**Though the Darkness Gather Round** Mary Elizabeth Hill Hanchey,2015-07      **When Kids Ask Hard Questions**

Bromleigh McCleneghan,Karen Ware Jackson ,2019-10-08 The world is a confusing and painful place for children and adults How do you respond faithfully to your kids big questions Learn to craft faithful conversations and be better prepared to talk about the tough stuff with your kids More than 30 essays from a diverse group of young Christian parents pastors address today s toughest topics including gender race bullying mental illness death divorce money technology and generosity When Kids Ask Hard Questions invites you to take a deep breath create safe spaces for the hard conversations and speak the truth in love Each chapter includes a resource list for further exploration      **Birthed** Elizabeth Hagan,2016-12-06 When infertility painfully interrupted Elizabeth Hagan s plan to start a family the path of grace offered her another way Instead of giving birth to a child she birthed herself instead Along the way she learned you can t control how fast your dreams come true if they come true at all but you can find grace for embracing your life in the present tense grief and all Through her new book Birthed Elizabeth Hagan offers her story as a companion and guide for living through your own pain and loss For the one in eight couples who face infertility you will know you are not alone and a long season of grief does not have to destroy your marriage or your friendships with childbearing friends For those friends and family members of infertile couples there are no one size fits all answers to a fertility journey medically emotionally or spiritually and the worst thing you can say is nothing at all Adoption is never the complete solution to infertility and through it all pain can never be fixed only lived through So allow grace to help you begin to live today in the present moment      **Brave Church** Elizabeth Hagan,2021-06-01 In today s deeply divided world where discussions can quickly become heated and uncivil churches need to learn how to talk about sensitive issues Our society needs brave churches where people can talk about the real struggles they are experiencing without fear of being dismissed shamed or judged Brave Church helps congregations talk about controversial topics with sensitivity to those who see the world and have experienced life differently from themselves It guides readers to think through how they can foster conversations about such challenging topics as infertility miscarriage mental health domestic violence racism and sexuality In this 6 week small group study pastor Elizabeth Hagan weaves personal and theological reflections with scripture discussion questions and real world examples to move readers from exploration to action Brave Church includes a Leader s Guide and suggests resources for further reading and action      *The Barren Cry* Whitney Henneman,2020-06-22 Just as Hannah pleaded with the Lord for her son Samuel in 1 Samuel 1 10 so this devotional is a focused journey of faith and intentional prayer on behalf of our deepest longings for a child Each day in this three week journey encapsulates what I have processed and learned through my season of barrenness in regards to my understanding of God amidst the greatest suffering I have known For those who thirst for answers in the wilderness of waiting and long to hear from Him this book is a practical guide to help strengthen your resolve under the load you bear In my darkest moments

of despair during our infertility battle and my husbands health crisis we decided to do a 21 day fasting prayer challenge It wasn't easy is an understatement In fact the increasing spiritual oppression we felt was staggering But guess what The Lord showed up Not immediately as it was months later we heard from Him but we ultimately experienced Him profoundly So I'm challenging you today commit to praying to the Lord for 21 days for your innermost yearnings for motherhood and healing I think you will be blown away by the power you hold in asking and in the graciousness of our Father in answering you Hannah's barren cry is what moved the heart of God So of you your barren cry is not powerless it is powerful I dare you to faithfully impress your requests upon the heart of God and not encounter an experience of life changing proportions **Embrace** Liz Mannegren, 2019-10-23 One in four pregnancies end in loss But there is hope Embrace invites us to explore the grief surrounding pregnancy loss Sharing her own painful experiences Liz Mannegren gently creates an open and honest discussion about the mess and heartache such devastation creates As we allow Christ to redeem each uncomfortable ounce of this journey we find freedom and hope Each chapter ends with a series of journaling prompts that encourage reflection gratitude and healing As we gather together around this table of loss there is communion and strength to be found in our shared heartbreak Drawing from the unique testimonies of mothers who have experienced miscarriage infertility recurrent loss multiple loss and stillbirth Embrace challenges the lie that whispers You're alone in your grief and instead proclaims You are loved and worthy *Inconceivable Redemption* Erin Greneaux, 2019-05-05 Written from a Christian perspective this book encourages women experiencing pregnancy loss to embrace their journey through grief and ask the hard questions seeking biblical answers It beautifully demonstrates how God's inconceivable redemption is not only possible in the darkest moments but most evident and surprising in them **Expecting with Hope** Teske Drake, 2014-11-05 You will keep in perfect peace those whose minds are steadfast because they trust in you Isaiah 26:3 When 31 percent of pregnancies end in loss it is no surprise that miscarriage stillbirth or infant loss brings great grief nor is there a shortage of books addressing how to move through and past that sorrow What is seldom considered however is that 85 percent of those women go on to become pregnant again yet the complexity of emotions triggered by a pregnancy following loss is rarely addressed With this book Teske Drake challenges women to claim joy in the midst of grief when newly expecting and shows them just how to accomplish that Centered on biblical promises like the one above and focused specifically around promises of peace this book is a practical guide written by a mother who's been there Drake acknowledges the torrent of anxiety that replaces the natural joy pregnancy can bring She avoids painful clichés and works instead to unearth deeper truths Her tone is gentle caring and compassionate drawing women back to a place of peace and joy both with God and with their current pregnancy This ten chapter book includes accompanying devotions Pregnancy Prayers personal anecdotes from other mothers who've experienced similar loss and Pen the Promise journaling prompts to encourage personal application of the promises Drake reveals She constantly drives the reader back to Scripture sharing not only promises given but promises fulfilled Women are

offered practical information as well as encouragement and inspiration With Expecting with Hope Drake provides a deeply needed space for expectant mothers to rediscover the joy and peace of pregnancy
