Verena Bernardi, Frank Jacob

Vampire God The Allure Of The Undead In Western Culture:

Vampire God Mary Y. Hallab, 2009-10-06 Examines the enormous popular appeal of vampires from early Greek and Slavic folklore to present day popular culture Vampire God Mary Y. Hallab, 2009-10-06 Examines the enormous popular appeal of vampires from early Greek and Slavic folklore to present day popular culture *Vampire God* Mary Y. Hallab, 2010-03-30 It seems we're awash in vampires these days in everything from movies television shows and novels to role playing games rock bands and breakfast cereals But what accounts for their enduring popular appeal In *Vampire God* Mary Y Hallab examines the mythic figure of the vampire from its origins in early Greek and Slavic folklore its transformation by Romantics like Byron Le Fanu and Stoker and its diverse representations in present day popular culture The allure of the vampire Hallab argues lies in its persistent undeadness its refusal to accept its mortal destiny of death and decay Vampires appeal to our fear of dying and our hope for immortality and as a focus for our doubts and speculations vampire literature offers answers to many of our most urgent questions about the meaning of death the nature of the human soul and its possible survival after bodily dissolution Clearly written with wry humor *Vampire God* is a thoroughly researched ambitious study that draws on cultural anthropological and religious perspectives to explore the significance and function of the vampire in relation to the scientific social psychological and religious beliefs of its time and place **Undead in the West** Cynthia J. Miller, A. Bowdoin Van Riper, 2012-08-17 In *Undead in the West* Vampires Zombies Mummies and Ghosts on the Cinematic Frontier Cynthia J Miller and A Bowdoin Van Riper have assembled a collection of essays that explore the many tropes and themes through which undead Westerns make the genre's inner plagues and demons visible and lay siege to a frontier tied to myths of strength ingenuity freedom and independence The volume is divided into three sections *Reanimating Classic Western Tropes* examines traditional Western characters symbolism and plot devices and how they are given new life in undead Westerns *The Moral Order Under Siege* explores the ways in which the undead confront classic values and morality tales embodied in Western films and *And Hell Followed with Him* looks at justice retribution and retaliation at the hands of undead angels and avenger The subjects explored here run the gamut from such B films as *Curse of the Undead* and *Billy the Kid vs Dracula* to A list features like *From Dusk til Dawn* and *Jonah Hex* as well as animated films *Rango* and television programs *The Walking Dead* and *Supernatural* Other films discussed include Sam Raimi's *Bubba Ho-Tep* John Carpenter's *Vampires* George Romero's *Land of the Dead* and Sergio Leone's *Once Upon a Time in the West* Featuring several illustrations and a filmography *Undead in the West* will appeal to film scholars especially those interested in hybrid genres as well as fans of the Western and the supernatural in cinema **Monster Culture in the 21st Century** Marina Levina, Diem-My T. Bui, 2013-05-23 In the past decade our rapidly changing world faced terrorism global epidemics economic and social strife new communication technologies immigration and climate change to name a few These fears and tensions reflect an evermore interconnected global environment where increased mobility of people technologies and disease have

produced great social political and economical uncertainty The essays in this collection examine how monstrosity has been used to manage these rising fears and tensions Analyzing popular films and televisions shows such as True Blood Twilight Paranormal Activity District 9 Battlestar Galactica and Avatar it argues that monstrous narratives of the past decade have become omnipresent specifically because they represent collective social anxieties over resisting and embracing change in the 21st century The first comprehensive text that uses monstrosity not just as a metaphor for change but rather a necessary condition through which change is lived and experienced in the 21st century this approach introduces a different perspective toward the study of monstrosity in culture

The Undead and Theology Kim Paffenroth, John W. Morehead, 2012-09-21 The academy and pop culture alike recognize the great symbolic and teaching value of the undead whether vampires zombies or other undead or living dead creatures This has been explored variously from critiques of consumerism and racism through explorations of gender and sexuality to consideration of the breakdown of the nuclear family Most academic examinations of the undead have been undertaken from the perspectives of philosophy and political theory but another important avenue of exploration comes through theology Through the vampire the zombie the Golem and Cenobites contributors address a variety of theological issues by way of critical reflection on the divine and the sacred in popular culture through film television graphic novels and literature

Undead Apocalypse Stacey Abbott, 2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post apocalyptic cinema Twenty first century film and television is overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV programmes like Angel and The Walking Dead this book challenges these popular assumptions and reveals the increasing interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of science disease and apocalypse while the zombie text has increasingly been influenced by the trope of the areluctant vampire Stacey Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a dystopian sometimes apocalyptic vision of twenty first century existence Key features Rather than seeing them as separate or oppositional this book explores the intersection and dialogue between the vampire and zombie across film and television Much contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of Richard Mathesons I Am Legend including the novel the script the adaptations and the BBFCs response to Mathesons script

Interdisciplinary Approaches to Twilight Mariah Larsson, Ann Steiner, 2011-01-12 With contributions from various experts this is an interdisciplinary approach to the global phenomenon that is the Twilight series which has evolved well beyond the novels by Stephenie Meyer This anthology contains in depth film analyses gender perspectives economic and literary studies of the book market and several articles on fans and fandom as well as contributions investigating vampire fiction traditions

and vampire religious beliefs A theoretically well founded study this volume maps the contemporary cultural experience surrounding Twilight and discusses multiple themes such as fear of aging vampire ethics and the cross generational appeal

God in the Details Eric Mazur, Kate McCarthy, 2010-10-04 Exploring the blurred boundary between religion and pop culture God in the Details offers a provocative look at the breadth and persistence of religious themes in the American consciousness This new edition reflects the explosion of online activity since the first edition including chapters on the spiritual implications of social networking sites and the hazy line between real and virtual religious life in the online community Second Life Also new to this edition are chapters on the migration of black male expression from churches to athletic stadiums new configurations of the sacred and the commercial and post 9 11 spirituality and religious redemption through an analysis of vampire drama True Blood Popular chapters on media sports and other pop culture experiences have been revised and updated making this an invaluable resource for students and scholars alike *All Around Monstrous: Monster Media in Their Historical Contexts* Verena Bernardi, Frank Jacob, 2019-10-31 We know all kinds of monsters Vampires who suck human blood werewolves who harass tourists in London or Paris zombies who long to feast on our brains or Godzilla who is famous in and outside of Japan for destroying whole cities at once Regardless of their monstrosity all of these creatures are figments of the human mind and as real as they may seem monsters are and always have been constructed by human beings In other words they are imagined How they are imagined however depends on many different aspects and changes throughout history The present volume provides an insight into the construction of monstrosity in different kinds of media including literature film and TV series It will show how and by whom monsters are really created how time changes the perception of monsters and what characterizes specific monstrosities in their specific historical contexts The book will provide valuable insights for scholars in different fields whose interest focuses on either media studies or history

Vampire God The Allure Of The Undead In Western Culture Introduction

In today's digital age, the availability of Vampire God The Allure Of The Undead In Western Culture books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Vampire God The Allure Of The Undead In Western Culture books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Vampire God The Allure Of The Undead In Western Culture books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Vampire God The Allure Of The Undead In Western Culture versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Vampire God The Allure Of The Undead In Western Culture books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Vampire God The Allure Of The Undead In Western Culture books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Vampire God The Allure Of The Undead In Western Culture books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Vampire God The Allure Of The Undead In Western Culture books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Vampire God The Allure Of The Undead In Western Culture books and manuals for download and embark on your journey of knowledge?
