This Psychic Prophetic Age:

This Psychic Prophetic Age Pamela Vinnett, 2015-07-23 When I wrote this book back in 1994 it was in a season that our nation was in tremendous turmoil Psychics like Miss Cleo and singer song writer Dionne Warwick s Psychic Friends Network were taking the airwaves by a storm The hotlines for such a phenomenon were riddled with people trained to give generalities who worked from the privacy of their homes alongside a number of them who were the real deal Hollywood had its own private crew that made millions prognosticating to the stars and big businessmen and women alike All of this was in vogue I was compelled as a prophet of God to address the issue This Psychic Prophetic Age was born as a result of the need and the times In the church world many true and false practitioners were taking advantage of the moment moving about itinerantly throughout the Charismatic and Pentecostal churches This led to a demand for instruction that could set the order aright as to what is true from what is false I personally scoured the nation looking for sound books on the prophetic that would help me to understand who I am and how to walk out this tremendous commission I sadly found only a few and one in particular by my friend Dr Bill Hammond His book Prophets and Personal Prophecy turned my life around He was a great inspiration for the writing of this book years later I have since then had the privilege of being a content editor for 5 other books by another author also on the prophetic In honor of this book s 21st anniversary I am rereleasing it as a vintage limited edition hard copy and eBook Almost daily I receive requests for it There is a conspicuous tangible release of prophetic energy from the Lord to raise up true prophets to this generation and those to come It is an exciting time to be alive New age gurus have swept the church as well as multiple false and highly featured prophets Now everyone wants to be known as an apostle or prophet but God is setting the order aright and we will once again discover this is not a psychic age but a truly kingdom apostolic and prophetic age Pam Vignette is the founder of Prophetic Age Ministries aka Pam Vignette Ministries God s Apostolic Training Embassy The GATE Fellowship no longer functioning as a church and Apostolic Initiatives in Motion AIIM Fellowship and Training Institute Pam is currently based in Tulsa OK but is providing apostolic instruction in the state of Florida *This Psychic Prophetic Age* Pam Vinnett, 1994-12-12 **The Ministry Anointing of the Prophet-Minstrel** David L. Conjunction.World Elly Flippen, 2024-10-05 A must read I cannot recommend highly enough Bring a lot of highlighters This book has been blowing me away I d say it s a must read So far it has validated certain thoughts I ve had and experienced regarding OBE NDE UAPs the cover up our history consciousness and brought new ideas forward Very well written and organized with detailed footnotes with references You could almost use it like a guidebook in research It s amazing how much we actually have in common with one another My uncle the renowned Ingo Swann was a man of mystery and intrigue As one of the US Government s top psychic spies he held secrets that few knew and even fewer understood One day he confided in me with a hushed tone and a glint in his eye We are not alone on this planet This wasn t entirely new to me I had encountered numerous inexplicable events but I couldn t believe they were actually real It just seemed too impossible Years later however my curiosity drove me to learn more Amidst this learning adventure I stumbled upon a declassified briefing from 1973 stating a group of Nazis was to blame for releasing an arcane terror upon the world Unless one is deeply rooted in

the essence of the divine the paper concludes they will not survive this perilous journey into the ominous world of existence In other words if you want to survive in the actual reality we live in you better be well equipped with some heavy duty light protection After that moment my inquisitiveness was sparked I dove in headfirst compiling theories about non human entities From potential extraterrestrial origins to interdimensional beings I unraveled a complex narrative about advanced technology that could account for the anomalous aerial and aquatic vehicles we have witnessed But my explorations didn't end there I also embarked on a journey to understand the evolution of Remote Viewing also known as psychic spying Along the way I discovered fascinating connections between Remote Viewing UFO bases and encounters with non human beings I then found myself venturing into mysterious lands shrouded in secrecy Places where barriers and gateways intertwined where haunted spaces lingered and temporal distortions shifted reality I encountered apparitions witnessed unexplainable events and had enigmatic experiences with UFOs UAPs which I began to view as vision quests As my investigation progressed I uncovered hidden secrets about our world first hand accounts of untold tales from the lands where reality blends with the unknown the places where the mirror has cracks

The Voice of God Cindy Jacobs,2004-10-15 Many Christians question whether prophecy is still a valid gift in today's world In this practical biblical examination of the gift of prophecy you'll get a clear picture of what prophecy is and how it works in the lives of individuals through personal prophecy and in entire churches and groups through corporate prophecy

A Perfect Medium? Elsa Giovanna Simonetti,2017-09-25 An in depth analysis of oracular divination in Plutarch's thought Oracular divination was of special concern for Plutarch of Chaeronea 45-120 AD Platonic philosopher as well as priest at the oracle of Apollo in Delphi The peculiar nature of Delphic divination as an imperfect intermediary between the material and the immaterial world is fathomed in a thorough study of Plutarch's Delphic dialogues This in depth philosophical conceptual analysis will disclose an original interpretation of oracular divination in Plutarch as interconnected with his psychological and cosmological conceptions A Perfect Medium reveals the Delphic temple as a crucial element in Plutarch's philosophy as a microcosm reflecting the cosmic dynamics and as a symbol embodying the relationship between human thirst for knowledge and divine absolute wisdom
