

Kritiek is ook mogelijk op het vrijwel ontbreken van vergelijkingen met de situatie elders: niet met betrekking tot de positie van kleine steden, noch wat betreft het karakter van kleinstedelijke politiek en samenlevingen. In de Hollandse Staten was bijvoorbeeld een 'verbond van kleine steden' actief. En waarom zijn wel artikelen van Schutte over patriotisme en de stadhouders gebruikt, maar niet diens studie over Graft, of die van Noordam over Maasland? Deze dissertatie is trouwens over de hele linie tamelijk theorie-arm.

Slordig is een fout in tabel 11 (aandeel van de afzonderlijke regentenfamilies in het bestuur van Hasselt). De familienamen Katholiek en Adel wekken achterdocht, zeker wanneer die niet terugkomen in het register van persoonsnamen. Het lijkt mij dat hier categorieën en families zijn vermengd en bij elkaar zijn opgeteld om aan honderd procent te komen. Ondanks deze kritische opmerkingen heb ik deze helder geschreven dissertatie met plezier gelezen, vooral omdat niet zoveel bekend is over het reilen en zeilen in plaatsen als Hasselt en Steenwijk.

Joop de Jong

B. R. Buddingh', *Van Punt en Snod. Ontstaan en groei van Willemstad, Curaçao vanaf 1634. De Willemstad tussen 1700 en 1732 en de bouwgeschiedenis van de synagoge Mikvé Israël-Emanuel 1730-1732* (s-Hertogenbosch: Aldus, 1994, 251 blz., f49,50, ISBN 90 70 545 28 4).

Dit boek is eerder in 1994 als proefschrift verschenen aan de Technische Universiteit te Delft. De eerste aanzet hiertoe werd in de jaren 1986 en 1987 gegeven. Op verzoek van de Spaans-Portugese joodse gemeente werd toen door een team medewerkers van de Universiteit van de Nederlandse Antillen (waaronderde auteur) de synagoge Mikvé Israël-Emanuel in Willemstad (Curaçao) opgemeten en uitgetekend. Hieruit is later de ambitie gegroeid om dit gebouw in haar verhouding tot de gehele stad te bestuderen. In vier delen probeert de auteur de oude stad ofwel de Punt te herscheppen en haar weer met de oorspronkelijke bevolking op te vullen. Het is de vraag of dit in zijn geheel wel goed uit de verf is gekomen.

In de proloog wordt eerst de ontstaansgeschiedenis van Curaçao als Nederlandse kolonie in vogelvlucht doorgenomen. Daarnaast worden de voor het eerste deel van het boek gebruikte kaarten uit de zeventiende en begin achttiende eeuw bekeken. De auteur zet zelf al vraagtekens bij de betrouwbaarheid daarvan: er kunnen immers makkelijk fouten in zijn gemaakt of met de werkelijkheid kan er een loopje genomen zijn.

In het eerste deel wordt een poging gedaan de Punt tussen 1634 en 1707 te reconstrueren aan de hand van de hiervoor al besproken kaarten en tal van archiefstukken. Willemstad bestond toen nog slechts uit de vesting 'Fort Amsterdam' en enkele huizen. Slechts zeer langzaam kwamen er meer bewoners, onder wie de eerste Spaans-Portugese joden. Ook werden de nederzettingen langzaam ommuurd en gingen een eenheid met de vesting vormen. Pas in de loop van de achttiende eeuw raakte de naam Willemstad ingeburgerd.

In het tweededeel volgt een nauwgezette, met tal van voorbeelden verduidelijkte, reconstructie van De Willemstad tussen 1700 en 1732. Dit gebeurt in 3 fasen waarbij steeds een andere bron als basis is gebruikt. Ten eerste de lijsten van inwoners van de stad, die voor verschillende doeleinden zijn opgemaakt: voor het heffen van belastingen in 1702 en 1707, het betalen van een brandschatting om in 1713 de Franse furie af te kopen en het opmaken van een schattingsregister daarna. Ten tweede de verscheidene koopaktes, die door de tijd heen zijn opgesteld. Hieruit konden naast de huiseigenaars, ook de diverse verbouwingen en aanbouwtjes opge- maakt worden. Verscheidene voorbeelden zijn hierbij integraal opgenomen. Tenslotte is bij de

Van Punt En Snoaontstaan En Groei Van Willemstad Curacao:

Netherlands Antilles and Aruba Jo Derkx, 2025-01-20 *Realm Between Empires* Wim Klooster, Gert

Oostindie, 2018-05-15 The Dutch Atlantic during an era following the imperial moment of the seventeenth century in which Dutch military power declined and Dutch colonies began to chart a more autonomous path A revisionist history of the eighteenth century Atlantic world a counterpoint to the more widely known British and French Atlantic histories Illicit

Riches Wim Klooster, 2024-11-25 This book aims to revise the history of Dutch world trade in the seventeenth and eighteenth centuries While studies of Dutch economic expansion tend to focus on the East India Company and its Asian empire activities in the Atlantic have been neglected Consequently their importance has been seriously underestimated By examining the transit trade in the Caribbean this thorough and original study presents an alternative view of the Dutch seaborne empire facing east as well as west The Dutch transit trade in the Caribbean revolved around Cura ao and St Eustatius small islands that did not have much in common with other colonies in the region Sugar and tobacco production in St Eustatius was never a prosperous enterprise and Cura ao proved to be unsuited for the cultivation of cash crops But enterprising merchants turned these Dutch possessions into entrep ts local counterparts of Amsterdam from where a wide variety of European commodities was sent to foreign colonies in exchange for tropical produce Although outlawed by French English and Spanish mercantilist policies inter imperial commerce became a booming business providing the Dutch in the New World with a niche which was much more profitable than historians have realized The Caribbean contraband trade thus helped the Dutch to survive the loss in the mid seventeenth century of most of their territorial empire in the Western hemisphere **Brokers of**

