The High-Performing Preschool Gillian Dowley McNamee, 2015-05-04 Masterful presents a cogent and compelling picture of preschool programs serving low socioeconomic status students who achieve equity and excellence Choice The High Performing Preschool takes readers into the lives of three and four year old Head Start students during their first year of school and focuses on the centerpiece of their school day story acting In this activity students act out stories from high quality children s literature as well as stories dictated by their peers Drawing on a unique pair of thinkers

Russian psychologist Lev Vygotsky and renowned American teacher and educational writer Vivian G Paley Gillian Dowley McNamee elucidates the ways and reasons this activity is so successful She shows how story acting offers a larger blueprint for curricula that helps ensure all preschools not just those for society s well to do are excellent McNamee outlines how story acting cultivates children s oral and written language skills She shows how it creates a crucial opportunity for teachers to guide children inside the interior logic and premises of an idea and how it fosters the creation of a literary community Starting with Vygotsky and Paley McNamee paints a detailed portrait of high quality preschool teaching showing how educators can deliver on the promise of Head Start and provide a setting for all young children to become articulate thoughtful and literate learners As McNamee demonstrates in detail a classroom is never simply a setting by engaging what is already there the students ideas imaginations experiences stories relations and conversations it becomes a powerful source of development Luis C Moll University of Arizona *Kindergardens* Totline,2000-08-03 Presents a series of learning units centered around gardens designing them gardening advice and activities songs and games for extended learning Three Nanny Goats Gruff (eBook) Carol B. Kaplan-Lyss,Sandi Becker,1988-09-01 Applause Applause And wasn t it easy Even non musical teachers will love using this simple musical play Children will bring stories to life through drama music art language and gross motor activities Each book contains a CD print books or audio files eBooks and a resource guide loaded with songs music and step by step directions for classroom use or performance The CD and audio files contain both songs with lyrics and piano accompaniment only This play is loaded with wonderful music and catchy lyrics that children will want to sing again and again **The Development of Children's Imaginative Writing (1984)** Helen Cowie,2018-05-08 Published in 1984 The more we know about young writers the more we observe them as they write discuss the composing process with them talk to them about the sources of their ideas and the difficulties which they encounter as they try to captures thoughts and feelings in words the greater will be our understanding of imaginative activity and the part it plays in children s personal and social development This is the essential theme of the book and the contributors stress the importance of sympathetic and sensitive guidance by teachers and parents in encouraging the imaginative process in young children The personal diaries stories and conversations with young writers which appear in this book illustrate how children can use imaginative writing as a means of coming to terms with social and emotional issues in their lives The book presents first a theoretical analysis of the imaginative writing process and then goes on to explore children s growing awareness of themselves and others through their perception of sex roles their way of dealing symbolically with illness and death fear and separation religious and spiritual experiences and their understanding of social relationships with family and friends The writing process itself is examined in detail and parallels drawn between the adult and child writer The final part of the book presents children s own reflections on writing shows one classroom community in action and discusses the extent to which children themselves can gain control of their own writing process **Common Core Curriculum: English, Grades K-5** Great Minds,2014-05-06

Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts; Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills; Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

The Integrated Curriculum Anthony D. Fredericks, 1998-09-15

Expanding literature beyond the covers of a single book into every facet of the curriculum from reading language arts to math, social studies, music, physical education, and science and health, this volume is truly a celebration of reading. Thirty-five high-quality books, selected on the basis of interest level and application to the needs of reluctant readers, are presented with critical thinking questions, activities, and a host of other energizing ideas for the reading program. From making wind socks and tree diaries to raising tadpoles and brine shrimp, Guidelines for motivating students and encouraging active participation introduce the concepts and methodology of this exciting approach. Demonstrating the power and beauty of literature, it stimulates the perception of reading not only as a requisite part of every course and every subject but as a natural and normal part of every student's life. Grades 2-5.
