals with these questions in a multi disciplinary perspective looking at historical settings of biblical texts and discussing contemporary issues and contexts Series Theology in the Public Square Theologie in der Offentlichkeit Vol 1 *Best Bible Books* John Glynn, Michael H. Burer, 2019-03-21 There are thousands of excellent resources in the field of New Testament studies But which tools are best for sermon preparation topical study research or classroom study In *Best Bible Books* the authors review and recommend hundreds of books saving pastors students and scholars time effort and money Glynn and Burer examine commentaries on every book of the New Testament describing their approach format and usability they then rank them on a scale of good better and best Other chapters survey special studies for each New Testament book as well as books in related disciplines such as historical background language resources and hermeneutics Also included are helpful chapters on building a must have personal library and identifying books that comprise the ultimate New Testament commentary collection This is an indispensable resource for any serious student of the Bible

Commentary & Reference Survey John Glynn, 2003 This reliable guide lists and ranks approximately 800 Bible commentaries and 1 200 printed volumes as well as numerous computer resources related to biblical interpretation theology and church history Commentaries are categorized by level and approach and recommended titles are highlighted A unique and special studies section lists works of significance for each book of the Bible *A Narrative Theology of the New Testament* Timo Eskola, 2015-07-21 Focusing on the metanarrative of exile and restoration Timo Eskola claims that a post liberal narrative New Testament theology is both consistent and explanative Combining a post New Quest perspective on Jesus with an eschatological reading of Paul the author states that Jesus temple criticism aims at restoration eschatology Jesus starts a priestly community that expects God s jubilee to begin with Jesus work and proceed with the preaching of the new gospel The reception of this message in the post Easter church results in resurrection Christology that proclaims Jesus Davidic kingship on God s throne of glory Both Paul and Jewish Christian teachers later present Christ s community as a new temple where believers serve the Lord as priests of the new covenant Furthermore restoration eschatology provides a new basis for understanding Paul s contrast with the words of the law and his teaching of justification *How the Gospels Became History* M. David Litwa, 2019-08-06 A compelling comparison of the gospels and Greco Roman mythology which shows that the gospels were not perceived as myths but as historical records Did the early Christians believe their myths Like most ancient and modern people early Christians made efforts to present their myths in the most believable ways In this eye opening work M David Litwa explores how and why what later became the four canonical gospels take on a historical cast that remains vitally important for many Christians today Offering an in depth comparison with other Greco Roman

stories that have been shaped to seem like history Litwa shows how the evangelists responded to the pressures of Greco Roman literary culture by using well known historiographical tropes such as the mention of famous rulers and kings geographical notices the introduction of eyewitnesses vivid presentation alternative reports and so on In this way the evangelists deliberately shaped myths about Jesus into historical discourse to maximize their believability for ancient audiences

Bloodless Atonement? Benjamin J. Burkholder,2017-06-27 Does the Messiah have to die to pay for his people s sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus s death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus s death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways
