

Three large, white, feathered angel wings are positioned on the left side of the image, extending horizontally. They are set against a deep blue background with a subtle radial gradient and faint, glowing light rays emanating from the center. At the bottom of the image, the curved horizon of the Earth is visible, showing a blue sky and a dark ocean.

Three Angels One Message:

Three Angels, One Message John T. Anderson, 2012 Now would be a good time to remember the angels instructions The Three Angels Message comprise only seven of Revelation s 404 verses a tiny percentage of what John the revelator recorded Yet as God s final warning to a world enamored with sin these cryptic messages are highly significant What exactly is God warning the world about though And how is this warning relevant to you considering what is currently happening in our world If it s so important why isn t this portion of Scripture as well known as the Ten Commandments or the golden rule Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God s warning is to every human on this planet today

Creation, Catastrophe & Calvary John Templeton Baldwin, 2000 In this scientific age what difference does it make whether I believe the world was created in six literal days and that the world was destroyed by a global flood In answering these questions Creation Catastrophe and Calvary shows how these beliefs are related to key issues such as the forgiveness of our sins and Sabbath observance Foreword Introduction Meet the Authors An Angel s Worldview The Days of Creation in Genesis 1 A Second Creation Account Biblical Evidence for the Universality of the Genesis Flood The Grand Canyon and the Genesis Flood The Geologic Column and Calvary The Rainbow Connection Implications for an Evangelical Understanding of the Atonement Evolution A Theory in Crisis The Role of Creation in Seventh day Adventist Theology Science and Theology Focusing the Complementary Lights of Jesus Scripture and Nature

Straight Answers to 35 Tough Questions Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers

Adventism Proclaimed Russell R. Standish, Colin D. Standish, 1999

Adventism Re-examined: 75 Years of Changes, Challenges and Choices Gordon Kainer, 2019-11-13 My book s objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and

decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you

Cosmology and Eschatology in Jewish and Christian Apocalypticism Yarbrow Collins, 2021-12-06 This volume deals with Jewish and Christian apocalyptic texts and movements from the second century BCE through the fourth century CE. It focuses on two major themes: cosmology and eschatology, that is, views of the structure of the universe including its religious function and interpretations of history and the future. The detailed historical and literary analysis of these themes are introduced by an essay on the cultural gap between the original contexts of these texts and those of readers today and how that gap may be bridged. The book deals with the interrelations between post-biblical Judaism and early Christianity. The relevant Jewish texts and history are discussed thoroughly in their own right. The Christian material is approached in a way which shows both its continuity with Jewish tradition and its distinctiveness.

The Branch Davidians of Waco Kenneth G. C. Newport, 2006-04-13 What were the beliefs of the Branch Davidians? This is the first full scholarly account of their history. Kenneth G. C. Newport argues that far from being an act of unfathomable religious insanity, the calamitous fire at Waco in 1993 was the culmination of a long theological and historical tradition that goes back many decades. The Branch Davidians under David Koresh were an eschatologically confident community that had long expected that the American government, whom they identified as the Lamb-like Beast of the book of Revelation, would one day arrive to seek to destroy God's remnant people. The end result, the fire, must be seen in this context.

More than 75 Bible studies are included in the book, covering the plan of salvation and the great controversy theme, which builds a theological base for other vital doctrines such as the Sabbath and the state of the dead.
