Three Lives & Tender Buttons Gertrude Stein, 2003 Presents three short stories which paint portraits of three very different women and a collection of prose poetry in one volume

Three Lives and Tender Buttons Gertrude Stein, 2003-02-04 Three Lives Three short stories comprise Gertrude Stein's first significant work each a psychological portrait of a different woman The Good Anna is a kindly but domineering German servant The Gentle Lena apathetically endures her miserable life until she dies in childbirth Melanctha is a young Black woman learning about sexuality and love Different as they may be all three women are bound by poverty and all three face the restrictions of class race and sex with resignation Tender Buttons Stein spoke of maintaining a continuous present comprised of moments of consciousness independent of time and memory Nowhere is this more clear than in her prose poems Tender Buttons Their repetitive sentences juxtaposition of sounds and simple language connote this continuous presence To live in this state is to begin again and again to use everything Each of the three sections Objects Food and Rooms employs both this repetition and disjointed words to build images Prose poetry at its most abstract expression Tender Buttons is to writing what cubism is to art W G Rogers

Three Lives & Tender Buttons Gertrude Stein, 2003 *Error, Ambiguity, and Creativity* Sita Popat, Sarah Whatley, 2020-06-30 This book offers a set of eleven discipline specific chapters from across the arts humanities psychology and medicine Each contributor considers the creative potential of error and or ambiguity defining these terms in the particular context of that discipline and exploring their values and applications Themes include error in choreography poetry media art healthcare psychology critical typography and mixed reality performance The book emerges from a core question of how dance research and HCI can inform each other through consideration of error ambiguity and messiness as methodological tools The digital age had heralded the possibility that error could be eradicated by the logic of computers but several chapters focus on glitch in arts practices that exploit errors in computer programmes or even create programmes specifically to produce errors Together the chapters explore how error can take us somewhere different or somewhere new to develop a new more interesting way of working

Flourish Jacqueline Turner, 2019-09-17 Smart clear eyed Turner's gift is for beautiful concision Georgia Straight on The Ends of the Earth Jacqueline Turner's Flourish moves between philosophy literary criticism biography and poetry Both personal and experimental her writing becomes transformative as it explores memories of growing up in a small town parenting a set of adventurous sons traveling and reading At times her poems act like micro essays at other times they are miniature memoirs or precise manifestos and throughout the collection's exploration of contemporary cities and culture a tense beauty emerges Turner takes readers to a park in Berlin set up like a messy living room to a gallery in Granada where the view from a window beside a famous painting more perfectly frames an ancient stone wall and to a karaoke room in Tokyo where comedic possibilities merge with spilled drinks In the end Flourish celebrates the abundance of words already read while conveying gratitude for the ones still about to be read A bold gesture a green light a

way forward in challenging times **Conceived in Modernism** Aimee Armande Wilson,2017-06-29 Offers a new perspective on the politics of contraception by showing that Anglo American birth control rhetoric has roots in modernism

The Cambridge Companion to the American Short Story Michael J. Collins,Gavin Jones,2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet

Creative Writing and the Radical Nigel Krauth,2016-07-18 The rise of digital publishing and the ebook has opened up an array of possibilities for the writer working with innovation in mind *Creative Writing and the Radical* uses an examination of how experimental writers in the past have explored the possibilities of multimodal writing to theorise the nature of writing fiction in the future It is clear that experimental writers rehearsed for technological advances long before they were invented Through an in depth study of writers and their motivations challenges and solutions the author explores the shifts creative writing teachers and students will need to make in order to adapt to a new era of fiction writing and reading

Contemporaries and Snobs Laura Riding,2014-02-28 This new edition of *Contemporaries and Snobs* a landmark collection of essays by Laura Riding offers a counter history of high modernist poetics Laura Riding s *Contemporaries and Snobs* 1928 was the first volume of essays to engage critically with high modernist poetics from the position of the outsider For readers today it offers a compelling account by turns personal by turns historical of how the institutionalization of modernism denuded experimental poetry Most importantly *Contemporaries and Snobs* offers a counter history of the idiosyncratic of what the institution of modernism left and leaves behind With Gertrude Stein as its figurehead the book champions the noncanonical the barbaric and the undertheorized Riding s nuanced defense of a poetics of the person in *Contemporaries and Snobs* represents a forgotten but essential first attempt to identify and foster what is now a well defined poetic lineage that leads from Stein to the contemporary experimental avant garde In these essays Riding takes her readers on a remarkably thorough tour through the critical scene of the 1920s Among other influential treatises she considers T S Eliot s *The Sacred Wood* and his editorial essays in *The Criterion* Allen Tate s *Poetry and the Absolute* John Crowe Ransom s essays on the modernist poet Edgell Rickword s essays in *The Calendar of Modern Letters* and Herbert Read s posthumous publication of T E Hulme s essays All of this criticism Riding notes gave modern poets a sheen of seriousness and professionalism but was it good for poetry Her decisive answer is no This new edition includes an introduction by Laura Heffernan and Jane Malcolm that makes legible the many connections between *Contemporaries and*

