Vampire My Life As A Teenage Vampire Night Life:

My Life As a Teenage Vampire Hunter ID Johnson,2018-08-11 Sometimes following your dreams isn't all it's cracked up to be. When I decided I'd stop at nothing to become a Vampire Hunter even though my older sister and her teammates knew I wasn't ready I got myself into trouble a whole lot of trouble. Now I'll never be exactly what I wanted to be and I'll never be the same as I was before either. There's a dangerous Vampire on the loose and I know I'm the only one who can stop him from continuing to prey on the innocent. But since I've already broken my sister's trust how can I prove to her that I'm more than just her little sister. I'm a weapon. We both know there's no one else in the world like me but I'll have to show her I can follow her orders before she'll let me move forward with my plan. And that's a problem. Because we also both know following directions is no longer my strong suit. Will I be able to stick to my training long enough to demonstrate my value or will the Vampire continue his destruction? My name is Cassidy Findley and this is my life as a teenage Vampire Hunter. *The Chronicles of Cassidy* is a retelling of *The Clandestine Saga* specifically for young adult teen readers told from the perspective of high schooler Cassidy Findley.

Will is amazing. He's intelligent, caring, handsome, and about to die. Not to mention he was born in the 1800s. Convincing him I'm from 2025 is difficult. Convincing him that this unsinkable ship is about to go down is even harder. Can I convince Will to help me save lives aboard the fated ship? Will I ever get back to 2025? And if I do how will I let Will go? *Back to Titanic* is the first in a series of time travel romance novels that can be read in any order. Fall back in time and into love.

Johnson, 2020-09-27 Can one short conversation change Rain's world forever? After the Third World War, women seized the opportunity to overcome the surviving men, creating a new nation in part of what used to be the United States, ruled by the Motherhood. From that day forward, all women are raised never to question the new order of things where women have all the power and men are used and discarded like animals. Rain knows in the back of her mind that this way is wrong, but she's been indoctrinated to believe questioning the Mothers is wrong. All of that changes one afternoon when she's fulfilling her duties in the Insemination Ward and sees one of the men face to face for the first time. Their conversation is brief, but Rain's life will be changed forever. Now that Rain is aware that the Motherhood isn't all it appears to be, she's drawn into a circle of women who want change and are willing to sacrifice everything to overthrow the Motherhood, free the men, and create a world where everyone is appreciated and valued regardless of gender. The road ahead is full of danger, and with every step, new questions and possibilities are presented to Rain. Will she join the rebellion and work to set men free, or will she continue to be a part of the all-powerful Motherhood? *Rain's Rebellion* is book one in a new thrilling dystopian romance series. **Rain's Run** ID Johnson, Rain is a wanted woman, and it's apparent the Mothers will stop at nothing to track her down. Escaping her home country wasn't easy. Even though Rain and her friends have reached temporary safety, they are a long way from the Nation of Quebec. Recovering from a gunshot wound and tired from days of running, Rain would like nothing more than to stay hidden.

in the mountains with the family that's taken them in. But that's not an option. Rain's presence has put these peaceful people's lives in jeopardy and when a tracker is accidentally tripped, it's clear she has no choice but to start running all over again. This time when she sets out, her party won't be the same. One of her companions will be replaced by a handsome stranger, a man who not only promises to keep Rain safe, he has her questioning her feelings for Adam. Does she really love Adam or is it all infatuation with the only man she's ever really known? Rain's still a long way from safety with Mother White and the others breathing down her neck. There's no guarantee the government she's so desperately trying to reach will even help, but she has to try. The men of her homeland's lives certainly depend upon it, and maybe the lives of her generation of women do too, because rebellions are like a smoldering ember they're catching. Continue Rain's journey in this thrilling dystopian romance.

Rain's Return ID Johnson, You know who I am, Rain. You've always known Rain. Looked into the Military Mother's eyes and shook her head, no, but she knew in her heart what the woman was saying was true. Rain had come all the way back to Michaelanburg to free the men left behind and make sure that no more women were brainwashed into believing the women's lies that they were superior beings, but now she was going to watch the man she loved die at the hands of the only Mother who should've actually cared about her. Her own mother. Let him go, Rain said, and I'll come with you. You'll come with me anyway. Rain and the other rebels have returned to fight the Mothers in one epic battle, but not all of them will get out alive. Find out who lives and who dies in the dramatic conclusion of *The Motherhood*. If you like *The Hunger Games* and *Divergent*, read *The Motherhood* now.

Johnson, 2025-05-15 Sarah, I tried to escape my past, but the shadows of my sins follow me even to the New World. Jamestown is supposed to be a fresh start, but the moment we stepped off that boat, I know it won't be. Creatures like us never get a fresh start. My sister Elizabeth is a storm of blood and fire, reckless, dangerous, and far too beautiful for her own good. From the moment we arrive, she has her eyes on a wealthy plantation owner, the most handsome man in town. Until he chooses me. And now I'm terrified. Because he can never know the truth. If he ever finds out, we could all be destroyed. But he'll be expecting a

child and heir something I can never give him How long can I keep up the charade And what of Elizabeth's jealous nature Will she be our undoing In the shadows of Jamestown dark forces stir and soon Rafe will see me for what I truly am Will he still love me or will he see the monster I've tried so desperately to hide Rafe Sarah is everything I never expected intense beautiful and with a depth that pulls me in like nothing I've ever felt before But there's a darkness in her eyes that tells me she's keeping something from me something important I don't know if it's fear or shame but I know there's more to her than what she's shown me And as much as I want to believe in what we have the weight of her lies could break everything we've built I'm no stranger to secrets My own could destroy us both But when the truth comes out can we survive it Or will the darkness swallow us whole