Change Toby Green, 2012-08-16 This is an important collection of essays focusing on pre colonial trade and African European interaction looking at western Africa between Senegal and Sierra Leone It spans the whole pre colonial period between the first Portuguese voyages of discovery and the transition to legitimate commerce in the 19th century **The Dutch Moment**

Wim Klooster, 2016-10-19 The author draws on a dazzling variety of archival and printed sources The Dutch Moment is a signal contribution to the field Renaissance Quarterly In The Dutch Moment Wim Klooster shows how the Dutch built and eventually lost an Atlantic empire that stretched from the homeland in the United Provinces to the Hudson River and from Brazil and the Caribbean to the African Gold Coast The fleets and armies that fought for the Dutch in the decades long war against Spain included numerous foreigners largely drawn from countries in northwestern Europe Likewise many settlers of Dutch colonies were born in other parts of Europe or the New World The Dutch would not have been able to achieve military victories without the native alliances they carefully cultivated Indeed the Dutch Atlantic was quintessentially interimperial multinational and multiracial At the same time it was an empire entirely designed to benefit the United Provinces The pivotal colony in the Dutch Atlantic was Brazil half of which was conquered by the Dutch West India Company Its brief lifespan notwithstanding Dutch Brazil 1630 1654 had a lasting impact on the Atlantic world The scope of Dutch warfare in Brazil is

hard to overestimate this was the largest interimperial conflict of the seventeenth century Atlantic Brazil launched the Dutch into the transatlantic slave trade a business they soon dominated At the same time Dutch Brazil paved the way for a Jewish life in freedom in the Americas after the first American synagogues opened their doors in Recife In the end the entire colony eventually reverted to Portuguese rule in part because Dutch soldiers plagued by perennial poverty famine and misery refused to take up arms As they did elsewhere the Dutch lost a crucial colony because of the empire's systematic neglect of the very soldiers on whom its defenses rested After the loss of Brazil and ten years later New Netherland the Dutch scaled back their political ambitions in the Atlantic world Their American colonies barely survived wars with England and France As the imperial dimension waned the interimperial dimension gained strength Dutch commerce with residents of foreign empires thrived in a process of constant adaptation to foreign settlers needs and mercantilist obstacles **Public**

Administration and Policy in the Caribbean Indianna D. Minto-Coy, Evan Berman, 2015-06-26 The Caribbean is at a crucial phase in its development Global and local pressures have seen the region losing its competitiveness while it remains at risk of losing out on development gains made in the last few decades These pressures are demanding improvements in the way government operates particularly in its policy making and administrative **The Jews and the Expansion of Europe**

to the West, 1450-1800 Paolo Bernardini, Norman Fiering, 2004-01-01 Jews and Judaism played a significant role in the history of the expansion of Europe to the west as well as in the history of the economic social and religious development of the New World They played an important role in the discovery colonization and eventually exploitation of the resources of the New World Alone among the European peoples who came to the Americas in the colonial period Jews were dispersed throughout the hemisphere indeed they were the only cohesive European ethnic or religious group that lived under both Catholic and Protestant regimes which makes their study particularly fruitful from a comparative perspective As distinguished from other religious or ethnic minorities the Jewish struggle was not only against an overpowering and fierce nature but also against the political regimes that ruled over the various colonies of the Americas and often looked unfavorably upon the establishment and toleration of Jewish communities in their own territory Jews managed to survive and occasionally to flourish against all odds and their history in the Americas is one of the more fascinating chapters in the early modern history of European expansion

Negotiated Empires Christine Daniels, Michael V. Kennedy, 2013-10-18 In this innovative volume leading historians of the early modern Americas examine the subjects of early modern continuing colonization and the relations between established colonies and frontiers of settlement Their original essays about centers and peripheries in Spanish Portuguese French Dutch and British America invite comparison **Origins of a Creole** Bart

Jacobs, 2012-05-29 This study embarks on the intriguing quest for the origins of the Caribbean creole language Papiamentu In the literature on the issue widely diverging hypotheses have been advanced but scholars have not come close to a consensus The present study casts new and long lasting light on the issue putting forward compelling interdisciplinary

evidence that Papiamentu is genetically related to the Portuguese based creoles of the Cape Verde Islands Guinea Bissau and Casamance Senegal Following the trans Atlantic transfer of native speakers to Cura ao in the latter half of the 17th century the Portuguese based proto variety underwent a far reaching process of relexification towards Spanish affecting the basic vocabulary while leaving intact the original phonology morphology and syntax Papiamentu is thus shown to constitute a case of language contact reduplicated in that a creole underwent a second significant restructuring process relexification These explicit claims and their rigorous underpinning will set standards for both the study of Papiamentu and creole studies at large and will be received with great interest in the wider field of contact linguistics **De Halve Maen** ,1996

Van Punt En Snoaontstaan En Groei Van Willemstad Curacao Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Van Punt En Snoaontstaan En Groei Van Willemstad Curacao PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Van Punt En Snoaontstaan En Groei Van Willemstad Curacao PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Van Punt En Snoaontstaan En Groei Van Willemstad Curacao free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