Snobs and the critical debates and poetic experiments of the 1920s as well as explanatory notes a chronological bibliography of Riding's work and an index of proper names *Gertrude, Mabel, May* Gwendolyn Leick, 2019-06-30 Gertrude Stein's first novel one that was never published during her lifetime was called Q E D She wrote it to exorcise the experience of her first passionate love affair with the New Yorker May Bookstaver the friend and lover of the Bostonian Mabel Haynes a fellow student of Gertrude Stein's at Johns Hopkins Medical School between 1898 and 1902 The impact of the complicated affair on Stein's writing has attracted considerable attention but the subsequent lives of her two intimate friends have not been covered so far in any detailed way Gwendolyn Leick is the granddaughter of Mabel Haynes who moved to Austria Hungary in 1905 She began writing this book after the chance discovery of her grandmother's part in Gertrude Stein's life some six years ago in order to do justice to these remarkable women The method of writing lays out the things the notions and ideas the people friends relatives lovers husbands in the form of associative entries woven around Gertrude Stein's texts as much as on private letters photographs and other found objects It is an encyclopaedic enterprise rather than a chronologically ordered biographical account The character and the lives of the three protagonists and the times they lived in emerge through the kaleidoscope of the accumulated vignettes **The Oxford Critical and Cultural History of Modernist**

Magazines Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism *Everybody's Autonomy* Juliana Spahr, 2001-01-11 Everybody's

Autonomy is about reading and identity Experimental texts empower the reader by encouraging self governing approaches to reading and by placing the reader on equal footing with the author *English Journal*, 2002 *The Ekphrastic Writer*

Janée J. Baugher, 2020-06-17 A common definition of ekphrasis is descriptive writing influenced by the visual arts Beyond the written word however responding to art can engender self reflection creativity and help writers to build characters plot and setting This book unites the history and tradition of ekphrasis its conventions the writing process and multi genre writing prompts In addition to subjects such as early art engagement psychology and the eye brain perception relationship this book discusses artists creative processes tools and techniques and offers instruction on how to read art by way of deep looking

Publications of the Modern Language Association of America, 2003 *Encyclopedia of Feminist Literature* Mary Ellen Snodgrass, 2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred **Gertrude Stein** Renate Stendhal, 1994-01-10 After an astonishing playful essay the book opens into a revelatory combination of quotes quips and 360 photos of Stein and her wildly brilliant circle Elle

Three Lives Gertrude Stein, 1985-03-10 Clear carefully crafted stories of 3 women whose relatively ordinary lives and minds Stein invests with extraordinary interest Excellent entree to author's later work *Tender Buttons - Large Print*

Edition Gertrude Stein, 2020-11-16 A not torn rose wood color If it is not dangerous then a pleasure and more than any other if it is cheap is not cheaper The amusing side is that the sooner there are no fewer the more certain is the necessity dwindled Supposing that the case contained rose wood and a color Supposing that there was no reason for a distress and more likely for a number supposing that there was no astonishment is it not necessary to mingle astonishment The settling of stationing cleaning is one way not to shatter scatter and scattering The one way to use custom is to use soap and silk for cleaning The one way to see cotton is to have a design concentrating the illusion and the illustration The perfect way is to accustom the thing to have a lining and the shape of a ribbon and to be solid quite solid in standing and to use heaviness in morning It is light enough in that It has that shape nicely Very nicely may not be exaggerating Very strongly may be sincerely fainting May be strangely flattering May not be strange in everything May not be strange to **Three Lives** Gertrude Stein, 2016-11-21 Enjoy this classic piece of literature with an appreciation fostered by greater understanding and insight Original additions may include notes lessons and activities designed to foster understanding at key points in the story and at critical chapters As an educator I believe that older works of literature must be introduced into new generations This belief has guided my editing of the original source material This special edition contains edits specifically aimed at assisting readers in understanding the classic text preparing students for examinations or providing lesson plans for teachers This book is ideal for readers in high school college or otherwise seeking an easier understanding of a classic text
