Tribulation Prophecy:

Tribulation Prophecy John Stoudenmire, 2010-03 In this day and age there are many theories when it comes to the return of the Lord Author John Stoudermire shares personal prophecies that have been revealed to him Not only does he present thoughtful research for his theory but he provides scripture references that help aide his findings Are you prepared for you future Be entirely sure with a Tribulation Prophecy **Great Joy in Great Tribulation** Jim Searcy, 1995 *The Church in the Coming Great Tribulation* Steve Urick, 2009-08-17 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as taught by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being said by modern day prophecy teachers this timely work sheds light on the subject and will help to clear up any confusion you might have *The Church in End-Time Prophecy* Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through *Post Tribulation Rapture* Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong

From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy [The Day of the Lord, the Key to Understanding End-Time Prophecy](#) Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy **Understanding End Times Prophecy** Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture **The End Times in Chronological Order Workbook** Ron Rhodes,2022-06-07 You Can Understand Bible Prophecy for Yourself In today s tumultuous world we see current events aligning with what will happen during the tribulation period prophesied in the Bible The uncertainty of what is to come has led many to ask questions about what will happen and when With this companion to The End Times in Chronological Order author Ron Rhodes provides a strategically designed guide to help you unpack Bible prophecy Whether you journey through this workbook on its own or in

tandem with the book this resource illuminates every key concept believers need to know and where they fit on God's timeline from the rapture to the tribulation to the return of Christ and beyond Let your heart be enriched nurtured and emboldened as you experience the blessing the book of Revelation promises to those who study Bible prophecy The End Times in Chronological Order Workbook will equip you to better understand and prepare for what God has made known about the future

The Great Sign The Key to Unlocking Biblical End Times Prophecy, the Rapture of the Church, and Tribulation Period James L. Koontz,2014-07-31 The latest craze in Bible prophecy is the four blood moons and the Lord's feast days No doubt these are important biblical signposts However these signposts do not provide the all important context of relating to the timing of any specific biblical event i.e. rapture of the church Antichrist signing the seven year covenant with Israel and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel's history In this riveting book James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lord's fall feasts Since Christ's resurrection and ascension the all important question for His disciples and for many of us now is when is Christ coming back for His bride Additionally when will the Antichrist sign the peace covenant with Israel when will the great tribulation begin and when will Christ's second coming be These are all very important questions that the great sign helps us understand being the key to unlocking Bible prophecy in our time

Book Review 1 Without a doubt people are sensing that our world is under the sway of biblical end time prophecies Recent events have driven people to reconsider these signs of the times and take a fresh look at what the Bible says regarding these events In *The Tribulation Story* Greg Hinnant s passion and scholarship really shines Many Christians today are woefully uneducated and ignorant of even basic eschatology and the relevance of its impact for our lives I m grateful Greg has produced a well written and well researched work for both those new to the faith and for veteran believers I found it to be an excellent and accurate overview of the Book of Revelation *The Tribulation Story* is inspiring enlightening and most importantly biblically sound I highly recommend it for anyone interested in God s plan for the ages

Dr Randal S Langley President CEO Christian Life School of Theology Global Book Review 2 *The Tribulation Story* is a unique chronology of the events prophesied in the Book of Revelation Greg Hinnant has not only given us a book of in depth information he has given us a book of deep Holy Spirit revelation that carries life changing impartation It is impossible for anyone Christian or non Christian to read this amazing work and not experience a deep emotional reaction and spiritual resonance in their heart It will connect the dots for many people who have never really understood the Book of Revelation before

Dr John Shiver John Shiver Ministries Book Review 3 *The Tribulation Story* vividly details the horrors of the coming Tribulation period It is not only based on the Book of Revelation but also makes extensive use of Old and New Testament Scriptures including those of many prophets who foresaw this coming time Jesus challenged Christians to be wise worthy

watching faithful and ready at all times for His return This book encourages us to learn to more persistently overcome our smaller tribulations with God s grace in order to be ready to be raptured away to heaven and thereby avoid the Tribulation Dr Ernst Lutz Ph D Switzerland Book Review 4 While The Tribulation Story does not purport to identify precisely the when of Christ s return it does affirm that the events described in the Book of Revelation are an impending awesome reality for our generation Hence The Tribulation Story is not written to explain prophecy for some distant future but for our present time The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King This book is a call for preparation in the here and now Dr Ran Whitley D Min Ph D Professor Alma Dark Howard Chair of Church Music Campbell University

The Sign of the End of the Age Paul Kalbach,2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In *The Sign of the End of the Age* What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method *The Sign of the End of the Age* seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

[Will the Bride of Christ Go Through the Great Tribulation?](#) Daniel H. Kiser,2017-04-03 In recent years many questions have been raised regarding the church and the Great Tribulation Regrettably some of these questions have gone unanswered leaving the enquirer uninformed and frustrated Among the most controversial questions being asked are Who is the bride of Christ Is every redeemed person included in the church Jesus is currently building Who are the twenty four elders surrounding the throne of God When will the marriage of the Lamb take place What is the falling away referred to by Paul in 2 Thessalonians 2 3 Does Israel have a definite place in the future plan of God Did the apostles expect Jesus to return during their generation Will there be a rapture of the Church and if so when Do the seven churches in the Book of Revelation have any prophetic significance What event must take place before the Antichrist can be revealed My friend and colleague Daniel Kiser deals with these and other related topics in this timely and informative work He offers a solid biblical answer to the most frequent inquiry of all Will the bride of Christ go through the Great Tribulation Dr Charles Linton Th D

The Popular Handbook on the Rapture Tim LaHaye,Thomas Ice,Ed Hindson,2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God s Word for the answers In this book readers will discover what they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides much needed clarification about the end times *Prophetical Events and the Great Tribulation* Clyde C. Cox,1957 **Jesus the Truth of His Coming** Pastor Arthur Lands,2018-12-10 This book contains literally what God says not my opinion Neither do I quote other peoples opinion I m only comparing two doctrines the Pre tribulation Rapture doctrine and the Post tribulation doctrine I have taught these truths to my people and shared it with other preachers Twelve of those preacher friends of mine have changed their prophetic view of the coming of the Lord Some preachers and several deacons have said this book took the confusion out of the second coming of the Lord They once believed in a Pre tribulation Rapture of the church However after reading my individual chapters and studying the Word of God they changed their position on when the Lord will return for his people The Day of the Lord will bring about this great event God will bring with Him the sleeping saints to be raised from the dead This is the first resurrection He will make all of His Son s enemies His footstool while Jesus returns as promised The resurrected and living saints will meet Jesus in the air Jesus will tread the winepress of the wrath of God destroying the remnant that God has left The coming of the Lord is only a ONE TIME EVENT Please don t take my word

for it Study I have given you the scriptures to follow One last thought See the picture on the front cover and the two pictures on the back These portray in picture form three different examples of the coming of the Lord They are all different Is Jesus coming back three times two times or one time This book will help you understand this
